# Penetrating the Darkness

It's not what *It's Supernatural!* has done. It's what has begun! This month as I celebrate my 75th birthday, God says my ministry is just beginning!

A prophet friend of mine recently told me I would have a major influence on the Arabs in the Middle East. In the spirit, he heard the words "West Bank." As you may know, we are already reaching Israel with our *It's Supernatural!* TV broadcast 33 times a week. And we

are on one of the two most watched secular television networks in Israel. In the natural this would be impossible, but God says, "All things are possible!"

The prophet who told me he saw a door of opportunity open in the West Bank, said we would bring light and revival to the entire Middle East. Then he asked, "What is the West Bank?" He did not know this was the area that had the highest concentration of Palestinians in Israel. He also did not know that **I had just contracted to go on the most viewed broadcast television station for the Palestinian people.**

This family TV station is watched by Arabs in the Palestinian areas, Jordan and 80% of Israel!

We now air on this station 5 times a week in Arabic and 5 times a week in English. The expense is extravagant but the rewards are priceless.

Recently, I met the foremost Jewish

DNA specialist in the world. Every Palestinian he has tested—except those originally from Egypt—has had Jewish DNA. In other words, their ancestors were in most cases forced to convert from Judaism or be killed. I believe many of these Muslim Palestinians we are reaching with our TV broadcast have Jewish ancestry!

There appears to be no hope for peace in the Middle East as Islam continues to follow the Koranic mandate of conquering the world with the sword. Politics can never bring

**From Cathy S. on Facebook:**

A few weeks ago, God directed my path to pray over a Jewish woman who I had never met. The Holy Spirit told me she had back pain. I asked her if she had pain and she said "YES! How did you know?" I explained the Holy Spirit within me told me. I asked if she would like me to pray for her and she said yes.

I prayed in Jesus name and Jesus healed her! Instantly! Then, she told me her shoulder had been bothering her for three weeks. I asked if she would like me to pray again. She said yes with a smile! Again, Jesus healed her! Lots more happened in our discussion...but God did a miracle! .... A week ago, a package came in the mail to her. I did not send it to her. It was from your ministry... a copy of *They Thought for Themselves*. She has no idea who it is from, but I know our God...He moves mountains!

normal as defined by religion. **Instead, their goal will be to do the same miracles as Jesus and even greater.**

That is normal as defined by the Bible. I can picture these red-hot-for-Jesus Jews and Arabs evangelizing the world! Dream with me. And let's go hand in

hand to heaven receiving rewards for reaching so many souls!

We have just released the second book from *It's Supernatural!* Press. It is called, *Releasing the Divine Healer Within* by Dennis and Dr. Jen Clark (see page 3 for details). This book contains the boldest and freshest revelation on healing I have seen in over 40 years of study. Even children are getting healed through this message because it is so simple. When you order this resource, know that all profits are being poured into Jewish and now Arab evangelism. This is the set time to favor Zion!

The reason the light of God is shining so brightly on our TV show is to penetrate the dense darkness on Muslims, Jews and other religious people worldwide who watch *It's Supernatural!* As you are being mentored, the light and glory is getting thick on you. God promises that a major outpouring of His Glory from Jerusalem will overpower the darkness. You and I are partnering to make this happen! Isaiah 60:1-3 (AMP) describes it best.

*Arise!... Shine (be radiant with the glory of the Lord), for your light has come, and the glory of the Lord has risen upon you! For behold, darkness shall cover the earth, and dense darkness [all] peoples, but the Lord shall arise upon you... and His glory shall be seen on you. And nations shall come to your light, and kings to the brightness of your rising.* ☆

# The Divine Healer Lives in You

Dennis and Dr. Jen Clark

Have you ever wondered why the skin of Moses glowed so brightly that he frightened the children of Israel when he came down from Mt. Sinai? Why had being in the glory of God for 40 days and nights so dramatically changed his physical appearance? Is it possible that we are created in such a way that the presence of God can transform our body even down to the cellular level? According to recent scientific discoveries, the answer is an emphatic, "Yes!"

## Bless the Lord, O my soul, and forget not all His benefits: who forgives all your iniquities, who heals all your diseases. Psalm 103:2-3

**W**e have discovered amazing secrets about biology and belief. God formed you for health—spiritual, emotional, and physical. Because the Divine Healer lives within you, His healing power is always available. We don't have to just pray or plead for healing from heaven but we need to yield to Him and welcome His miraculous power into every cell, organ, and system in our physical body.

There are many ways God heals. The Bible says healing may come through gifts of healing, the prayer of faith, anointing with oil and deliverance from spirits of infirmity. However, the **Divine Healer is also in our own heart.** Jesus is not only our Savior, He is our Immanuel, meaning "God with us" (see Matt. 1:23). He is with us and He is in us. The riches of the kingdom of God are not far off but within us (see 2 Pet. 1:3; Phil. 4:19; Luke 17:21). The Scriptures say He is Messiah **in us**, our hope, or confident expectation, of glory (see Col. 1:27). We are God indwelt!

### Encountering the God Who Heals

Jason and Mandy, friends of ours, and their five children have encountered the Divine Healer...in their own hearts! They had already learned how to allow Jesus the forgiver to wash out negative emotions in their hearts and to live in the fruit of the Spirit. Living in the peace of God is a lifestyle for the entire family. Now God has opened up a whole new realm of the miraculous for them. They have discovered the power of the Divine Healer within!

One day Jason and Mandy's 13-year-old daughter Shiri was in agony due to a serious injury to her hand. However, the excruciating pain

that completely immobilized Shiri's thumb and fingers ebbed away as she yielded to the power of the Divine Healer within her own heart. Her four younger brothers also prayed, not by just saying words of prayer, but by allowing healing power to flow out toward Shiri. Jesus said in John 7:38 (KJV), *Out of [your] belly shall flow rivers of living water.* Mandy later commented, "I know it was the grace of God for my boys to sit

and pray that long!" What an amazing instance of Isaiah 11:6: *And a little child shall lead them.*

**If we can yield to Jesus the forgiver, I reasoned that Jesus in me is also the healer.**

As a result of yielding to the Divine Healer, what Shiri's mother had suspected to be a broken bone was miraculously healed! That evening, only a little soreness remained. Alone in her room, Shiri again yielded to Jesus the healer in her heart. Suddenly she saw a bright flash of light touch her thumb and spread across her hand. All residual soreness disappeared.

A few weeks later, Shiri's brother Levi, age 11, broke a bone on the back of his hand. The break was visible to the naked eye and it looked bad. Because of Shiri's healing, the family again turned to the Healer within. Levi yielded to Jesus in his heart while family members prayed.

Afterward, Mandy saw that the appearance of the bone had visibly changed and gently touched the area where the break had been. When she discovered that the pieces of bone had come back together again (although it still felt soft to the touch), she was astonished. Mandy had never experienced being part of a healing in which she could physically see and feel the change that had occurred!

### Yielding to the Divine Healer

Yielding to Jesus the healer within really does work. Jesus in us, the hope of glory, is always present, giving life to our spirit, soul, and physical body, whether we need physical healing or forgiveness to flow through us. As we yield to the presence of God within, Jesus forgives through us and releases His healing power.

Daryl, a pastor who had read one of our books and knew how to yield to Jesus the forgiver for emotional healing, shared this testimony. One day, his back suddenly went into spasm and it was accompanied by agonizing pain. Daryl says:

*I am strong and not used to being weak. This was paralyzing. Pain so deep, I could not breathe. Well, if we can yield to Jesus the forgiver, I reasoned that Jesus in me is also the healer. I dropped down into my spirit and I yielded to Jesus the healer in me. Within seconds, He ruled over that pain. Healing was immediate. The pain was gone!*

### Surprised by Healing

Experts estimate that 90 percent of all sickness and disease is emotionally based. We ourselves can prevent God from working in our lives as much as He would like. The children of Israel, we are told, limited what God could do on their behalf because of their complaints and rebellion (see Psalm 78:40-42). In the New Testament, the people of Nazareth had such a bad attitude of dishonor that it minimized what Jesus could do in their town.

Offenses buried in our heart can block our healing as well (see Mark 6:1-5). Therefore, when we allow God to deal with our attitudes and issues, healing often manifests automatically. Many times the Lord must prepare our heart

before we can receive our physical healing! Here are just a few healings we have seen when the spiritual blockages have been removed:

**Color blindness healed.** Ben forgave his father and was surprised by instant healing for color blindness. Only God knew what had caused Ben's condition. When the barrier was removed, healing occurred automatically.

**A heart healed.** I (Jen) received forgiveness for taking in fear, experienced instant deliverance, and was healed of a physical heart condition.

**Allergies healed.** Dennis's son, Jason, allowed God to heal issues from his past through forgiveness and was healed of all his allergies without ever praying for physical healing.

**One hundred pound weight loss** following emotional healing. A woman forgave her mother and

lost one hundred pounds over the next six months.

When each of us dealt with emotional barriers residing in our heart, divine healing occurred spontaneously!

### Our Divine Healer is Near

The Scriptures describe many different ways God heals as well as assuring us that healing is the

"children's bread" (see Mark 7:27). Proverbs 4:20-22 states: [G]ive

attention to my words; incline your ear to my sayings.... Keep them in the midst of your heart; for they are life to those who find them, and health

to all their flesh. Why should we limit God by refusing to go directly to Him? We should be open to any and all scriptural means of healing.
