*Is there a supernatural dimension, a world beyond the one we know? Is there life after death? Do angels exist? Can our dreams contain messages from Heaven? Can we tap into ancient secrets of the supernatural? Are healing miracles real? Sid Roth has spent over 35 years researching the strange world of the supernatural. SID: Hello. Sid Roth here. Welcome to my world where it's natural supernatural. I wouldn't want it any other way. But I have to tell you something. America is at a crossroads. I don't have to tell you. You know this. America is at a crossroads and also, you are at a crossroads. God has made America the most blessed nation on Earth. The devil wants to stop it. Whether you know it or not you are among the most blessed people on Earth, and the devil wants to stop you. And he's shown me there are two End Time demonic entities that have been loosed on America to prevent America from fulfilling her destiny. I don't know about you, but I have never seen the morality in America go downhill so fast. I mean, it's usually like the boiling frog in all the slow boil, but it's a hot flame right now. And I have to tell you, I know the cause. There are two deadly demonic demons instituting two deadly sins. One is to make sure that America is on the wrong side of the fence in reference to God's position on the Jew and on Israel. That's the first one. The second is a lack of holiness. Let me talk a little bit about the first right now. In Genesis, Chapter 12, Verse 3, there is a truth, that if you can grab hold of just this one truth it will be so life-changing for you. In the New Living translation, God says, "I will bless those who bless you." Grab that. "I, God, will bless those who bless the Jewish people and I, God, will curse those who treat you with contempt." It's that simple. God has multiple reasons for this. But that's all we should need to know. God judges, a lot of people misunderstand this, God judges Israel for sin. I happen to be Israeli as well as an American. God judges us for sin personally. But He uses Israel to judge the nations. Let me explain this to you. Matthew 25 talks about a shepherd separating sheep from goats. You know what a goat is. A goat has a mind of its own. A sheep follows the shepherd. And there's one single issue that causes the separation of nations in the last days, according to Matthew 25. Whether you're a goat nation or whether you're a sheep nation, Matthew 25:40 says, "As you have done unto the least of these my brethren you've done unto me." And the word "brethren" in the Greek means "from the womb". Who were Jesus' brethren? From the womb. You see this? It's so clear you need help to be confused. Now Obadiah 1:15 says, "The day is near." And whenever it says "the day" it's talking about the day of the Lord. "The day is near when I the Lord will judge all godless nations. As you have done to Israel so it will be done to you." Can't get any stronger than that. But there is a tipping point with Israel. It's amazing. And here's the tipping point with Israel. It's sort of like God puts up with sin, layer and layer of sin, but there comes a tipping point. This is the tipping point: Joel, Chapter 3, Verse 2, "I will gather all nations." Note the word "all". "I will gather all nations and bring them down to the valley of Jehoshaphat, and I will enter into judgment with them there on account of my people." He's talking about the Jewish people. My heritage, Israel, in case you didn't get it straight, is not just the Christians. Christians are God's people. But he's saying, "My people Israel", that's what He's saying, "whom they have scattered among the nations, they have divided up MY land." Very important. It's not, contrary to popular opinion, the Jewish people's land, the land of Israel. It's not, contrary to popular opinion, the Arab people's land, Israel. God says, "It is MY land." Then He tells us what He did with the land. He leased it. Any attorneys here? Any attorneys in the audience? I want you to tell me about this lease, how air tight it is. He leased it to the Jewish

people, and here is the length of the lease: three ways. Psalm 105, Verse 8-11, “He remembers his covenant forever.” Remember, “forever”. Say it. Forever. “The word which he commanded for a thousand generations.” Repeat. A thousand generations. “The covenant which he made with Abraham and his old ties and confirmed it to Jacob for statute to Israel for an everlasting covenant.” Say, ever-lasting covenant. Saying to you, “I will give the land of Canaan as the allotment of your heritage.” Here’s the terms of the lease: forever, ever-lasting, a thousand generations. God has to say it three different ways. But could the lease be revoked? I think we have a Philadelphia attorney here. Romans 11, just for you, God wrote, Romans, Chapter 11, Verse 28 and 29, “Concerning the Gospel, they,” that’s the Jewish people, “are enemies for your sake. But concerning the election, they are beloved for the sake of the fathers, for the gifts and the calling of God are irrevocable,” signed God. Be right back.

SID: Now I just explained the first deadly sin. And I’m going to tell you something, and I know it’s true. If you are on the wrong side with God in reference to the Jew and Israel, you will go into further deception and God will not use you in this last great move of God’s spirit. Be careful. This is what the Living Bible says in Zachariah: “He that touches Israel is the same as someone that pokes their finger in God’s eye.” Pretty strong. Okay. The second deadly sin, a lack of holiness. You see, coming from a Jewish background, I was involved in the new age. I had an encounter with the demonic. I know what’s back there. I cannot relate to a backslider. If you just knew what was back there you would run, run from what is evil. Let me give you a definition of holiness. My friend Dr. Michael Brown told me this. Holiness is becoming like Jesus in thought, word and deed. Let me repeat that. Holiness is becoming like Jesus in thought, word and deed. Oswald Chambers would often say, “God is not an eternal blessing machine.” Very different than what is taught today. God is not an eternal blessing machine. We were not saved out of pity. We were saved to walk progressively more each day in holiness. There used to be a bumper sticker, you’re familiar with it, “What Would Jesus Do?” Would Jesus sacrifice children in the womb? Is He the God of pleasure? Would Jesus change the definition of marriage to include men marrying men? God have mercy on America. We live in an anything goes society. Jesus said, “If you love me, keep my commandments.” Homosexuality is becoming the norm. Pornography, in the church and out of the church, people are addicted in droves. Abortion, sex without marriage, new age, addictions of all kinds, so quickly our society is turning. We’re not only in an anything goes society, we’re in an anything goes Christianity. Christianity is being dumbed down. We look like the world, we act like the world, we think like the world, we talk like the world and we wonder why we’re not walking in the presence of a Living God. We wonder why revival isn’t here. We don’t have messages today about the blood, about repentance, about the crucified life, about the power of God. Sadly, there’s little difference between the world and Christianity. Hebrews 12:14 says, “Pursue holiness without which no one will see the Lord.” Anyone here

interested in seeing the Lord? Pursue holiness without which no one will see the Lord. Whatever happened to the fear of God? Whatever happened to a word that is actually eliminated from many Gospel messages today? Whatever happened to repentance? Things are about to change. I'm going to be on God's side. Near my house we're going to follow the Lord. How about you? How about you? Do you like that?

SID: I've been talking about the two deadly demons being on the wrong side of the fence in reference to the Jew in Israel and not walking in holiness. God says, in 1 Peter 1:16, "Be ye holy for I am," that's another name for God, "I am holy." What is wrong with the popular grace message of the day? It's not what is being said, it is what is being omitted. Grace without repentance, hear me and hear me well will lead to the following sins. It will be a license to sin. I understand grace. I would not be here without God's grace. There is a wonderful blessing from God unmerited, unwarranted, but because He loves us, of God's gift of grace. But there is a counterfeit grace which will lead to a license to sin, no hell or perhaps don't stay in hell permanently, and the heretical belief of eventual reconciliation of all people. Well my Bible says there's only way. There's no other way to be saved but the name of Jesus. And I'll tell you, while I'm speaking on this, there are many Christians, and by the way, people are being physically right now as I'm speaking. Someone with a neck problem, the pain has just gone. Their backs are being healed right now. I am concerned about my Jewish people because we Jewish people are loved by many Christians, and praise God for that. But if you love us tell us about God's grace with repentance. Don't just tell us you love us. Tell us the good news that Jewish people do not go to Heaven with sin on our hands. And the Bible says there's none righteous, no not one. Romans 6:1-2 talks about the true grace message. "What shall we say then? Shall we continue in sin that grace may abound?" Certainly not. Romans 2:4, "The goodness or the grace of God is what leads to repentance." It doesn't eliminate repentance. Now get this. The call of the Jewish believer in Jesus. Most of you don't know that. Jewish people and Jesus have a call. It's found in John 4:22: "Salvation is of the Jew." Every gentile that names the name of Jesus owes a debt of gratitude to some Jewish person who was faithful because the job of the Jew was to reach the gentile with the good news. So what's the job of the gentile Christian? Romans, Chapter 11, Verse 11: "To provoke them," the Jewish people, "to jealous, salvation has come to the gentile." The job of the gentile is to reach the Jew. Now look at it from a spiritual DNA viewpoint. If you reach the Jew and the gentile, who have you reached? The whole world. And when these two spiritual DNAs comingle, listen to what Paul says. He's almost beside himself in the Book of Ephesians, the second chapter, Verse 14, 15 and 22: "For he," that's Jesus himself, "is our peace who has made both," that's Jew and gentile, "who has made both one and has broken down the middle wall of separation so as to create in himself one new man from the two, thus making

peace.” Now this is in the Greek. But in the Hebrew, since Paul was Jewish, the word “peace” is shalom. So it’s as if the word “shalom”, one of the meanings is completeness. So it’s as if a Jewish believer in Jesus is incomplete without a gentile believer in Jesus, and a gentile believer in Jesus is incomplete without a Jewish believer in Jesus. “So as to create in himself one new man from the two, thus making peace,” or completeness, “in whom you are also being built together for a dwelling place for God in the spirit.” But what kind of dwelling place? He just spoke about peace, shalom. A complete dwelling place. So if we want the full measure, the former reign of God and the later reign of God coming down in one day, that middle wall of separation, where it’s separated between Jew and gentile would form one new man, one new creation. We are at the fullness of the gentile age. You don’t realize this. Two places in scripture it’s mentioned. Luke 21:24 says, “Jerusalem shall be trampled down by the gentiles until the times of the gentiles is fulfilled.” You know what happened in 1967? Jerusalem in Jewish hands. So the first thing to look for is Jerusalem must be in Jewish possession. The second thing to look for, Romans 11:25 talks about a mystery that should not be a mystery to God’s children. Blindness in part has happened to Israel.” I’m Jewish, I see Jesus. So that’s why it’s just in part. “Blindness in part has happened to Israel until the fullness of the gentiles has come in.” Second thing to look for, spiritual scales come off of the eyes of Jewish people. I tell you, I see it. I just got a phone call a week or so ago from an, listen to this, an 88-year-old orthodox Jewish woman that got my book in the mail, and she said, “All my orthodox Jewish friends in the neighborhood are talking about your Jewish evangelistic book that you mailed to them.” And then she said, “Sid, I have to tell you, it was my birthday, my 88th birthday, and on my birthday I had a visitation from Jesus.”

[applause]

Thousands, tens of thousands of Jewish people are coming to the Lord because we’re at the fullness of the gentile age. But just as the spiritual scales are off the Jewish, they have to come off of Christians, too. How can we call on him if we not heard him? How can we hear unless those called by name tell us who? Romans 11:11, “Salvation is come to the gentile to provoke Jew to jealousy.” Why is this so important? Because Amos, Chapter 9, Verse 11-13 talks about the End Time revival, the greatest revival the world has ever seen, ever, ever. It’s never happened before. You should read this sometime, Amos, Chapter 9, Verse 11-13, but read it through Jewish eyes. Listen to this, 11th verse, “On that day I will raise up the tabernacle of David.” The word “tabernacle” in the Hebrew means house or family. Who is the family of David? The Jewish people. “I will raise up that tabernacle, that family of David that they may possess the remnant of Edam and all the gentiles who are called by my name.” In other words, whence the tabernacle of David, the family of David, the Jewish people are restored to God it’s going to release a revival among gentiles. Here’s the part that’s never been before, Verse 13: “Behold the days are coming, says the Lord, when the plowman shall overtake the reaper, the treader of grapes will sow seed.” Do you know what this is saying? It’s saying it’s going to be such a harvest of souls that you will not be able to get the fruit off of the vine before the next harvest is beginning, and it’s going to be a harvest, when? That one new man comes together. It doesn’t make sense to me. But a lot of things God says don’t make sense to me, and that’s why He’s God. It’s that simple. But God says, you want a complete dwelling place of God by the spirit? You want to see the greatest revival the world has ever seen? You want to see America fulfill its End Time destiny? Reach the Jew to combine with the gentle Christian, the spiritual

DNA with the Jew, the spiritual DNA of the gentile Christian, put the two together and you have a complete dwelling place of God by the spirit. Repentance in the Greek means a change of mind. Repentance in the Hebrew means a change of action. That's what true biblical repentance is. You need the Jew and the gentile. We need each other. It's time to repent. Repentance is to turn from your sin, believe the blood of Jesus was enough to wash it away, but turn all the way to God for the power to walk away from the sin, not keep walking back. The Gospel is repent and believe. We're about ready to see the greatest outpouring of God's spirit in history, in Jesus.
