16  
17       Sid: Hello, Sid Roth here, welcome to my world where it  
18       is naturally supernatural, I love the rarefied air of heaven.  
19       My guest Rob DeLuca, I want to know about an individual  
20       that is moving in such a high realm of seer prophecy,  
21       that came from such a humble beginnings, I mean you  
22       got saved as a young kid at eleven, and you ended up at  
23       eighteen living homeless, in a cardboard box?

24       Rob: Yeah, I came to the Lord and I fell away in my teen  
25       years, I became a drug addict, I ended up living in a  
26       cardboard box in Los Angeles, and I gave my heart over  
27       to the Lord totally, and I fell in love with him.

28       Sid: Tell me about, you know, this intrigues me, a woman  
29       bumps into you in the street, tell me about her.

30       Rob: Well the Holy Spirit led this woman to cross my  
31       path, and my friend and I, we were looking for drugs,  
32       and she started telling me everything that was in my heart,  
33       that I was lonely, that I was sad, that I was depressed.  
34       And she told me about Jesus.

35       And she told me about the love of the Lord,  
36       and the goodness of God and the mercy of God, and I told  
37       her that I met him once when I was a young boy.  
38       And she asked if she could pray for me and she led me in  
39       the sinner's prayer and the Spirit of God touched  
40       me right there on the street.

41       Matter of fact she laid her hand on my head and I fell back  
42       against the wall, and I knew this is what I am looking for.

43       Sid: Out of curiosity, had you ever experienced God  
44       in an experiential force of that fashion?

45       Ron: You know when I was a young boy I felt like goose  
46       bumps all over me, and the Holy Spirit touched me when I  
47       was baptized in water, so I did sense the presence of the Lord,  
48       but as soon as I recognized that glorious presence of  
49       Jesus, I knew this is what I needed, this is what I am  
50       looking for, this is what I need for the rest of my life.

51       Sid: Imagine what would have happened if that woman  
52       wouldn't have been obedient to walk up to Rob,  
53       read his mail if you will, grab his attention  
54       and then have him experience God.

55       I mean I imagine you don't even want to think  
56       about what your life would have been like.

57       Rob: No I don't, I am so thankful the Lord saved me.

58 Sid: Okay, so you ended up working in a church  
59 and there was one point where you had a major  
60 encounter with God's Spirit.

61 Rob: Well one night I was in the church and I just finished  
62 cleaning up the sanctuary and I decided to pray, and I laid  
63 down on my face, I started to pray and the presence of the  
64 Lord came very strong into the room, and as I started to  
65 pray in tongues the Holy Spirit started to cause me to  
66 vibrate, and I started to weep and cry and travail,  
67 I started to groan, and as that took place I started to vibrate  
68 and then my body started to hover off the ground.

69 Sid: Really, physically you were hovering  
70 above the ground?

71 Rob: Yes, about two feet.

72 Sid: Two feet?

73 Rob: Yeah.

74 Sid: Where was a camera when that happened,  
75 just teasing, go ahead.

76 Rob: Well as that took place in my mind I knew  
77 something is taking place that is supernatural and I don't  
78 know what to do but I am going to keep on going with this  
79 because I knew I was off the ground, I knew my body was  
80 hovering, and as soon as I thought the name Jesus, I left  
81 my body and I flew out the ceiling of the church, I went  
82 over the hills of the city, I looked down and I saw the  
83 church building, I saw the hills, I went through the clouds  
84 and as soon as I did that I headed toward these two huge  
85 beautiful doors that opened up before me.

86 And as that took place, I went into the Father's lap,  
87 and Father God began to cuddle me, and I felt His love,  
88 I was weeping while I was in my body but I was in  
89 another place, I really believe that the Lord took me  
90 up to heaven to his Throne Room.

91 As that occurred, the Lord -

92 Sid: As you are sharing this right now,  
93 I feel such an increase in the presence of God,  
94 are you feeling the same thing?

95 Rob: I am too, I am feeling surges of his love  
96 go through my body right now.

97 And sometimes I begin to weep when I talk about this  
98 story because the Lord spoke to me about my life,  
99 he told me about the future of my life, he told me what I  
100 was called to do, I was eighteen-years-old and the Lord  
101 told me that I would minister to the nations, the Lord told  
102 me that he would use me to heal his people.

103 Sid: I mean at eighteen you just recovered from being a  
104 drug addict living in a cardboard box, and he says  
105 you are going to be doing all these wonderful things.

106 Rob: I had an encounter with God that changed my life.  
107 Well the Lord was speaking to me I saw a  
108 diamond jewel hovering next to Father God and the  
109 Father said, "Do you see the jewel?"  
110 I said, "Yes I do."

111 And as I looked closer I saw the names of every person I  
112 had ever met, I saw family names, I saw names from my  
113 friends in school, I saw relatives names, he said,  
114 "Do you see these names?"

115 He said, "I want you to pray for every person  
116 on the face of this jewel," and he said, "As you do  
117 you will see their lives touched by my presence."  
118 And as that took place the Lord spoke a few personal  
119 things to me and then he hugged me and as soon as he  
120 hugged me I felt the power of God like I have never  
121 felt it before and I ended up back in my body  
122 and I fell back to the ground.  
123 Sid: I tell you what, I am feeling the power of God,  
124 I don't know what God is going to do but he is going  
125 to be spectacular, don't go away we will be  
126 right back after this word.

155 Sid: Hello, Sid Roth here with Rob DeLuca, and Rob,  
156 you are minding your own business and an angel comes  
157 and tells you about New Zealand, explain.  
158 Rob: I was in Indiana helping out with a youth group and  
159 I was staying with one of my friends in a basement, we  
160 were in sleeping bags camping out, and it was the middle  
161 of the night, and I was awakened by an angel, I was laying  
162 on the floor and I felt someone nudge me right in my face,  
163 like they tapped me on my face, and I opened my eyes and  
164 I saw the foot of an angel right at the base of where I was  
165 laying, and I looked up and I said, "What do you want?"  
166 Sid: How did you know that was an angel  
167 as opposed to a burglar?  
168 Rob: He was luminescent.  
169 Sid: That's a good start.  
170 Rob: Yeah, he looked gray, like a smoky figure,  
171 you know at nighttime you can kind of see the light

172 coming through the windows a bit so I was able  
173 to see with in the room but he was illuminating,  
174 he was like a smoky figure and he was huge.  
175 And when I asked him the question he pointed to me and  
176 he said, "You are being called to New Zealand,"  
177 And he pointed -  
178 Sid: Had you ever been to New Zealand before?  
179 Rob: And he spoke about me friend that was sleeping next  
180 to me in the room, and he said do you see this young man?  
181 He said you are to be with him for a season of your life  
182 and you are to go to New Zealand and I will bring  
183 you to this land and you will reveal the glory of God  
184 from one side of the nation to the other.  
185 And it has taken place.  
186 Sid: Now from what I understand you went to  
187 New Zealand with \$105.00 in your wallet.  
188 Rob: Yes sir, yes.  
189 Sid: Any job promise?  
190 Rob: I had an offer later on after I went to New Zealand.  
191 Sid: Oh no, when you were going, you were going by  
192 faith, an angel told you to go, you had a hundred bucks.  
193 Rob: A Bible and a suitcase.  
194 Sid: and a suitcase.  
195 Rob: Yeah, by faith I went and then as I -  
196 Sid: Wasn't that a little scary?  
197 Oh come on, it had to be.  
198 Rob: Yeah but I thought to myself you know  
199 if I fail I am going to fail in faith.  
200 But when you believe God,  
201 God will supernaturally meet your needs.  
202 I went, the Lord opened the door, we started a small  
203 catering business, a sandwich business, we opened up a  
204 sandwich shop and as time went by, we ended up owning  
205 five different food stores; we owned three restaurants.  
206 Sid: With a hundred bucks?  
207 Rob: Yes, yes we started with nothing  
208 and God blessed everything that we did.  
209 Sid: You are the Senior Pastor also of a major significant  
210 church in Auckland, New Zealand, just because if I were a  
211 secular investigative reporter, I would say to you,  
212 how much is your salary?  
213 And what would you say?  
214 Ron: I'm a volunteer at our church and I do not have a  
215 salary, I am a Senior Pastor because I love God  
216 and I love people and that's about it.  
217 My businesses take good care of me.  
218 Sid: Now you came, you had a revelation from God  
219 that there is a big problem in reference to Christians  
220 and money, there is a wrong spirit connected with  
221 Christians, and you came up with a CD series called  
222 "Breaking the Power of Covetousness,"  
223 what did God tell you about this teaching?  
224 Ron: Well I ministered this word in Southern California  
225 and after the message was delivered the Lord spoke to me  
226 and he said, "This message will go throughout the world  
227 and I will help people in their finances and I will set them  
228 free concerning debt, concerning greed, concerning lust,

229 and I will bless them as they hear this message."  
230 Sid: Now God broke you free in a very unusual fashion,  
231 It has to do with a boat you coveted.  
232 Ron: Yeah, a couple of years ago I was fasting and  
233 praying at the beginning of the year and I was about to  
234 purchase a nice fishing boat and the Lord spoke  
235 to me and he said, "I want you to sow the boat."  
236 It was a thirty thousand dollar boat, and when I heard the  
237 voice of the Lord I said "Well God, I am getting ready to  
238 go on vacation, we are going to buy the boat, I am looking  
239 at boat magazines and the Lord spoke to me and he said,  
240 "Do you want your boat or do you want me."  
241 And when he said that, I said, "Okay I will sow the boat."  
242 And then immediately after the Lord said,  
243 "I will bless you and give you a harvest because of this."  
244 Sid: Just tell me one blessing that you see directly  
245 attributed to your obedience?  
246 It is not like you have a boat and you say I am going to  
247 give it away; it is because God told him to do this.  
248 What did you see as a result?  
249 Ron: Well at that time in my business we had a small little  
250 café, it was pretty much a first, or a little restaurant,  
251 and there was an open door for us to open up a larger  
252 restaurant in the University of Auckland, as that took place  
253 there were committee meetings, there were proposals that  
254 had to go through, and the end result was that the  
255 university or the government blessed us with financial  
256 contribution to pay for the entire restaurant.  
257 And God blessed us with a lot of money if I can say that,  
258 he gave us enough to be able to build the restaurant,  
259 he also blessed us with rent free for two years  
260 and that has opened the door to the University of Auckland  
261 for salvation, for meetings to be held where  
262 people can be saved.  
263 Sid: You know what I love about your teaching,  
264 because it has been so unbalanced about money,  
265 especially on Christian television, where they could be,  
266 the same people apply the same principles for each ministry  
267 and you are not giving to that ministry, you are giving to  
268 get money for yourself, the whole thing seems backwards.  
269 Ron: Well I believe in prosperity, I believe that God  
270 is the God of blessing, I believe in sowing and reaping,  
271 I believe in tithing.  
272 Sid: Me too, but there is something wrong  
273 with this picture.  
274 Ron: Well see the thing is, many times preachers  
275 make prosperity the "be all, end all" of Christianity,  
276 which is wrong.  
277 Prosperity or financial abundance is a means to an end,  
278 and the end is the souls of mankind.  
279 Sid: Listen there is such a move of God's Spirit on this  
280 set right now, I can't wait to see what God is going to do,  
281 we will be right back after this word.

309  
310 Sid: Hello Sid Roth here, we are coming into such an  
311 amazing time in the history of God, it is the, if I could  
312 choose the one time to be alive it would be right now, we  
313 are coming into a resurrection if you will, of the miracles  
314 we read in the Bible so they are not just one in a hundred  
315 years, or one in a year, or even one in a month, but every  
316 meeting people are getting fabulous miracles happen.  
317 I mean literally, metal is turning into bones. Tattoos  
318 or scars are disappearing, are you seeing this Rob?  
319 Rob: We are seeing some amazing miracles.  
320 Recently I saw a little boy healed of autism,  
321 I prayed for a three-year-old..  
322 Sid: Now that is a big thing, tell me specifically  
323 about this one you prayed for.  
324 Rob: I prayed for this little boy that had autism  
325 and you know how autistic children, they kind of like  
326 zone out and look off into the distance?  
327 I began to weep because the little boy was about  
328 my boy's age and I said this could be me.  
329 I felt the compassion of the Lord, I prayed for this little  
330 boy, his parents took him home that night, the next  
331 morning, normally this little boy just stares off into space  
332 when he wakes up, but his mother walked into the  
333 bedroom and said good morning son, he turned and look  
334 and said good morning mommy for the first time.  
335 They brought this little guy to the meeting  
336 the following night to testify, I looked at him and I said,  
337 "Do you remember me?" And he said, "Yes, I do."  
338 He high-fived me and waved to the crowd,  
339 we broke out in laughter, we wept and we cried because  
340 God healed that little boy of autism.  
341 Sid: You know we are coming into the best of times and  
342 the worst of times, there is going to be financial chaos in a

343 lot of lives, but it doesn't have to be in your life, and if  
344 you are like me you are turned off on all the fundraising  
345 techniques, you notice, we don't do that, but that we see  
346 these fundraising techniques that are just based on greed,  
347 and that is why I am so excited because when I first saw  
348 this series the title, "Breaking the Power of Covetousness"  
349 I thought oh no, it is just another fundraising thing,  
350 but what is covetousness Rob?  
351 Rob: Covetousness is wrong desire, or literally lust.  
352 You see many times we want money to hoard it upon  
353 ourselves, we want the car, we want the boat,  
354 we want the house.  
355 Now there is nothing wrong with having nice things,  
356 God wants to bless us, I believe that God is the God  
357 of blessing, but I also believe that our prosperity  
358 must be pure, or we must have pure motives.  
359 We cannot have our big house or our big car  
360 being our identity, or our idol.  
361 Sid: What should our identity be?  
362 Rob: Our identity should be that we are sons  
363 and daughters of God and that God loves us  
364 and we are secure in that God knows us,  
365 that he loves us and that we know him.  
366 Sid: What should our purpose be with the exchange  
367 system called money in this temporary thing called life?  
368 Rob: Well I believe that we are made to be a blessing.  
369 We have been created to be a blessing.  
370 And if God blesses us then we should be a blessing.  
371 Instead of abusing the finances, instead of wasting the  
372 finances, so many times I see people that waste their  
373 money, they waste it on luxury, they waste it on pleasure,  
374 they waste it on covetousness, instead of saying,  
375 "Hey God, what do you want me to do with my finances,  
376 how can I be a blessing to the earth?"  
377 Now God doesn't have a problem with us having a good  
378 life, going on a vacation, even flying maybe first class in  
379 an airplane, but we cannot make that our security nor our  
380 ultimate desire, pleasure and luxury will come and go but  
381 in then end it is people that count.  
382 Sid: Now you are what the Jewish scriptures call, a seer,  
383 what is a seer and how does it operate within you?  
384 Rob: Well many times you know people say you are a  
385 prophet, well I am a seer, I see visions, I see symbolic  
386 pictures, and then the Lord gives me the interpretation.  
387 My great-aunt told me about the ability to be able to see,  
388 I believe that everybody can see, that we have spiritual  
389 eyes, we have spiritual ears, we have spiritual senses  
390 just as we have physical senses.  
391 But my great-aunt taught me that you can close  
392 your eyes and see with they eyes of faith,  
393 and I said well how does that happen?  
394 And she said it is like almost seeing a TV screen in front  
395 of you and the Lord will show you things to come,  
396 he will show you things about people and he will also  
397 show you what he desire to bring forth in the earth.  
398 Sid: Could you do that right now, could  
399 you close your eyes and tell us what God shows you?

400 Rob: I can do my best, yes.  
401 Sid: Go for it.  
402 Rob: I see that there is a businessman that is watching and  
403 you are in great financial difficulty, you own a company,  
404 a huge company, and you have over three hundred  
405 employees and the Lord is showing me that the  
406 problem has been that you had an open door of greed  
407 and covetousness and lust, you are the CEO,  
408 you are also a major shareholder in this company,  
409 you own the majority of this company, and the Lord is  
410 wanting to set you free from greed and covetousness.  
411 If you will open your heart and say Lord I am sorry for this,  
412 I forsake this sin, I forsake this idol, the Lord will set  
413 you free and you will begin to see the blessing of God  
414 flow in your business, you are a Christian, you are a Spirit-  
415 filled man of God, you attend church, you are a giver, but  
416 there is something in your heart that you place before the  
417 Lordship of Jesus Christ and Jesus wants to set you free.  
418 I also see that there is someone that has a broken  
419 vertebrae, you have a cracked vertebrae in your spine,  
420 the Lord is healing that, the Lord right now is fusing your  
421 bone together and he is healing that.  
422 I also see that there is a person that has a deformed right  
423 arm, that you are not able to use your arm, and right now  
424 as you stretch forth your arm you will see that your elbow  
425 is loosening, your wrist is loosening, and also your hands  
426 are loosening, matter of fact you feel like there is a  
427 burning sensation in your hand, go ahead and stretch out  
428 your hand right now and you will see the miracle power of  
429 God, there are many people right now that are watching,  
430 you need financial miracles, and God will heal you,  
431 but you need to repent if you have greed and covetousness  
432 in your heart, it is a sin just like any other sin, but if you  
433 will confess that and forsake that, you will watch God  
434 bring forth miraculous blessings to your life.  
435 There are also people that are believing for miracles,  
436 if you will just stretch forth your hands for the TV right  
437 now I am going to release the healing power  
438 of the Lord Jesus Christ.  
439 Father I pray for those that are believing for miracles,  
440 I pray Lord that your Spirit would invade the room where  
441 they are watching, right now I see somebody getting  
442 touched and you are shaking under the power of God, you  
443 are sitting in a Lazy Boy chair, you have many illnesses.  
444 Matter of fact you have a whole list of illnesses and the  
445 fire of God is touching you right now, the fire of God is  
446 burning out every infirmity, every sickness and disease  
447 right now, I believe that many are being healed,  
448 receive that healing touch in Jesus Name.  
449 Sid: You know what I believe?  
450 I believe as Rob was sharing people were being, receiving  
451 a seer anointing, but the very first thing is you have to  
452 make sure who your Lord is and there is no other name  
453 given unto man in which we must have our sins atoned for.  
454 And that is the Name of Jesus, Jesus.  
455 If you believe that Jesus is the Messiah  
456 and died for your sins tell him and ask him to live

457 inside of you and be your Lord now.
