16  
17       Sid: Hello, Sid Roth here, welcome to my world where it  
18       is naturally supernatural, I wouldn't want it to be any other  
19       way, I love the rarefied air of heaven.  
20       Now I recently interviewed my guest Paul Cox,  
21       and Paul has found that everyone of our natural senses can  
22       come in contact and understand the supernatural realm.  
23       Sight, you can see into the spirit.  
24       Hearing, you can hear what the Spirit of God has to say.  
25       Smell, taste, all of the senses, and here is the amazing  
26       thing, every time he started teaching me on how the senses  
27       can experience the invisible world, it started happening.  
28       When people read his book, "Heaven Trek" let me tell  
29       you something, you are in a bigger adventure than Star  
30       Trek ever even thought possible.  
31       Paul you are a nice Baptist minister, you never  
32       experienced the supernatural, you love God, you love the  
33       word of God, and all of a sudden you start giving a series  
34       of talks on deliverance and demons.  
35       And a woman came up to you, what did she say?  
36       Paul: It was on a Thursday night and she said,  
37       "What you are talking about is my problem."  
38       Well you know we as pastors, we can talk about a lot of  
39       things, but doing something is quite a bit different.  
40       And she said will you please pray for me.  
41       And it was late at night on Thursday, and I said well yes,  
42       I will pray for you on Saturday at one o'clock.  
43       So on October 7th, 1989 at one o'clock in the afternoon,  
44       she came in with an intercessor.  
45       I started praying, I prayed for about twenty minutes,  
46       absolutely nothing happened,  
47       and then pretty soon she started shaking.  
48       And I said "What's going on?"  
49       And she said, "Well they are saying and  
50       repeating everything you are saying."  
51       Well there was only three of us in the room and  
52       I said who is repeating everything that I am saying?  
53       She said, "The voices in my head."  
54       And then all of a sudden a different voice came out of her  
55       and it was a demon and demons actually started talking to  
56       me and we dealt with some issues from her past.  
57       Sid: Just out of curiosity, was it in just her natural voice?

58 Paul: It was in, through the voice box but a different voice.  
59 And then that demon left.  
60 Sid: Did it scare you at all? Between you and me.  
61 Paul: It was very intriguing.  
62 It didn't scare me but I thought I don't know if I really  
63 know what to do because I have read about this  
64 but I have never experienced this personally.  
65 Sid: You had just recently prayed a prayer when  
66 this started to happen, what was that prayer?  
67 Paul: Well the prayer was prayed in August of 1989,  
68 so you are right, about two months before and I had just  
69 read a book by John Wythe, "When the Spirit Comes  
70 with Power," and it is a book about revival and especially  
71 about the Vineyard Movement, and I said to the Lord,  
72 "Do with me what you want."  
73 And that turned out to be the most dangerous prayer  
74 of my life because my life has been turned  
75 upside down since that prayer.  
76 Sid: Okay, so what happened with this woman that is  
77 manifesting another voice, it is not her own voice.  
78 Paul: We dealt with a memory she had never had, she had  
79 been in counseling for two years, she remembered being  
80 molested by a grandfather, the Lord led her through some  
81 forgiveness, the demonic left, another demon manifested,  
82 we dealt with that, it left, and she walked out totally  
83 changed, and where she couldn't read the Bible  
84 or come to church, all of a sudden she was better,  
85 and came back to church.  
86 Sid: look Paul, you understand biblical counseling,  
87 you're a PhD, you understand these things,  
88 why couldn't you just have counseling and get free?  
89 Paul: Well we have many therapists that work with us,  
90 psychologists, psychiatrists, and many of them are  
91 Christians and they agree that what is taught is not the  
92 complete story, there is a spiritual aspect to us that must  
93 also be dealt with, and that is what we learned.  
94 Even though we had a counseling center in our church  
95 we still were not seeing some people completely healed.  
96 But this seemed to be the missing piece, the missing piece  
97 of the puzzle to really bring people to total healing.  
98 Sid: And then a few days later you go into your office,  
99 I don't get this, it says in my notes you had a  
100 river in your office, explain.  
101 Paul: Well we were dealing with someone who had  
102 dissociate identity disorder, and the therapist was there  
103 and the client was there and I was there and a couple  
104 of the intercessors, and I was praying and this  
105 woman's voice changed and she looked at me and said,  
106 "Paul, do you want to see her totally healed?"  
107 And the Lord was speaking through her voice  
108 and I was stunned, and I said, "Well yes Lord,  
109 I want to see her healed."  
110 And all of a sudden I felt electricity come over my body  
111 and whoosh like that, she started saying all the prayers  
112 that were written on my sheet, she couldn't see the sheet,  
113 but she was saying all the prayers.  
114 Sid: How could she, how could she do this?

115 Paul: I guess the Lord must know the prayers.  
116 Sid: I think so.  
117 Paul: So she did that and all of a sudden I felt this other  
118 whoosh of the presence of God, I had never experienced  
119 the presence of God before, I was so shocked, I never.  
120 Sid: How long had you been a Baptist pastor?  
121 Paul: This was 1990, so I had been a Baptist pastor  
122 and youth pastor since 71.  
123 Sid: Okay, go ahead.  
124 Paul: And the next day my secretary came and said,  
125 "You need to go into the sanctuary."  
126 The sanctuary was right next to the office where we were  
127 and she said you need to go in there because something is  
128 going on there, and I went into the front of the 500 seat  
129 sanctuary and there was a river of power flowing  
130 across and many of us experienced it.  
131 Sid: Others on your staff experienced this?  
132 Paul: Absolutely, I had no idea what it was but I liked it.  
133 Sid: Then when you went to La Jolla, California  
134 what happened?  
135 Paul: in 1991 after I left that church I became interim  
136 pastor at a Baptist church in San Diego, and one night in  
137 La Jolla, in 1991, I was on the phone and I started feeling  
138 this seeming electricity coming over my head and it  
139 kept on increasing and increasing and finally  
140 I told the man I was talking to, "I need to hang up."  
141 I made it a couple of feet, the power of God hit me, threw  
142 me to the ground, and for an hour and a half I was unable  
143 to move, I was actually plastered against the wall while  
144 the power of God came through me and again it was just like a  
145 river of water but it was so strong I could not move.  
146 Sid: What do you suppose God was doing to you?  
147 Paul: I believe he was giving me an anointing.  
148 Sid: And for what purpose?  
149 Paul: To empower me to do what he wanted  
150 me to do which is to bring generational deliverance  
151 and to teach discernment.  
152 Sid: See what Paul has found is there is a quick  
153 supernatural way of getting free where you  
154 don't have to for hours and hours cast demons  
155 out of people, it is so wonderful, don't go away,

178  
179 Sid: Hello, Sid Roth here with Paul Cox, Paul is a former  
180 Baptist pastor and he had an encounter with the power of  
181 God, and when he had this encounter his life  
182 was turned upside down.  
183 You were in Argentina and the power of God was  
184 so strong what happened when you went to the ATM machines?  
185 Paul: Well this was a brand-new kind of power and it was  
186 like tingling all over my body like someone had plugged  
187 me into an electric socket, and I was actually hurting from  
188 the power, and I went to put my card in the ATM machine  
189 and it took the card, spit the card out,  
190 and the machine said, "Out of Order."  
191 So I put it into the second machine;  
192 it spit it out, "Out of Order."  
193 I put it in the third machine; it spit it out, "Out of Order."  
194 I shut down three ATM machines.  
195 Sid: Why are you shaking like that as you are speaking?  
196 Paul: Because as we are talking about the power of God  
197 the power of God is starting to become stronger and  
198 stronger and you see our physical bodies cannot really  
199 handle that kind of power and so then I jerk or shake  
200 and respond like this to the power of God.  
201 Sid: But you know the missing ingredient from  
202 believers is the power of God so some of you may say,  
203 "Well I wouldn't want that to happen to me."  
204 Are you kidding?  
205 It is God; you don't want God to make you do something?  
206 By the way, God doesn't make me do it.  
207 It is my great delight to yield my body as a  
208 living temple to the living God.  
209 Now Paul, you used to spend hours and hours in  
210 deliverance and have good results,  
211 but you found there was a better way in reference to  
212 breaking generational courses, explain that.  
213 Paul: I was in Argentina again and a prophetess was  
214 sharing and she came and she sat down next to me  
215 and I said there is a furnace on your head.  
216 Sid: A furnace?  
217 Paul: A furnace, I could feel this fire on her head.  
218 And then some months later I was up in central California  
219 and the same thing happened, and so I was standing in  
220 front of a small group of people and I said, "I think God  
221 wants to do something but I don't know what it is."  
222 And I stood there and all of a sudden the fire of God fell  
223 and because with my discernment I can feel demons  
224 leaving off of people I realized that the Lord was doing a  
225 group deliverance, he actually was delivering the entire  
226 church, people started falling everywhere in the church,  
227 and the Lord sent them through a mass generational  
228 deliverance, which is mentioned incidentally

229 in Malachi three and Malachi four, it says the furnace  
230 would come and destroy the roots and the branches.  
231 Which I believe are generational lines.  
232 Sid: Why would a generational curse,  
233 something my great, great, great, great, great grandfather  
234 did affect me today?  
235 Paul: Because the Bible says that the sins of the fathers  
236 and mothers can go down to the third and fourth  
237 generation, but you see something happens a hundred  
238 generations ago and it can go down to three or four  
239 generations but if it is repeated the next generation  
240 then it is another three or four generations,  
241 it happens two generations later it is another three and  
242 four generations, and so these curses can literally go down  
243 hundreds of generations, besides the Bible says many  
244 curses are everlasting curses.  
245 David had an everlasting curse on his family line  
246 of the sword never departing from his house.  
247 Sid: Tell me someone that went through  
248 the furnace and the results.  
249 Paul: Well this is a really exciting story, we have a friend  
250 of ours, and I did not know this about this until several  
251 weeks later, he had been diagnosed with a terminal brain  
252 tumor, his wife had received a word that he was to go  
253 through the furnace, he had never been, we had a tent  
254 meeting and he had never been there before, he walked  
255 through the furnace, I found out a couple of months later -  
256 Sid: When you saying "walked through the furnace"  
257 what you mean as I understood this is there is discernable  
258 heat from God in a particular place, and as he walks  
259 through that particular place it breaks off generational  
260 curses, is that what you are saying?  
261 Paul: That's right; I believe it is the angel of the Lord.  
262 Remember the angel of the Lord stood in the burning bush?  
263 Sid: Yes, yes.  
264 Paul: That is the fire.  
265 And so I can feel the fire, in fact I can feel the fire  
266 right now, and people walk through the fire,  
267 they actually can feel the fire, many if not most people  
268 fall under the power of the fire, and they walk out.  
269 Sid: So go back to this person.  
270 Paul: He was healed. The tumor disappeared.  
271 Sid: and does this happen often?  
272 Paul: We have had many people healed of  
273 different things, yes, going through the fire.  
274 Sid: Well you know what I believe Paul, I believe that  
275 when we come back, the fire will still be here, and there  
276 will be mass deliverance, mass healing, you better call  
277 someone real quick, and don't you dare go away,  
278 we will be right back after this word.

307  
308 Sid: Hello, Sid Roth here with Dr. Paul Cox.  
309 Paul was a Baptist pastor that had an encounter the first  
310 time in his life with a genuine raw, almost violent power  
311 of the Living God, and I have asked Barbie Breathet to  
312 join us, I will tell you why, Paul's strongest sense is  
313 feeling, he can feel things in the invisible realm, Barbie  
314 who was on a previous show, Barbie has a supernatural  
315 ability to interpret dreams and vision but she is a New  
316 Covenants seer, she sees things, so we have two major  
317 senses coming to the forefront to find out what God is  
318 doing, we were talking Paul, about powers  
319 and during commercial break you started telling  
320 me there was an angel on the set.  
321 Paul: Yes, an angel just showed up, and may I remind  
322 you that this discernment is the use of the five physical  
323 senses to know what is going on spiritually and the intent  
324 and purpose according to Hebrews chapter five  
325 is that you know whether it is good or evil.  
326 So right now there is an angel right here, and so the angel  
327 is right about here, so Barbie what do you see?  
328 Sid: Wait a second, how do you know whether  
329 it is good or evil?  
330 Paul: I can feel it on my head, so I feel good right here  
331 and evil here, and this is after years and years  
332 of the Lord training me.  
333 Sid: That's a wonderful gift because everything from  
334 the invisible world is not necessarily from God.  
335 Paul: That's right.  
336 Sid: and is the angel actually speaking Barbie?  
337 Barbie: What I feel the angel or see the angle doing,  
338 he is coming to release the Spirit of Elijah, he opened  
339 up a portal here, and what the portal is doing is bringing  
340 a healing to the generations, where the older generations  
341 and the younger generations are coming together and  
342 what that is going to release is resurrection power.

343 Because the angel is here to bring a release for people who  
344 are terminally ill and have no hope, and what I saw was  
345 the angel is going to beds, where there are people in beds,  
346 in hospitals, in their homes, who have already been turned  
347 away from the hospitals, that are there saying God do you  
348 know that I am here and what is it that you want to do and  
349 his angels are opening the portal to release other angels  
350 from heaven to go to minister deliverance to those people and  
351 bring a healing in a generation because a fathers hearts  
352 are turning to the sons and the sons hearts are turning back  
353 to the fathers and it is releasing unity that is  
354 releasing a resurrection power.

355 Sid: Well you know what they are describing right now is  
356 actually in the Bible, it is in the prophet Malachi says in  
357 the last days that Elijah is going to come and he is going to  
358 restore the hearts of the fathers to the children and the  
359 hearts of the children to the fathers.

360 Now of course I told Paul this and Barbie, my spin on this  
361 is Paul said the fathers represent the Jewish people,  
362 therefore the children represent the Christians, and he says  
363 if the two people groups are not restored that will be a  
364 curse on planet earth, but if the two people groups are  
365 restored there is going to be tremendous blessings,  
366 so you are saying to me that the spirit of Elijah  
367 is here to restore and to bring blessings.

368 Barbie: To bring a restoration, yes.

369 And it goes back to the cloud of witnesses  
370 which would include Abraham that is called to  
371 bring the blessing of Abraham to the people.

372 We will be blessed because of him.

373 And that generational thing is coming down to us at this  
374 time because we have reached the time of fullness.

375 And the angels have been released from heaven  
376 and they are ascending and descending and bringing  
377 the Jewish people and the Gentile people together for a  
378 commanded blessing to rest, and in that the signs and  
379 wonders are going to be released in the creative miracles,  
380 in the resurrection power and that is where I saw the  
381 angels beginning to go out to the hopeless  
382 and restore hope and bring forth resurrection,  
383 they are going to resurrect off their beds.

384 Sid: You had a heavenly encounter and an understanding  
385 of the last move of God's Spirit, what was that?

386 Barbie: That move has started oh about thirty, forty days  
387 ago, this move of God started, I was translated into the  
388 heavenly realm by three angels, and the Lord took me  
389 from stadium to stadium to stadium, all over the surface of  
390 the earth, and I saw where the glory cloud, just like when  
391 Moses went up on the mountain and spoke with the Lord  
392 and the Lord spoke to Moses, I saw the glory cloud  
393 coming from the top of the stadium, sweeping across the  
394 multitude of people to the other top of the stadium and  
395 people were healed, limbs were growing out,  
396 eyes were coming into sockets where there were not  
397 sockets, and that move of God has been released on the  
398 earth in our time, it is happening right now.

399 Sid: But what does the angel want to do right now?

400 Paul: There is a message; I believe Barbie is  
401 going to get the message.  
402 Barbie: and the message I believe is, believe,  
403 and whatever the curses were that were spoken,  
404 Paul has talked about deliverance and the angel  
405 has come to release resurrection power.  
406 So it is the resurrection that is going out over the airwaves  
407 that is breaking off death off of people, it is breaking off  
408 cancer, it is breaking off all kind of terminal diseases,  
409 and it is being released right now over the airwaves,  
410 I feel the fire of God on my hands.  
411 Sid: Speak it, speak it right now.  
412 Barbie: So right now I command there to be healing  
413 released over everybody, I break the curse of death off of  
414 you, cancer I command you to go right now, you get off  
415 that bed right now, raise up right now, MS you are being  
416 healed, people in wheelchairs, I see a man in Canada who  
417 has a spinal cord that has been severed and the Lord says  
418 right now a creative miracle is coming to you in that spinal  
419 cord it is being fused back in and the lameness in you is  
420 going right now, I see a spirit just lifting off of you as God  
421 heals that, creative miracle in your back.  
422 Heart conditions right now are being healed all over the  
423 airwaves right now, people with racing hearts,  
424 hearts that one side is enlarged right now I just speak a  
425 new heart into you in Jesus Name I just release that  
426 healing power that has come from heaven and the  
427 commanded blessing going out for resurrection power.  
428 And this spirit of Elijah, Elijah didn't die and so he  
429 overcame death and right now the Lord is overcoming  
430 death and you are going to be set free as you release  
431 your faith and contact with the Holy Spirit and he is  
432 going to raise you up in resurrection life.  
433 Sid: Paul, what is God telling you?  
434 Paul: Lord Jesus in your name now I ask you to release  
435 the furnace, Father release the furnace all over the world  
436 and Lord that you will burn up according to  
437 Malachi three and Malachi four burn off the  
438 generational evil and set people free.  
439 Lord you have over come depression and anxiety, sadness,  
440 and sorrow, hopelessness, confusion and chaos, that you  
441 overcome insanity, and infirmity, Lord that you would  
442 demonstrate your power and Lord your fire will roar  
443 through our generational lines and set us free.  
444 Sid: You know during the commercial break you had me  
445 put my hand here, you said, "This is where the furnace is."  
446 And literally when you sat down at the set Barbie you said,  
447 "I feel heat." Do you remember saying that?  
448 Barbie: Yes, I did I felt like I walked into an oven, sitting  
449 in this area it was like a tangible heat that I could sense  
450 and feel, it made my hands start to heat up.  
451 Paul: That's the chapter in Malachi 4:, it is an oven.  
452 Barbie: It felt like an oven that I walked in to.  
453 And when he was speaking the angel I felt said also,  
454 "People with multiple personalities," I saw them put  
455 their hands over many people's heads and begin to bring a  
456 melding together where there has been schizophrenia that

457 is going to be healed on this broadcast as they go out.  
458 That mind disorders, mental disorders that have been  
459 generational, handed down in the bloodlines has been  
460 broken and they are being healed.  
461 I saw the angels hands go over many, many people's heads  
462 and just begin to bring that blending back together, those  
463 two hemispheres in the brain, perfectly healed.  
464 Sid: And I sensed there are people here that have been  
465 hurt and turned off by religion, I will just call it for what it  
466 is, but don't get hurt or turned off over God, he is too  
467 good, he loves you too much, and there are some  
468 misunderstandings as to how God's Kingdom operates,  
469 but this I know, God has not given up on you,  
470 I tell you God has not given up on you, I tell you that this  
471 is your moment but choose this day whom you serve,  
472 choose this day whom you are going to serve, make Jesus  
473 your Lord, ask him to forgive you of your sins, say God I  
474 want that fresh start, I'm tired of doing it myself, I need  
475 your help, I need you God, I give up, I surrender,  
476 I surrender, while you are surrendering to God, God is  
477 healing people, I heard that someone's back  
478 was healed, did you catch anything else very quickly.  
479 Barbie: I saw a lot of neck conditions that people were  
480 crippled from the neck down; I saw a lot of that going out  
481 that people are miraculously, from the neck healed.  
482 Sid: Fingers are being healed; the arthritis is  
483 going from your fingers right now.  
484 I'll tell you what, you are just healed all over,  
485 Jesus did it all, he paid the price.
