

People in our studio audience were miraculously healed after the taping of It's Supernatural. Those who had neck pains and backaches were totally healed. A deformed foot is made new again.
Woman: I expected a healing tonight, and I got it.
And a young boy is overwhelmed with his miracle.

*Do angels exist?
Are healing miracles real?
Is there life after death?
Can people get supernatural help from another dimension?
Has the future been written in advance?

Sid: Our show is originating from my friend Jonathan Bernis' beautiful TV studio in Phoenix, Arizona. Last week I interviewed David Herzog on the portals of God's glory, and a portal actually opened in our studio. This show will not only demonstrate the miracles that erupted, but God's supernatural presence will actually invade your space right now. Let's go to an excerpt with David Herzog on miracle portals from last week's program.

Sid: You've just written a new book, and the book is called "The Ancient Portals of Heaven." What is a portal?

David: A portal is an "open heaven", some kind of gateway between heaven and earth. We all want to experience the heavens, the glory of God, but in the book I talk about certain things you can do and certain patterns that God's revealing on how to tap back into His ancient portals that open up the heavens.

Sid: Like the miracles we were just watching, you tapped in to those ancient portals so that God's life could come in. Ok, we saw it covering finances, we saw it covering health. Does it cover other areas?
David: Deliverance too of demonic powers.

We see people set free.
The difference between the glory and the anointing is that when the glory comes, the heavens are opened. You don't always have to lay hands on people to see the miracle, they're already under an open heaven. It's like Acts chapter four,
"Stretch out your hands now to heal."
Like in Denver, a man came up in the back, he walks in the foyer, he hasn't even come in the building yet, and he has second degree burns all over his body, instantly healed. The burns were just gone as he walked in to the building.
That's the difference between an open heaven. Now we can pray by faith, "Lord, please heal him," and that's a different way.

But when you're already in, it's like
"Lord, let Your will be done on earth as it is in heaven."
If you walked into heaven right now,
how long would it take to get a healing?
Sid: Instant.
David: Yeah, that's what we are talking about.
That kind of glory, where it's accelerated, it's already done.
You're walking into the "it is finished" realm.
Sid: I want to take you behind the scenes
to see what our cameras caught when the portal opened.
And remember, this is interactive television.
Get ready for your miracle.
Sid: There are more people with back problems
that are being healed right now.
Again, if you have a back problem, bend over right now.
And if you have a hip problem, do the two-step dance,
something like this. You know that. Check your hip out.
There's such a presence of God,
you could walk into anything you need.
Now some of the things you'll need a doctor's verification;
you'll need a blood pressure test, or a diabetes test.
But believe God right now.
The anointing is in the head right now.
Headaches, migraines are gone, allergies are gone,
whatever you need in your head area.
Ears are open, eyes see, colds are gone.
Whatever you need, it's yours. Just take it.
Any of you hear anything, please, just speak it out.
David: There's a rotator cuff being healed.
Also people, I think it's because of arthritis,
but you can't lift your hands up without pain.
Right now, in Jesus' name, I command every pain to go,
every sciatic nerve to be opened up right now.
There's knees being healed.
You're losing cartilage in your knees.
It's bone to bone, but right now, just start to move it.
Maybe just run in place. In Jesus' name, I command
cartilage and knees to be recreated. Grow right now.
I see at least one person getting instant weight loss,
right now. I command pounds, inches, kilos,
right now, drop! In Jesus' mighty name.
Start to check your waistline right now.
Don't be embarrassed, just start checking.
I want you to run in place first. Just run in place by faith.
Sid: I'm going to do it. I want to get in on that one!
My mother didn't raise a dummy!
David: I command metabolisms to accelerate, in Jesus' name.
It'll cause a lot of other healings.
Sid: Jonathan, why are you getting in on this?
David: There's high blood pressure being healed right now.
Hearts and high blood pressure right now.
Sid: Ho! Ho! Take it, take it!
David: Heart problems, circulation is being healed.
Sid: Speak it.
David: Circulation of your blood is being healed right now.
Trouble with circulation; you can't feel your limbs at times,
you get numb. I command that thing to go.

Someone's neck right now is stiff.
You couldn't sleep last night without pain.
Stiff necks. You're a Christian with a stiff neck,
but you're not a stiff-necked Christian.
I command it to open up right now.
There's a bunch. There's more in here I want to share with you.
Sid: By the way, I had a prophetic word
that I would be given the heart of a 35 year old.
(applause)
Wait, it gets better, it gets better.
I went to the cardiologist, and I had a heart catheterization.
That is an invasive test to see what's going on in your heart.
I'm quoting the medical doctor. This is what she said to me,
the cardiologist: "You have the heart of a 30 year old."
(applause)
Sid: So I pray for anyone here
or watching on television who has a heart problem,
I pray for a new heart.
God, what You did for me, You'll do for them.
Anything wrong with your arteries, any blockage.
Anything wrong with the heart in any area.
Oh boy, it's strong. People are getting new hearts.
You're getting new hearts! Did you hear that?
(applause)
Now, if you had something - not by faith.
You're supposed to exercise your faith.
You either have a miracle or a healing.
A miracle means you can test it and you know it's done,
or you'll go home and do your blood pressure
and then you'll know it's done.
A healing is gradual. Don't miss your healing.
Most people miss their healing
because they don't have the miracle.
Well I'll take either. Either count. Either count.
So check your body out right now,
and if you know you have a miracle because the symptom is gone...
Check your body out, and if you know you have a miracle
because the symptom is gone,
I want you to raise your hand high so I can see it.
Ok, anyone else? Could you come up here?
David: Tell them to keep checking.
Sid: And keep checking.
Did you know there's power in the testimony?
As you hear the testimony, others are going to be healed.
If you are healed, come on up here.
Bill, do we have a microphone?
Jonathan: It's right here.
Sid: What happened?
Woman: I don't normally talk in front of people
so I'm a little nervous.
Sid: Well just look at me.
Woman: I've had a pain right here for probably over two years,
and the doctor, she's just going to put me on antibiotics.
Maybe I just have an infection, but it never goes away.
I've been checking it all night, is it coming back?
But there's nothing there. I don't feel anything.
Sid: Remember I said earlier there'd be an atmospheric anointing?

You just came in contact with the rarified air of heaven.
Thank you so much.

(applause)

Sid: What just happened to you?

Woman: I've been having tremendous back pain
for about a week, and the Lord just healed it.
I was in the back studio, and He just totally healed it.
I feel fantastic. Praise God!

Sid: Test it. Test your back. Bend over.

(applause)

Woman: Hallelujah!

Sid: Don't miss the moment of your visitation.
A portal of heaven has just opened in your home.

Sid: Go on, test your body out. There is so much here,
I'm not going to just settle for two of you.
Come on. Test yourself.

Oh, ok. Come on up.

Woman: I was the stiff neck last night.

Sid: Wait, are you a stiff-necked Jew?

Woman: No, but I had the stiff neck last night that you called out.
I couldn't sleep, and I woke up with a headache,
had the headache all day.

And my neck is ok, and my headache's gone.

Sid: Hey!

(applause)

Sid: I love it!

You know what is so wonderful?

My last trip to Israel, I was able to speak
to a group of Holocaust survivors.

There were close to 30 Holocaust survivors in Israel,
and I had a night of lecture on the supernatural.

So many... As a matter of fact,
it was in a Messianic congregation,
and it was divided into two sections like this.

In one section, all the Holocaust survivors,
in the other section, all the believers.

I hate to report this, but guess who got healed?

Most of the Holocaust survivors.

They were all on that side and got healed.

One person on this side got healed, of the believers.

Then I said "How would you like to know
the God who just healed you?"

A few stood up, and then they all stood up
to say professions of faith. Bless the Lord.

(applause)

Ok, check your body out one last time.

Check your body out, and if you had a manifestation...

Come on, even if you checked it before, check it again.

Check it, especially the weight loss.

I want to see that weight loss.

Come on.

Woman: I had extensive surgery on my left foot.

When I was a child, my mother couldn't afford shoes,
so my feet were caught up in small shoes
with no room to grow for my bones.

I had metal and screws in my left foot.

Tonight, my left foot has been healed.
Thank You, Lord! Hallelujah!
You are worthy. I just thank God.
And I'm so glad to be here for this healing,
because I expected a healing tonight, and I got it.

(applause)

Sid: I am so glad you're here too!

(applause)

Sid: Oh wow, it's getting stronger people.

Woman: I was having problems with my neck.

I have arthritis. My doctor told me I also have a pinched nerve.

I could not sleep for almost one month.

But tonight, by faith, I am healed.

(applause)

Sid: Do you have pain? Wait, wait one second.

Do you have any pain in your neck right now?

Woman: No.

(applause)

Sid: That's what I wanted to hear!

We'll be right back to It's Supernatural.

We now return to It's Supernatural.

(applause)

Sid: There is such a strong presence of God here.

It's not just for the studio audience.

There is power when someone shares

that God has just touched them.

The power is going to go right through your TV set,

so get ready. We're going to take a look at

some more of these miracles that spontaneously erupted.

Sid: As people walk up here, they're going to be healed.

As they walk up, if they started already.

Woman: I've been dealing with a stiff neck
for a couple of weeks.

I was telling my sister "I can't move my head."

I couldn't, all four ways.

But I can touch my shoulders again!

Sid: Praise God.

(applause)

Woman: My whole body hurt when I got here.
My back, my feet - everything hurt.
When you said there was an atmospheric anointing,
I claimed it and put my hand on my back,
my feet, and my knees.
So I think that I got an overhaul tonight,
and I'm claiming it, and I'm believing God...
Sid: But let me ask you something.
Do you have pain where you had pain before?
Woman: No, I don't.
Sid: All the pain is gone?
Woman: Yes. My back, my knees...
Sid: Ok, I'm from Missouri.
Not really, but can you bend over?
I can't tell a lie.
(applause)
Sid: How do you feel?
Woman: I feel great.
I was very tired, and I was hurting all over,
especially standing in line there for 20 minutes, waiting.
Sid: Yeah, but God honored your faith.
Woman: Yes He did!
(applause)
Sid: It's still going on. Anyone else?
Now you at home - test yourself.
This is for you as much as them.
There's some more people that are healed.
I will describe you.
You had a pain in your back.
If you will test your back right now,
you will see the pain is gone.
It's so strong in the head area,
anything you need in the head area,
you're being healed of right now.
Anything you need in your head area.
Anything. Anything.
Ok, do we have anyone else?

Woman: The first time I came here for Jonathan Bernis,
I fell down the stairs, because I really couldn't go up
and down them too well.
I just walked down that step.
Ordinarily I wouldn't be able to get down that.
I had some help. I know I'm getting healed.
Sid: I believe you are too.
Bill, would you come here for a second.
Look at me. Just close your eyes for a moment.
Come, Holy Spirit. Come.
Come, Holy Spirit. Come, Holy Spirit.
Gentle Holy Spirit, come.
Raise your hands to God. Thank You, Father.
Woman: Thank you, Jesus.
Sid: Thank You, Father. Bless You, Lord, bless You, Lord.
Don't even pray, just receive what God has for you.
A time to give, and a time to receive.
Back, be restored in Yeshua's name. HO!!!

Test it.

Woman: It's better.

Sid: Well, turn around, do it again.

What's going on? Tell me.

Do you feel... You have to be honest.

Do you feel pain at all?

Woman: Not really.

Sid: Not really. Do you feel pain at all?

Woman: Right here still, a little bit.

But I had continuous, constant pain for 25 years.

Sid: 25 years? So what's going on right now?

Woman: Well I feel like I'm getting healed.

(applause)

Sid: On a scale of 1 to 10, if you had 10,
what do you have now?

Woman: Almost a 1.

(applause)

Sid: Ok. I believe as you walk back to your seat,
you will be totally pain-free.

Woman: That's what I came here for.

Sid: I know. She knows what I said too.

*When Jesus prayed "that they all may be one",
there were only two people groups: Jews and Gentiles.
Denominations did not exist.*

*2,000 years later, His prayer is still yet to be fulfilled.
God's purpose from the beginning was for all nations
to become one in Yeshua - Messiah Jesus;
to break down the middle wall of separation
dividing Jew and Gentile, so that the world may believe
that Yeshua is the Messiah and Lord over all.
When Jewish spiritual DNA merges with
the new covenant Christian DNA,
there will be what Paul called "life from the dead."

We now return to It's Supernatural.

Sid: This is Sid Roth,
and I am so excited because of the presence of God.
Literally, His kavowd, His heaviness,
that's what the Hebrew word means,
of His glory, of His presence, just erupted in the studio
when I was interviewing my friend,
Rabbi Jonathan Bernis and David Herzog.
There was such an outpouring of God's Spirit
that I wanted to capture it on film and have you see it.
Let's take a look at a little bit more.

Come on, young man.

What happened to you?

Boy: For two years, my heel's been hurting.

Whenever it hurts, I can't stand.

So today, I put my hand on my heel,
and it didn't hurt anymore.

(applause)

Boy: And now I can't stand,
because I feel the power of God over me, I can't stand.
I just feel it rushing through me.

Sid: Would you do me a favor?

Would you stay right here for one second.

Now, who needs a miracle? Raise your hand.

One person. One person, raise your hand.

Do you need a miracle? This man here, right here.

You. Yes, do you need a miracle? Yes or no?

Come here.

If I'm not being too personal,
can you tell me what you need a miracle of?

Man: Prostate cancer.

Sid: Now what I want you to do is put your hand on him
and pray in the name of Jesus for the cancer to be gone.

Boy: In the name of Jesus, I tell you that,
Devil, you've got to get out of him.

Cancer, be gone in the name of Jesus!

(applause)

Boy: Amen.

(applause)

Sid: You are one blessed man.

As you walk back, you're going to begin to sense
the healing anointing of God all over you.

Thank Him.

(applause)

Sid: Thank you so much. Thank you.

Would your folks rent you?

Boy: What?

Sid: No, never mind. Ha ha!

Anyone else?

Sid: Don't you dare miss this moment of your visitation.

A portal from heaven has opened up.

It's touching you right now in your home. Go for it!

Sid: Come on.

Man: I was in Alaska, and I was watching you on TV,
and my back hurt so bad that I couldn't bend over.

You said bend over and touch your feet,
and you'll be healed.

I can bend over and touch my feet,

and I'm 35 years old now.

(applause)

Sid: Sid Roth here. It is so wonderful!

God showed up, and He's here right now.

He's healing more people.

He's healing people with neck problems right now,

and in the whole head area. Your sinuses are being cleared up.

It is so wonderful when God shows up.

But when God shows up, you can make your breakthrough.

What is your breakthrough?

From believing there is a God, to experiencing God.

That's the breakthrough. Someone's ears were just opened.

Just take your hearing aid out and you'll see.

Not only are you hearing in the natural,

you're hearing in the supernatural.

Because God says "My sheep hear My voice."

In this world that is shaking,
how would you like to be on a firm foundation?
How would you like to hear the voice of God?
If God is for you, what can be...
Economics, health problems, family problems?
If God is for you, what could be against you?
Nothing can be against you!
The first step, God has already taken. Now it's up to you.
Yes, He's chosen you.
Do you want God? Of course you do.
Say this prayer with me, and believe it.
It's a start. It's putting your little toes in the water.
But come on now, you'll never learn how to swim
unless you put your little toes in the water.
And the water is good. It really is good!
Repeat this prayer with me.
"Dear God..." Come on now, out loud.
"Dear God, I'm a sinner.
Against You and You alone have I sinned.
And I'm so sorry.
With Your help, I'll turn from these sins.
I believe the blood of Jesus has washed away my sins,
and I'm clean. And now that I'm clean,
I ask Yeshua to live inside of me.
Yeshua, I make You Lord of my life.
Amen."
(applause)
