Conversations with Holy Spirit to birth you

What do you do when you are healed of an incurable, painful, debilitating disease and then years later, now married with five children, it comes back with a vengeance? From this hopeless dark place, Mary Hasz gave up and just wanted to die. The only way she could walk without falling and seriously injuring herself was in her swimming pool. She began crying out to God for answers every day in her pool. And did God answer! He gave her 21 revelations about healing that she began experimenting with that led to her medical miracle! She calls her revelations "conversations with Holy Spirit." She believes, as I do, one or more of these revelations from heaven will unlock your miracle as well as your ministry to others.

Sid

Ibegan noticing a great decline in the pain circulating in my body. Then a strong stabbing pain would suddenly strike somewhere in my body, usually in my arms, hands, legs, or feet.

Holy Spirit instructed me: *Treat each of these pains as a word of knowledge. Stop agreeing with these pains as though they were your own.*

Pray for others for the specific pain you are experiencing.

I love when Holy Spirit gives me strategies to bring breakthroughs in my life. This one was revolutionary. I no longer partner with fear that my symptoms are returning. If any pain hits my body, I treat it as a word of knowledge. I have purposed to stop agreeing with it as though it is my pain. I do not wait for a phone call from someone to tell me they have a similar pain. If I have a pain hit my right foot, I say, "Father God, whoever in the body of Messiah has pain in their right foot, I release healing to them in Jesus' name."

For to one is given the word of wisdom through the Spirit, to another the word of knowledge through the same Spirit (1 Corinthians 12:8).

Words of knowledge come in many forms: a symptom of physical pain in one's own body, a vision, a slight impression, an inspired thought, and many other ways. Utilize these words of knowledge to target healing to that specific pain or disease in someone's body.

The symptoms usually leave my body quickly. The enemy has stopped coming against me with so many odd pains. I have stopped agreeing with symptoms and I consistently release healing to the body of Messiah in prayer, thus reaping the healing in my own body.

Here is an example in my own life where I prayed for someone and reaped healing in my own body. A few months after CMT (a form

of muscular dystrophy) hindered my ability to walk, I was attending church on a Sunday morning in Greensboro, North Carolina. Holy Spirit spoke to me and highlighted the lady across the congregation, I want you to pray for her.

I had recently been introduced to Diane and knew she was struggling with physical symptoms. She was in the process of having a series of tests to determine the cause.

I spoke back to Holy Spirit and said, "Do you know who you are talking to? I am very unhealthy and not in a good place myself."

Throughout the service, I kept hearing it repeated in my spirit, Pray for her.

I approached her after the service ended and asked, "Can I pray for

you sometime?"

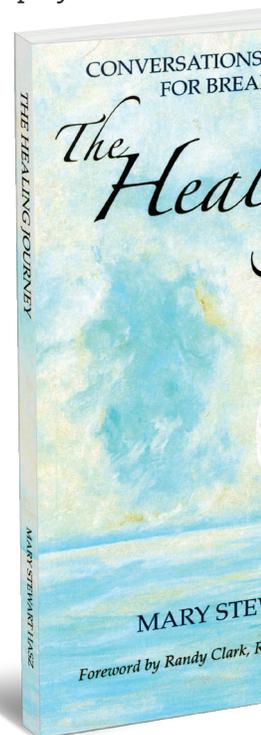

She said, "Yes. Come to my house today," and gave me her address.

I drove to Diane's home that afternoon. She had great difficulty walking and sat in a chair as I began to pray for her. My prayer was interrupted by her phone ringing. She picked it up, greeted the person with a "Hello," and began a conversation with them.

Do not be deceived, God is not mocked; for whatever a man sows, that he will also reap. For he who sows to his flesh will of the flesh reap corruption, but he who sows to the Spirit will of the Spirit reap everlasting life. And let us not grow weary while doing good, for in due season we shall reap if we do not lose heart. Galatians 6:7-9

your miracle!

I began having my own private dialogue with Holy Spirit. I asked, "God, if you are wanting to flow healing through me into Diane, would you please let a little bit touch me in the process?"

I looked down at my paralyzed feet. I willed my feet to lift. Both feet lifted for the first time since the disease had struck my body! I was shocked and began to cry with joy.

Diane got off the phone and asked, "What's wrong?"

"I have had a miracle and I can move my feet!" I exclaimed.

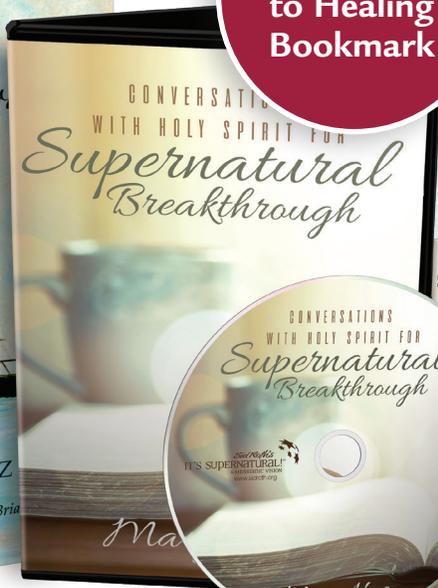

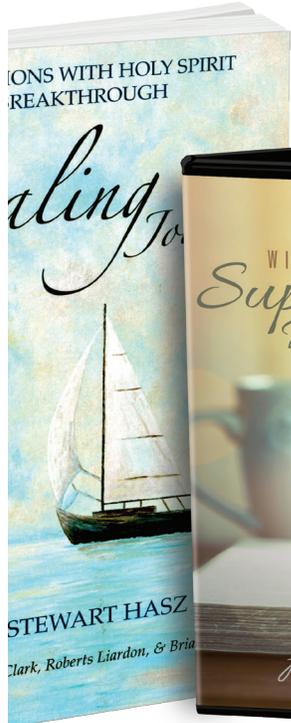

God honored the prayers I had sown into Diane and I reaped a touch of healing in my own body. Praise God!

Prayer: Father God, I pray for whoever in the body of Messiah has (name your symptom). I release healing to them right now. I make no agreement with this symptom. Thank you for taking it away and making me whole. It is not mine, in the name of Jesus, Amen. ✨

Encouraging Testimonies

Hi Sid, I am a conservative rabbi who has recently accepted Yeshua. I have many sick people needing healing and I don't know what to do because I want people to receive Messiah Yeshua's healing but I can't say his name out loud without causing a lot of major issues for myself and my congregation. I am also needing to learn how to heal, we have too many sick people. Please help. Please advise me what I can do...thank you for your work.

Sid: I spoke to the rabbi and connected him with a local pastor to be personally mentored. Now he is getting so bold and asking "can we have revival in my synagogue?"

I wanted to ask if Sid would do a favor for me. My father is a Jew and I gave him Sid's book *They Thought for Themselves*. He read it and wants to become a believer but he thinks he has to wait until his mother passes away to do it. Could Sid call and speak with my father and help lead him to Jesus?

A few days later: Would you please let Sid know how elated my family and I are that my father has come to know our Lord Jesus as Savior? I'm so grateful that Sid was able to talk to my father in a way he'd understand and lead him to Messiah. This was easily one of the best days of my life. Thank you so much for being willing to help. Thank you again from the bottom of my heart.

This will trigger a mega jump in your faith!
