

**SID:** Hello. Sit right here. Welcome to my world, where it's naturally supernatural. In 2,000 years, few have ever witnessed what you are about to see. Why did over 400 Jewish people in Israel get instantly healed and 800 Israeli Jews make public professions of faith, and pray to be immersed in the Holy Spirit and fire? Now, what does it mean prophetically, and let's face it, what does it mean to you? Next.

*Is there a supernatural dimension, a world beyond the one we know? Can we tap into ancient secrets of the supernatural? Can our dreams contain messages from heaven? Is God ready to bring a tsunami wave of healing onto planet Earth today? Sid Roth has spent over 40 years researching the strange world of the supernatural. Join Sid for this edition of, **It's Supernatural**.*

**SID:** You know, I have to tell you, I am absolutely in awe, as anybody that is about ready to see what we're going to show you. But what really and truly does this incredible Israeli harvest, what does it really mean? Here's what it really means. Jesus is coming back soon.

**SID:** Now, let's look at scripture, so I can show you step by step why I say what I say. Romans 11:25 is the key scripture, "For I do not desire, brethren, that you should be ignorant of this mystery." You know, he doesn't want believers ignorant or it's a mystery. He wants us to know. It's okay for those that aren't believers not to know, but it is not okay for believers for it to be a mystery. "I don't desire, brethren, that you should be ignorant of this mystery. Blindness in part has happened to Israel." What does that mean? There have been Jewish believers in every generation, so blindness in part, not total blindness. "Blindness in part has happened to Israel until the fullness of the Gentiles has come in."

**SID:** Now I want to reverse this and see if it gives you a little better understanding. When the age of the Gentiles is at its fullness, the spiritual scales will come off of the eyes of Jewish people.

**SID:** I maintain the age of the Gentiles is at its fullness, because the spiritual scales are coming off the eyes of Jewish people. Hosea 3:5 explains this, "But afterwards ..." What is afterwards? You see, we Jewish people, we're under a curse, because as you know we were deported to Babylon for sin, and a curse has a set period, of time. When this curse is over, this is what Hosea is talking about. "But afterwards the curse," of what? Blindness. "But afterwards," the curse of blindness, "The people will return and devote themselves to the Lord their God, and to David's descendant." Who's David's descendant? The Messiah. "And to David's descendant, their king, and in the last days they will tremble in awe of the Lord and of His goodness."

**SID:** You know what? Most believers have to understand those two words.

**SID:** Tremble in awe before the Lord and His goodness. Most people are specialists in the bad going on, but we're supposed to look on the goodness of God.

**SID:** We kind of miss this, and I have to tell you this, when I prayed, and you'll see some of this, when I prayed for these brand new Jewish believers to be filled with the Holy Spirit and fire, no orientation, no grid to understand, their hands were trembling as ...

**SID:** By the way, I told them what the scripture says, lift holy hands to God. Their hands were trembling from the fire of the Holy Spirit.

**SID:** Now, the lecture in Israel I call a lecture on the supernatural, and there was something different.

**SID:** It was different. I'll give you an example. First person I met was the porter at the airport helping us with the luggage. He only goes to the end of the ... where, as you exit the airport, he doesn't take you out. I started sharing about the Messiah. He had never heard what I was telling him before. He was so excited he walked me out of the airport. He wasn't supposed to, but this is what he said when we left. He said, "You promise someone that knows the same things you know, that lives in Israel will call me. You promise that," and he gave me his number. I've never had this happen before.

**SID:** There's something different ...

**SID:** ... in the atmosphere in Israel. Now, one of my guests on, It's Supernatural is an amazing man that operates in miracles, a former Catholic priest. His name is Dr. Francis Sizer, and he gave me this word, "And so it shall be unfolded to you, my faithful son, as I have told you in secret. The times of my people is near upon you. Can't you see it? Can't you taste it? I'm opening the door of the nation Israel to be flooded by the angels of heaven now. Stories will begin to pour from throughout Judea and Samaria. Messiah will appear supernaturally to many. At first, a stream of miracles ankle deep from the temple of God in heaven. Then a river of miracles waist deep. Nothing can withstand what I have put in motion. Nothing can reverse my commanded blessing, says the Lord of Hosts."

**SID:** This is what we're seeing right now. Now, first sign, spiritual scales off the Jewish eyes. Second sign, according to Isaiah chapter 60, verse 1 and 3, this is what is also about ready to happen in Israel, "Arise Jerusalem. Let your light shine for all to see."

**SID:** "For the glory of the Lord rises to shine upon you. Darkness as black as night covers all the nations on earth, but the glory of the Lord rises and appears over you. All nations will come to your light. Mighty kings will come to see your radiance." We are going to see the assignment of the Jewish people picked up again. Here's the assignment. Most don't know this. Did you know this is the only nation in the world that God gives this one, particular assignment to? Listen to this. Isaiah 61:6 says, "Israel will be a nation of priests."

**SID:** You think about that. Most people miss that. Israel will be a nation of priests. Now, the priesthood stopped for a season due to the judgment, but the judgment is over.

**SID:** What is the call of the Jew? The call of the Jew, and it's never, gifts and calling of God are without repentance ...

... remember? The call of the Jew is John 4:22, "Salvation is of the Jews."

**SID:** The call of the Jew is to be a nation of priests, to evangelize the four corners of the earth, and then the one new man comes in. The Jew joins arm with the Gentile believer, and that one new man, which actually, if you really ... The better translation from the Greek from Ephesians is the one new humanity.

**SID:** Devil's worst nightmare. The Jew and Gentile become one in Messiah.

**SID:** Now, would you like to see the glory come on 1,000 unsaved Jewish people in Israel ...

**SID:** ... and 400, remember, unsaved Jews before they accept the Lord, 400 instantly healed? Now, many of you, when I speak these words of knowledge to these Israelis, you know there's something powerful about a word of knowledge. It comes from a zone where there's no time, and if it comes from a zone where there's no time, it'll operate as much for you at home, and you here, as it did in Israel! Be right back.

*We now return to **It's Supernatural**.*

**SID:** I want to set the stage for you. I just got back from Israel. In Israel, I did what I do all over the world. They're called lectures on the supernatural, and they're predominantly to Jewish people that do not know the Messiah. I share the most supernatural thing I know, how God revealed himself to me. I don't know. There's no close second, and so, what God graces me with, and I never realized it til I started setting the glory, is the glory for evangelism. I call it evangelism glory. When I start speaking, God starts moving in words of knowledge. When this first started, I didn't know how to handle it. I mean, because they'll think they're my words, and they'll give me the credit, and I know about Ananias and Sapphira. If you don't know about them, you better find out. But anyway, I'll tell you the truth. You know what God said to me, and I believe when he says it to me, he's saying it to you? You take this much of God's glory and you're finished.

**SID:** I was a little nervous about it, but I took a chance. That's called faith, a risk. I took a chance, and I said the words, and I've been doing it ever since, and what I found out is, after someone is healed, they're totally receptive to the gospel. That's the way God intended it.

**SID:** The religious mind says, "Oh no, you share the gospel, and then you pray for them to be healed." No, no, no. The purpose of the signs and wonders are to grab a nonbeliever's attention.

**SID:** There were 20 buses of unsaved Jewish people came to our meeting.

**SID:** From seven different cities in Israel, from seven different Messianic Jewish congregations. A thousand unsaved Jewish people plus some believers came with them. But there were over a thousand unsaved Jews. Do you know what it's like to see an auditorium jam packed with a thousand unsaved Jewish people?

**SID:** Now, it starts out with me sharing words of knowledge. I never know exactly when. Sometimes it's before I say anything. Sometimes it's even in the middle. One time in Berlin Germany, it was at the end, and I thought I'd never hear any words. But I want to take you inside that meeting, but be expectant that any word I say is for you.

**SID:** I'm going to count to three, and at the count of three, I'm going to pray in the name of Yeshua, and a miracle will happen. Father, in Yeshua's name, let your glories cover this auditorium, and I pray that your glory will heal each person in Yeshua's name. One! Two! Three! Test your body. Test it. If your arm hurts, start bending it. See if the pain is gone. You don't know unless you test. If you've tested your body, and the pain is gone, the healing is there. I want you to raise your hand high so I can see it. Right high. I can't see them all. Now, look around everyone. Have you ever seen anything like this before? I can tell you, outside of my meetings, I've never seen anything like this. God is in this place. That's what that tells you. God is in this place. (End of video)

**SID:** Now, as a result of the 400 miracles, 800 unsaved Jewish Israelis made public, stood up professions of faith.

**SID:** After that, they were told to lift holy hands to God, and receive the ruach hakodesh, the Holy Spirit.

**SID:** I made sure that I didn't say just the Holy Spirit. I said what's in the Bible, "Receive the Holy Spirit and fire!"

**SID:** They liked that.

*We now return to **It's Supernatural.***

**SID:** Now, you just witnessed healing glory. I want to now show you the most important glory of all the glories, and that is salvation ...

**SID:** ... glory. As you watch this historic video, and it is historic, I want you to have what ... You know, I've studied. In the Greek New Testament, it says a little different than the English. Jesus said, "This is eternal life, that you might have experiential knowledge of me." You see, experiential knowledge means what I just said, your own experience, not someone else's experience. Not what you've been taught since you were that little, your own experience.

**SID:** There's nothing more important than that. There's nothing ...

**SID:** ... that anyone can take away from you, once you have your experience with God.

**SID:** A man and a woman with an experience, the devil cannot undermine.

**SID:** I suggest you take advantage of this evangelism glory, and when I say the prayer for these Jewish people to know the Messiah, I suggest you say that prayer, studio audience and at home, right along with me. Let's roll it.

**SID:** I'm going to pray a supernatural prayer, for those that want this heart transplant, have their sins forgiven, and know God. All of those that want this supernatural prayer, stand up right now, and I'll pray it. Right now. If your life is so great, stay seated. But if you want to know love, if you want to know purpose, if you want to know destiny, now is the said time! Right now is the time for your visitation! I want you to repeat this prayer out loud as Israel prays it, and mean it to the best of your ability. God asks nothing more. Dear God, I've made many mistakes, for which I'm so sorry. I believe that the blood of Messiah washes away my sins, and because of the blood of Messiah, you remember my sins no more, and I am clean. Now that I am clean, Yeshua come inside of me. Take over my life. I make you Lord of my life. Amen. (End of Video)

**SID:** Now, remember I told you my trip to Israel started with this young, Jewish Israeli? Would you believe my return ended with a Israeli Muslim? Now, his brother had been driving us around in a taxi, and he had a very unusual cell ring. The Quran was being chanted every time he had a phone call on his telephone, and he was very religious. His brother was driving us to the airport to leave Israel, and his brother is just as religious. I said things to him I had never thought about.

**SID:** You see, in the glory ... Remember Jesus says in the New Testament that you will be ... when you're brought before judges, you will be told what to say ...

**SID:** ... when it happens. You're not going to be told beforehand. That's what happens in the glory. I knew exactly what to say to him, and when I said that to him, I was shocked, because he was ... He told me he was a taxi driver for some of the greatest Christians. I would never mention their names, and he's always their driver. But let's face it, how many share the gospel with muslims?

**SID:** How many share the gospel with Jews? I'm telling you, the two cousins are open to the gospel.

**SID:** Arabs and Jews.

**SID:** He could not wait to talk to our mutual friend, that knows the Lord, that is a Messianic Jewish pastor in Israel. He couldn't wait, he sees him all the time, he works for him, he's good friends, to tell him he wanted to know more about Jesus. He prayed a prayer with me, and this was the prayer he prayed, "Jesus, if you're who Sid says he is, show it to me in a way I'll understand." When a Muslim or a Jew prays a sincere prayer like that, they will know the truth.

**SID:** The truth will set them free.

**SID:** I started with a Jew, ended with a Muslim. You know what? That's a perfect one new man, Jew and Gentile Christian, one in Messiah.

**SID:** We are going to see a billion souls ...

**SID:** ... come to the Lord.

**SID:** Lord, show us your glory!
