

*Hello, Sid Roth here. Welcome to my world where it's naturally supernatural. My guest was called by God from the womb to be a soloist. She was one of the best, but at age 27, God spoke to her and told her it was time to start her speaking ministry. She was happy as a soloist. She didn't want to change, but her next meeting, she stepped out on the word from God and God gave her x-ray vision. She saw a missing body part of a man in the audience and God healed him, then all the gifts of the spirit exploded.*

*Is there a supernatural dimension? A world beyond the one we know? Can we tap into ancient secrets of the supernatural? Can our dreams contain messages from heaven? Is God ready to bring a tsunami wave of healing onto planet earth today? Sid Roth has spent over 40 years researching the strange world of the supernatural. Join Sid for this edition of **It's Supernatural**.*

**SID:** Now, someone that I had the privilege of interviewing that's now in heaven is Norvel Hayes. Norvel Hayes was known for miracles and he was known to have such power over the demonic for deliverance. Now, Elaine, you were soloist for him. You are a teacher. Tell me one or two quick nuggets he told you about the demonic world.

**ELAINE:** He always taught us, Sid, to have a voice of authority. You're not afraid of the devil. You're not afraid of –

**SID:** You know what? I hear that in your voice.

**ELAINE:** Oh yes.

**SID:** I hear it.

**ELAINE:** Yes, you do. Because he said, "If you act like you're afraid or if you seem to be afraid, they will not obey you. And if you really are not connected, I mean, really know God, they know that you don't know God. And they will not obey you unless you really know Jesus." So he said, "Be not afraid. Do not have any worry at all if the devil's going to go, because when you as a woman of God, Elaine, speak to them, they have to obey you. There's no choice."

**SID:** Now, how did you start in the deliverance ministry?

**ELAINE:** Just as you said when I was 27 and God asked me to preach and I didn't want to do that. I was invited. It was just like God had it all planned out. I didn't have anywhere to preach. I was a singer, but this Aglow group asked me to come. And I went. And as I was preaching that day on power and authority in the name of Jesus, there was a man stepped through the back door of the convention center.

And when he did, I saw an x-ray, just like a doctor's x-ray and one was inflated and one was deflated. So the Lord, I shook my head, I'm not used to this kind of stuff.

**SID:** You have no para....

**ELAINE:** No, I thought my goodness, what's going on with me? And so the room was filled with women and up comes this man, and I saw this x-ray. So I said, "Lord, what am I seeing?" He said, "If you will call him to the front, I will heal his lung." And so I said, "Sir, this may sound funny to you. Please come to the front." And he came to the front and I wanted some witnesses. So I called the president of the club, of the glow group and the all the secretary and treasurer. I said, "Ladies, God has just given me an x-ray, and this man's going to get a new lung." And all of a sudden they felt the wind blow into his chest. He raised both hands and they said, "I can breathe, I can breathe." He said, "I only had one lung." He was totally healed before our eyes.

**SID:** All right, I've got a question for you. What is going on with this young girl that doesn't even want to be a speaker. To you, when that went on, what was going on? What emotions?

**ELAINE:** I just was in awe because I'd seen so many miracles and I had sought God. Not that I just wanted the miracle, but I wanted the closeness of the Lord.

**SID:** I want to take you back to your, in your mother's womb. She's pregnant. Six months pregnant. There was a prophecy over you. What was it?

**ELAINE:** Yes. My mother was sitting in the audience and a prophet of God came in and he said, "Ladies, stand up." She stood up. He said, "The baby you're carrying is going to sing and minister to multitudes." And my mom, when I was born, usually a little baby will say da-da, mama. But my mother wouldn't allow me to say that. She said, "No, no." She showed me how she'd say, "I wouldn't let you. I'd say no. Jesus. Jesus." Because she had this word.

**SID:** Was that the first word you learned?

**ELAINE:** The very first that came out of my mouth was Jesus.

**SID:** One of the keys that God has shown you, and you know what, here's the sad thing though. A lot of people that know this key and they've put it on a shelf and there are many that just don't know anything about this key. It's speaking an unknown tongue, supernatural languages. Give me one good reason why it's important for me or for others to pray in tongues.

**ELAINE:** First Corinthians 14:2. He that speaketh in an unknown tongue speak of not unto man, but unto God, for no man understandeth him. How be it in the spirit he speaketh mysteries.

I want you to know the mysteries. So I started speaking in tongues five minutes a day. The next thing I know, miracles are happening. I'm singing before 10,000 a night. Things are changing and the Lord reminded me, I called you in, Jeremiah 1:5, before you were in your mother's womb. I wrote the days of your book or your plans in a book. And so the mysteries are not for God. God knows everything. The Holy Spirit knows everything. Who are the mysteries for? The mysteries are what's written in the book for my life.

**SID:** And unless it's spoken out loud, it doesn't manifest on earth.

**ELAINE:** No. And when you're praying in tongues, you're praying the perfect will of God.

**SID:** Elaine spoke in fundamental Baptist church and every one started speaking in tongues because the glory cloud showed up. Be right back.

**SID:** There is so much glory in this studio right now Elaine. But I got a question for you. How in the world did you get invited to a dry Baptist church?

**ELAINE:** There was a lady that had attended one of my meetings and she was hungry for her church to have this Holy Spirit and the glory. So it was ladies day, the ladies got to pick who would speak and they picked me. And they didn't warn me what I was getting into.

So when I got there that day, it was so quiet and so dead, I was just talking very low and doing the best—but the Lord said, "Nine rows back, I have a lady who has a tumor in her colon and she's dying. Go back there and tell her." And I said inside, "Oh God, I can't do that. I'm in the Baptist church. They don't even like me. I'm not sure they like you, so what are we going to do here?" He said, obey me. And so I stepped down off this huge platform. I walked back there and I said, "Ma'am, would you stand up?" And she said, "Me?" I said, "Yes." I said, "You have a tumor in your colon." And I said, "You're dying." And she said, "I've had 27 operations and number 28 will be next week to remove this." And I said, "You also, the Lord tells me you have leukemia." She said, "Yes."

She was convinced then. She said, "How do you know these things?" I said, "I hear the voice of God." And I laid my hands on her.

"Heal her in Jesus' name."

I turned around to walk back up this long, long aisle. She felt something moving in her stomach. She ran to the bathroom and in about five minutes she come running back in and said, "It's in toilet."

**SID:** Did the church react like our studio audience?

**ELAINE:** No, they didn't even clap. They didn't do anything. They just looked at me like I was a cow at a new gate. And then, and I said, "What's in the toilet?" She said, "The tumor, it's in the toilet." And a lot of the ladies on the back, she said, "Come and see," and everybody goes running out of the church. And I said, "I don't need to see. I believe, I believe."

And so she was totally healed. Okay. So, they said don't leave. Don't, the preachers even said don't leave. We stayed another night. Seven deaf people were healed the next night. The third

night the glory of God came in so strong that there was a crippled walk out of a wheelchair that had been there for 12 years. They rented a larger room. That night there was over 1500 there. And I'm laying hands on people and I'm doing everything because they're hungry now. They've seen the power of God. Once somebody really tastes the glory of God, you will never want to be empty again. When the glory of God comes in, that's it. You want it. Hallelujah.

And so I was tired. I had ministered and ministered and I went over by the side of the room and I just stood there and God said, "Ask me for something. What do you want?" And I thought, I said, "I want more of the of the anointing." He said, "You already have the anointing. Ask me for something you don't have." And I said, "I want the power." He said, "You already have the power. You are baptized in the Holy Ghost and fire. You've got it." So I said, "I want all these people to be baptized in the Holy Ghost, the Holy Spirit. I want all these Baptist folks, even the pulpit." And you know what he did? He said, "Watch." And a pillar of fire came down in that church. It was out of... it was a pillar of fire.

And he said, "Watch." And it moved over the whole entire congregation. And as the pillar of fire moved, they just started falling out of their seats.

**SID:** This is a Baptist church?

**ELAINE:** Yes, they just start falling out of their seats. And as they fall, Sid, they're going and they're speaking in other tongues. He got all the way over to the edge of the pulpit and said, "Elaine, watch." He went and when he did, all the preachers was baptized in the Holy Spirit.

**SID:** That's normal. Let the whole world be normal.

**ELAINE:** Yes.

**SID:** Normal as written in the Bible.

**ELAINE:** Yes.

**SID:** Elaine, you hear from God so clearly. Give me one of the most important nuggets you can on how we all can hear from God like you.

**ELAINE:** Okay. I pray in the spirit in my hotel room. I live in hotel rooms because I'm on the road constantly and I pray in the spirit and after I pray in the spirit, I sit and listen. 50% of prayer is listening. I know the voice of God that strong, just like I know my husband or my children or anybody else, because I have sat in a room and listened. You learn the voice of God.

**SID:** I'll tell you what, when we come back, I'm going to turn the Elaine loose to pray for miracles and release the glory that's on her life anew. Be right back.

*We now return to **It's Supernatural**.*

**SID:** All right, yesterday Elaine came in to my office. And she started quoting a scripture that I know well. I know this well because God told me that scripture about a month earlier and then she taught a little bit on that scripture. The scripture is there can be no sorcery against Israel. Now, if you are the Messiah's, you are the same as Abraham seed. What were you teaching?

**ELAINE:** It's illegal for the enemy to tell you that you are going to be overcome by a demon. Jesus said, "I give you power over all the power of the enemy." The word of God is true and you with the authority of the Messiah in you, you are never going to be cursed. Stop being afraid of the curse of the devil. The devil is under your feet. He has no authority over a child of God. And it doesn't matter what anyone says, they can say I'm going to curse you. They can say I'm going to put a fix or something on you, but that is a lie from hell because greater is He that's in you than he that's in the world. There's no demonic force, nothing, any sickness, any disease, any words that have been spoken. They are all broken and under the blood of your shoe and we don't have to succumb to any of that.

The Bible says you are the child of God. Do you know that you have an arsenal at your disposal? Do you know that the powerful angels and all of the beings of God. He has an army in heaven. There's an army. There's a force of God and he will make sure that those are at your disposal only at the name and the word and acknowledging who you are. If you know who you are, you can have what you want.

**SID:** Now you say it's illegal. What do you do about the symptoms or the thoughts that you have that if it's illegal, that means the demon shouldn't be speaking to you, but he does.

**ELAINE:** Exactly.

**SID:** What do you do about it?

**ELAINE:** One of the most notable healing evangelists in the world came to Norvel Hayes and myself and he said, "Why do I pray for people? They get healed. They jump out of wheelchairs, it's news everywhere, and then a year I go back and they don't have it. They're in the wheelchair or they're dead, their families are mad at me." And this is why that you receive something and then it goes because you don't know how to keep what you got. You have to keep what you have. Now, tomorrow that thing may try to come back on you, but remember you're a co-creator with God. The power of life and death is in your mouth and what you do is you say no in the name of Jesus.

**SID:** Would you pray for people?

**ELAINE:** Oh, I will.

Father. Oh, I thank you now that you have given us the power of life and death. So I speak life from my vessel, the spirit, the real Holy anointed spirit. I speak life, healing, strength. I speak to

every spirit of hell that's been released in the homes or in the lives of the believers. They are illegal. They cannot stay. They only come to see if they can stay. They come to check us out to see what we've got, but in the name above every name, I say they cannot stay. Now, be healed and be set free and be delivered as Jesus said go, I say go from the anointed people of God. Amen. Hallelujah.

**SID:** I'll tell you what she was speaking people with arthritic fingers, pain in your fingers, in your wrists, in your hands. If you'll just move, you'll see that the pain is all gone. Especially backs. Backs are being healed right now. Stand and see that the Lord is good. Bend over and you'll see that pain that was there it's gone. And there's someone with an oppression in their head, a headache. I command it to leave now. The blood of Jesus.

One last prayer, Elaine, look into the camera and pray for the glory that's on you to be released on everyone that wants it at home or in the studio audience.

**ELAINE:** It's for you and your children and all those that are called. The glory is for you. Father, I thank you that people in every room of their house, it's not going to just make for one, it's going to be like the house of Cornelius. The glory of God is penetrating through every house. Their children are going to be delivered from drug addictions. There's going to be many cancers die right now. There's going to be many people that are bound by dementia. There's going to be foul mental torment and spirits, leave your house as the glory of God comes in right now. Now there it is. Raise your hands, raise your hands, grab it. You don't have to wait for anything. No one has to touch you. You don't have to be in a big meeting. Just right there, take it Jesus' name.

**SID:** And I seal everything that has been done and the name that is above every name, the name of the Messiah of Israel, the name of the Passover lamb that takes away the sins of the whole world. [prays in tongues]. Jesus the Messiah, our righteousness.

**ELAINE:** Jesus.
