

*Hello. Sid Roth, here. Welcome to my world, where it's naturally supernatural. My guests have revelation from heaven that'll make you the devil's worst nightmare as you navigate these end times. Next...*

*Sid Roth has spent over 40 years researching the strange world of the supernatural. Join Sid for this edition of **It's Supernatural!***

**SID:** Hello. Kevin Zadai here, and I don't think I have to introduce him. He's been a guest many times, but when he told me what he was working on, I said, "You got to come back." He is teaching and demonstrating and praying impartations of Holy Fire. That begs the question, what is Holy Fire?

**KEVIN:** Well, Sid, I saw in heaven that there was a lot of fire. And God's really into fire. Well, I encountered this fire, Sid, and I didn't know exactly when I would be able to release all of this. So for many years, I didn't even share these experiences I had. But since I've met you, I've released now to do this. What I saw in heaven was that there were altars of fire. The angels were on fire. And then I saw that there was a sapphire floor that was on fire as well. So Holy Fire is actually something that's in heaven, and that we've encountered on the earth through the day of Pentecost, through the Holy Spirit. It's part of the baptism of the Holy Spirit, is a baptism of fire. And so he said, "Kevin, you've got to teach people how to yield to the fire and walk in the fire." It's walking in repentance. I can't believe I just used that word.

**SID:** You did it, that's not a word that's often spoken.

**KEVIN:** Jesus said to produce fruit in keeping with repentance. So somebody's wrong here. I don't think Jesus is wrong. So I'm going to keep with repentance. I'm going to produce my fruit, but I'm also going to keep with repentance. I'm going to stay in there. And it's just like, when an angel just showed up right now, he just showed up behind me right now—

**SID:** Yeah, this is for real.

**KEVIN:** Right now...yeah, this is for real. I don't do fake.

**SID:** Okay. No I didn't think it was fake, I thought you were telling me a story.

**KEVIN:** I know, Sid. And all of a sudden, now everything shifts. The message that I'm speaking shifts, from where I speak shifts, my perception shifts. I am speaking from the other realm right this minute. And it's all because something from the other realm, someone, a person, an angel came from the fire in heaven, and he's lit up behind me. It shifts your personality. It shifts your perception, everything about you. And I just want to repent right now because I feel the fear of God. I feel the fear of God right now. I feel the holiness of God and I want to repent.

And I just want to turn my face back to Jesus right now. And I went to heaven and I have a ministry, but I repent every day. Because what happens is when I encounter a Holy Fire, it causes me to want to turn and do the right thing even when my body and my mind are working against

me. And that's for somebody out there. If you are encountering anything right now in the area of temptation, just remember that your character is more important to God than your comfort.

At times you're going to feel uncomfortable, but the fire is burning out all the... There's many people right now they're experiencing this fire. They're thinking they did something wrong, but they're not. God is burning out the dross, all the impurities out of their life.

**SID:** So that you can have your own experiential knowledge with God, let the fire come. Say that at home and here, let the fire come. Alright, Kevin, you told me an angel just started talking to you, and how are angels involved in the Holy Fire?

**KEVIN:** Well, they actually behold the face of our Father that's in heaven. That's why Jesus said, "Don't do anything to these little ones because of their angels." The children's angels always see the face of their Father in heaven. Well, the angels report back, but when they do they energize. I saw them coming to the throne. They were catching on fire and energizing and then coming back and standing beside people and helping them. So angels come and they grab us. They're expeditors. They come to grab us and to take us into what God has for us. When the angel... When he shows up like he does in my meetings, everything goes into this hyper drive. In other words, it goes up a level. And all the sudden—

**SID:** I've seen that in your meetings.

**KEVIN:** Yes. And all the sudden you've seen witches come up and repent. You've seen demons flying out of witches. Well, that just doesn't happen. They can usually come to disrupt a service. Okay, other things are going to start happening. Right now there's people, right now he's telling me that those watching this show that they're being healed. There's all kinds of problems that are being healed in people's backs and necks right now. And not only that, there's a lot of cancer patients. There's a lot of people with cancer. Right now the tumors are starting to dissolve. I know where you're going to get reports, Sid. This is because we have to speak from the other realm. We were healed. That means we are healed.

**SID:** Kevin, when you were in heaven, you talked about a sapphire floor. Tell me about the sapphire floor.

**KEVIN:** I was really surprised, Sid, because I had to look up the scriptures. But I did see this sapphire was really, really blue, but it was being lit up by flames and they were white flames. So I was standing on the floor 'cause I had walked on it and the Lord stopped me. He said, oh, this is only if I bid you to come. And I said, well, Lord, I'm the righteousness of God in Christ, Jesus and you—

**SID:** You were taught that.

**KEVIN:** Yeah. And I started—

**SID:** To say it.

**KEVIN:** Say all those scriptures I'm Holy as you're Holy. And he said, oh no, he said, this sapphire floor is not positional. This is relational. He said, Enoch can walk on this floor. He said, because Enoch walked separate in the fear of the Lord and in holiness. He said, Kevin, he said, many that day will come. And I will say them. I never knew you. And he said, they will say, I cast out devils. I healed the sick. And he said, those people believed in me, but they didn't walk with me.

**SID:** Tell me about the white fence.

**KEVIN:** Well, this is where he took me next, we walked outside. We were accelerated out to where it was... It looked like where the spirit realm ends and it goes into the physical realm, on that was a white fence. And it was symbolic. There was a white fence and there were all these Christians that were on the fence. And I said, what is this? He said, my people are asking, how close can I get to the world and live in the world and still get to heaven? When they should be asking me where the hottest spot in heaven is, which is the sapphire stone, which is mentioned in Exodus 24:10. God came down on the mountain with a sapphire stone. And he had a tear in his eye. And he said, I didn't hang on a cross and suffer and die for the fence. I hung and I bought my Father's people back so that they can walk on sapphire stone.

**SID:** Tell me about another room. The room with the gold glory cloud.

**KEVIN:** Okay. So he quickly ushered me down a hallway back in the building, again, off to the side. On the left side, there was a hallway with so many doors. We went down about five or six, maybe seven doors and went in there and there was nothing on the door to label it like the rest of them. Well, when I got in there, the glory cloud was in there. And they were so thick that I could see Jesus about five feet from me, but I couldn't see the floor. I couldn't see the ceiling. There was no furniture that I could see. And I felt such acceptance in that room, such love and acceptance, one with God. And I started to cry and I said, Lord, what is this? And he said, when you stepped into this room, you stepped into our Father's heart.

And I was valued. I was loved. And I was fully accepted in the Father. And I was telling my wife about this. And one morning, while we were sitting there praying in our chairs, the glory came in so strongly. And I said, Kathi, this is the room. And we were both weeping under the love. It was the love of the Father that he has for us. I was made in his image, Sid. We were all made in his image and he bought us back. And that is the true salvation. That's what the church needs to walk in right now.

**SID:** I want you to lead us in repentance right now. I'll repeat after you.

**KEVIN:** Okay, Father, we repent. Just say it. We repent.

**SID:** We repent.

**KEVIN:** In the name of Jesus.

**SID:** In the name of Jesus.

**KEVIN:** We have not focused on you, Father.

**SID:** We have not focused on you, Father.

**KEVIN:** And we turn our face, back towards you.

**SID:** And we turn our face back towards you.

**KEVIN:** And we, Lord, ask forgiveness for this country.

**SID:** And Lord, we ask for forgiveness for this country.

**KEVIN:** And we speak it out into, over this country.

**SID:** And we speak it out over this country.

**KEVIN:** We call this country to repentance.

**SID:** We call this country to repentance.

**KEVIN:** And we thank you, Father. We walk in your fear. The fear of the Lord is the beginning of wisdom.

**SID:** We thank you, Father. We walk in your fear, the fear of the Lord, the beginning of wisdom.

**KEVIN:** Amen.

**SID:** Amen. Kevin Zadai and Kathi, his wife, pray in tongues or supernatural languages more than anyone I know. They say it's the secret to their power. They will demonstrate this by interpreting their own tongues and prophesying over you. When we return. Be right back.

*We now return to **It's Supernatural**.*

**SID:** Okay, I have my friends, Kevin and Kathi Zadai here. They're praying in tongues all the time for... Why, Kathi, do you two pray in tongues all time? I mean, if it is as Paul said, he prayed without ceasing, you're trying to match him?

**KATHI:** Yeah, or more.

**KEVIN:** We are actually trying to beat him.

**KATHI:** Trying to beat him.

**SID:** Seriously, Why is it so important to pray in tongues, Kevin?

**KEVIN:** Well, first of all, it's a command of the Lord that we're to yield to the Spirit and we're not to fulfill the lust of the flesh. See, Paul talks about this in Romans 8. If believers would just live in Romans 8, they would do a lot better. So the Spirit of the Lord wants to pray through us, but he wants to pray on our behalf... and he does this by us, yielding to him. It says that in verse 26 of Romans 8, it says that in our weakness, the spirit comes in and grabs us and lifts us up and super intercedes through us the mysteries of God's will. I mean, that's a great deal. You could pray perfect prayers. So it's really a command of the Lord. And Paul said, I pray in tongues more than all of you do, and he was an apostle. So how about us? So we're just believers, but we can be super interceding for this nation, for this world, for our daily lives. Kathi and I are addicted to speaking in tongues and praying in the Spirit.

**SID:** Kathi, Kevin told me just about everyone you pray for starts speaking in tongues. Have you prayed for many?

**KATHI:** Yes. It started happening in our meetings a few years ago and yeah, it's just been happening, which is a great joy to us because we want everybody to speak in tongues. We believe as the Bible teaches, that it's for every believer. Every believer needs to pray in tongues.

**SID:** Now, take me into your home right now. You've got a cup of coffee maybe. And you're ready to pray. You pray together usually or no?

**KEVIN:** Yes.

**SID:** Alright, you're ready to pray together. Could you two demonstrate to me what you two do? Is that okay?

**KEVIN:** Well, what happens is this, the deal is whoever wakes up first, sometimes it's at 1:30, the last couple of nights it's been 1:00 in the morning, 1:30, the Spirit awake one of us—

**SID:** My wife would not like me coming in, let's pray in tongues at 1:30 in the morning.

**KEVIN:** That's why I'm married to Kathi. She likes it.

**SID:** She likes it—

**KEVIN:** We yell out, whoever wakes up first starts praying in tongues and yells. Yes, really loud and wakes the other person up. Cause we're saying yes to God's will.

**KATHI:** Right.

**KEVIN:** We both get up. We're praying in tongues. We go out, push the brew button and we go out and we...

**SID:** That was the brew button, coffee...

**KATHI:** Yeah, coffee...

**KEVIN:** Yeah, so we sit and we pray in tongues for a period of time. And then we will talk amongst each other and ask what is the Lord showing us? Or what is it that the Lord is telling us? Should we stay up and do some more? And if we start to fall asleep, we do circles around our house, inside our house.

**SID:** Okay, I want you to... Kathi, I want you to pray in tongues. And I'd like to see Kevin interpret that. Is that putting you on the spot or?

**KEVIN:** That's fine.

**SID:** And, if it's a prophecy for people just prophesy to them.

**KEVIN:** It will be.

**SID:** Go for it.

**KEVIN:** Yeah.

**SID:** Go, it will be. Now, if that isn't faith, I don't know what is.

**KATHI:** Thank you Father.

**KEVIN:** Just yield to the spirit.

**KATHI:** [foreign language]

**KEVIN:** The Lord says that, just as you will see the Spirit of the Lord come on Sid Roth this year, he will go into the next phase of his ministry. Everybody will not be expecting what's about to happen to him. The anointing is going to come, just as it is going to come upon him, it's a coming upon you this year as well. The spirit of prophecy, to prophesy. Ha! Ha! Ha! you're going to tell the devil Ha! Ha! Ha! Amen.

This nation is about to turn. This nation is about to turn. There's going to be... the history books will show. There'll be a big question mark, because no one will be able to explain. They thought what they've already seen it as is something, you just wait. This next term of President Trump, it's going to flip everything.

**SID:** Have you seen if he's going to win?

**KEVIN:** Yes. Yes. But see, this is what I saw, I saw cars upside down on fire. There were all kinds of riots. People that... the devil was mad.

**SID:** Why would they be rioting?

**KEVIN:** Because the devil didn't get his way. And so...

**SID:** You mean he didn't want President Trump in office?

**KEVIN:** Right, and President Trump will be standing there saying let's make America great, just like he's always said. And they're like wait, we can't kill this guy, we can't get rid of him. The devils are going to be upset because this nation is coming back to its forefathers, the roots of the state....

**SID:** Pray in tongues for about 30 seconds and interpret.

**KATHI:** Thank you Father. [foreign language]

**KEVIN:** The spirit of the lord says I've gone before you and I am separating between the enemy's armies that have surrounded you. They're separating and they will [?], they will not be able to touch you as you walk through. I am causing you to triumph over your enemies. The sword of the Lord has been drawn. Follow me, says the Lord, I always win.

**SID:** When we return, heaven will be released. I know you're ready.

*We now return to **It's Supernatural.***

**SID:** Okay, Kevin and Kathi, I promised the people that you would pray for the baptism in the Holy spirit, releasing tongues. And you would pray for the impartation of the Holy Fire. And I'm going to turn you loose. Go for it.

At home, and here I want you to know, and here, I can tell if you're not participating and I may walk right up to you, right in your face. At home, you don't know how the supernatural works. Go ahead.

**KATHI:** Okay. Okay. So let's just all pray together and there's also going to be people on TV. Everybody who ever watches this show, pray along with us. Just raise your hands—

**SID:** Hey, now I'll repeat after them. And you say it with me as I repeat it.

**KATHI:** Okay. The bottom line is just like Jesus has already died, the Holy Spirit has already come. So, it's like a Christmas present, he just wants us to receive. And so Father, we thank you for sending the Holy spirit.

**SID:** We thank you for sending the Holy Spirit, Father.

**KATHI:** and we thank you, Jesus for dying and making a way

**SID:** we thank you, Jesus for dying and making a way.

**KATHI:** And so Lord we receive

**SID:** And so Lord, we receive

**KATHI:** The Holy Ghost

**SID:** The Holy Ghost

**KATHI:** with evidence of speaking in tongues.

**SID:** with evidence of speaking in tongues

**KATHI:** And now I'm going to pray for you. Lord, I pray for my brothers and sisters, Lord, that you release their tongue and fill them to overflowing with the Holy ghost and with fire in Jesus' name and just a simple instruction. It says in Acts 2:4, they began to speak as the spirit gave them utterance. So it's a partnership, just like a baby who learns how to talk. He has to open, he or she has to open his mouth. So let's all pray together. [foreign language]. And if you've never spoken, just make a sound. [foreign language] Thank you Father, thank you Lord. [foreign language].

**SID:** I want you to pray for the baptism of the Holy Fire. Fire! Fire!

**KEVIN:** In the name of Jesus. I thank you that you came to baptize in the spirit and with fire. And I thank you that the same fire that's burning right before you right now at the altar, the same fire that's on the sapphire floor. The same fire that's lighting up the seraphim's wings, right now—

**KATHI:** Yes.

**KEVIN:** We receive that fire in the name of Jesus. Fire!

**KATHI:** Hallelujah. Thank you, Father.

**KEVIN:** Fire! Receive the fire.

**KATHI:** [foreign language]

**KEVIN:** [foreign language]

This is permanent. This is a fire that does not go out, says the Lord. Receive the fire. Yield to the fire. This is the beginning of your life, where you end and I begin says the Lord. It begins with fire.

**KATHI:** Yes. The Holy Ghost fire—

**KEVIN:** Yield to the fire. I have this scroll in my hand that is written about you. I'm opening it. It's a good report. It's one that you will succeed and you will prosper everything you put your hand to do. The Lord said I have plans for you.

**KATHI:** Yes.

**KEVIN:** They're good plans. Plans for you to prosper, and fire is your friend.

**KATHI:** Yes. Embrace the fire.

**KEVIN:** Jesus, thank you.

**KATHI:** Thank you, Father—
