

Dear Mishpochah (Family) by Sid Roth

*I feel my ministry is just beginning at 80.*  
**The Best is Yet to Come!**

**T**he year of Jubilee begins on Yom Kippur,

the Day of Atonement by blowing a shofar (Leviticus 25:9). Jubilee is a time of restoration of what has been stolen and is rightfully yours. There are many promises in the Bible proclaiming what is rightfully ours, but many have not yet been fulfilled in our lives—promises about family, health, finances, job or ministry. I believe this is the year that marks the beginning of the Greater Glory. And when the Greater Glory manifests fully, it will activate all the promises of God instantly!

This month is not only Yom Kippur, but it is also my personal Greater Glory Jubilee. Why do I say this? On September 7th, I celebrate my 80th birthday. At age 30 I experienced God's Glory for the first time in my life. So fast forward 50 years (Jubilee is every 50 years), and my Jubilee begins at age 80! Just as I expect this to be my year of restoration, I am believing this will be **your** Jubilee also! This is the year of the beginning of Global Glory.

At age 30, God's Glory came into the room of a broken, demonized Jewish man who had given up on the will to live. I didn't want to die, but life was too difficult. I prayed a desperate, two-word prayer, "Jesus Help!" The next morning, I woke up to my first experience with the Glory of God. In this Glory, I knew Jesus was my Messiah. I was set free from demons

and heard God's audible voice. He said, "I hate divorce. Return to your wife and daughter." We had been separated for a year. My family was restored, and Joy and I celebrated our 53rd wedding anniversary this year. In one moment, God's tangible Glory accomplished what was impossible for man.

God has been so good to me! If you want to celebrate with me, please consider blessing our ministry with a Jubilee gift.

**Everything is about to change in the world. And it's not the result of the devil's coronavirus. God is about to trump the devil with His GLOBAL GLORY!**

Moses led Jewish slaves to freedom at age 80! And let me remind you, he lived to 120. He would have lived longer but God took him because of disobedience. Why did he live to 120 in perfect health? He lived in the Glory!

**I too, feel as if my ministry is just starting at 80.** My ministry is to lead the Jewish people into freedom as a seed to reach the whole world for Messiah. Jews and Gentiles need to have an experiential knowledge of God. But Christianity needs restoration too—not Jewish roots, but heavenly roots. The last great battle will be flesh versus spirit.

God has given us the crown jewel of last days evangelism. Through our Middle East TV Network, we not only can bring the Greater Glory into every TV-equipped home in Israel, we also reach the entire Middle East and beyond. Our "footprint" reaches a potential audience of half a billion people. And our *It's Supernatural!* Network (ISN) is available free on

smart phones, computers and other many other devices worldwide! God has much to say about our media "footprint." He said to my ancestors, the Jewish people, in Deuteronomy 11:24, "Every place where the soles of your feet tread will be yours" (MEV). Imagine what will happen to unsaved Jews, Gentiles and backslidden Christians when the Global Glory invades their homes through our two networks!

**Everything is about to change in the world.** And it's not the result of the devil's coronavirus. God is about to trump the devil with His GLOBAL GLORY! For my birthday, consider giving God (not me) a Jubilee present. He has already provided all my needs. All I want is more of Him. So direct all your gifts to the salvation of Israel to reach the world! At 80 I am hungrier for God now more than ever! This I know for myself, my ministry and those who hunger like me for more: **The best is yet to come! It will all be new! This is our year of Jubilee! This is the beginning of Global Glory.** ✨

## The Harbinger II The Time Has Come

by Rabbi Jonathan Cahn

# The nation under judgment is given a window of time to come back to God.

**W**e've never experienced anything like what we're seeing now. Everything from a plague to an economic collapse to the breakdown of society, the lockdown and paralysis of our nation—is all happening at the same time! Could it all be part of an ancient biblical mystery that not only reveals what's happening, but pinpointed the time when it would all come to pass—and what lies ahead?

When I wrote *The Harbinger*, I opened up the biblical mystery of national judgment that manifested in the last days of ancient Israel and is now eerily replaying itself on American soil—warning of coming judgment. But I knew then that *The Harbinger* wasn't the end of the mystery—only the beginning. And I knew the time would come when I was to write the sequel, but I held off. The time has now come.

As the year approached, I was led by the Lord that 2020 would be a year of great shaking and it would be a continuation of the mystery revealed in *The Harbinger*, and that I had to begin writing the sequel. Thus, as I introduced the first book on Sid Roth's *It's Supernatural!*, it is now time to introduce *The Harbinger II: The Return*.

*The Harbinger II* reveals what couldn't be revealed in *The Harbinger*, the even larger mystery behind what began on 9/11 and is affecting our lives to this day. It also reveals the progression of the template, the signs and harbingers that have manifested up to this very day. And it opens up the biblical secret behind the shakings that have overtaken America at this very hour,

where it is all leading, and what each of us must know for the days ahead.

**The biblical template of judgment begins when the nation that has known God, falls from His ways, and now wars against Him.** Warning is given. Its hedge of protection is removed. An enemy makes a strike. It all began in America on September 11, 2001. From that day forward, the nine harbingers of judgment that appeared to ancient Israel in its last days before destruction, have now appeared on American soil. Some manifested in New York City, some in Washington, D.C., some involved ceremonies, some involved leaders, even the president of the United States. But that's just the beginning.

The template of judgment then advances. The nation under judgment is given a window of time to come back to God—for repentance, return, revival. In the case of ancient Israel, the nation didn't turn back, but turned all the more against the ways

If there's going to be a return, a turning to God in prayer and humbling and seeking and repentance, now is the time.

of God. The window ended, and then came judgment and national destruction. Since *The Harbinger* was released in 2012, America has continued to follow in the ancient template, turning all the more brazenly against the ways of God.

Since then, the signs and manifestations have continued and even new harbingers have appeared, warning that we are now at an even more dangerous moment. One of the mysteries in *The Harbinger II* reveals the timespan given between the first shaking and the year when greater shakings begin. It points to the 19th year. Starting from the first shaking on

9/11, the year when the greater shakings begin is 2020—the very year when the mystery has resumed.

*The Harbinger II* takes up where *The Harbinger* leaves off, revealing the mystery in prophetic form between the man known as Nouriel and the figure called “the prophet.” Here's a brief excerpt:

“Do you remember the scripture,” the prophet said, “that was joined to the ground of consecration, the word God gave Solomon to answer the prayers he had prayed at the dedication of the Temple?”

“Yes, the word appointed for the nation that had turned from God and suffered calamity, the calling to a fallen and wounded nation: *If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land*” (2 Chronicles 7:14 NKJV).

“It's the scripture of return,” he said. “And it is now all the more critical. If there is to be national revival, healing, and restoration, then it must come this way, through humbling, through prayer, through the seeking of God's presence, through the turning away from sin, from all that wars against the will of God, through repentance and return. And the promise is that if this is done, God will hear that nation's prayers, forgive its sins, and heal its land.”

“It hasn't yet come.”  
“Do you know what leads up to that specific verse and promise?”  
“No.”

“The verse before it. And do you know what that verse says?”  
“No.”

“It says this:  
*When I shut up heaven and there is no rain, or command*

*the locusts to devour the land, or send pestilence among My people, if My people who are called by My name will humble themselves...* (2 Chronicles 7:13-14, emphasis added).

“The last thing, the last event specified before that promise is the coming of a pestilence on the land, a plague, a pandemic.”

“The virus...”  
“What leads up to the humbling, the praying, the seeking, the repentance, and the healing of the land...is a plague.”

“Why is that?”  
“Because shaking is often the only thing that wakes us up and causes us to turn back to God... not only for individuals but for nations and civilizations, especially those who have deafened their ears to His voice.”

The prophet said, “The harbingers warn of coming judgment. They cry out that now is the time... and there may not be another. If there's

Even now, His arms are open, and His heart longs to have mercy... to all who will come.

going to be a return, a turning to God in prayer and humbling and seeking and repentance, now is the time.”

“And He would still hear from heaven and forgive their sin and heal their land, even now?”  
“Even with all that's been done against Him, even now...even to a nation and all who have warred against Him...His arms are open, and His heart longs to have mercy...to all

who will come.”

“And judgment?”

“The necessity remains. And without a return, it must come. And, thus again, the time is critical...and the hour, late.”

“So then, what is it that lies ahead? Calamity and judgment or

revival and restoration?”

“If America does not return, it will pass the point of no return. And America's light will be removed. But if it will return, then calamity may be averted, and revival may come.”

I believe the reason that *The Harbinger II* had to come out this year is that the days are most critical, the shakings are not finished, and the time is late. We are standing at a most dangerous hour. Will it bring calamity or redemption—or both? Time will tell. Until then the trumpet must sound. *The Harbinger II* is thus the sounding of the trumpet. Let the one who has ears to hear, hear... and prepare. ✨

## Prepare to be blown away...

Is the shaking that has come upon the world a sign, a judgment, or a warning of things to come? Could the global pandemic, 9/11, the financial collapse, and other shakings all be joined together as part of an ancient mystery? Is that ancient mystery determining the events of our time, and does it reveal the secret of our future? And what does it reveal about judgment and how much time we have left?

Jonathan Cahn's *The Harbinger* caused a worldwide stir when it was released in 2012. *The Harbinger II: The Return* goes even further and reveals what **could not be revealed** until now...
