

Hello, Sid Roth here. Welcome to my world where it's naturally, supernatural. Could the biblical key of David open the doors of blessings and miracles in your own life as well as revelation, wisdom and prophetic perception of your times and seasons? My guest James Goll, says, "Yes."

*Sid Roth has spent over 40 years researching the strange world of the supernatural. Join Sid for this edition of **It's Supernatural!***

SID: Welcome, [speaking Hebrew], that's Hebrew for the Holy Spirit. Welcome [speaking Hebrew], wind of the Spirit, have miracles happen, signs and wonders, change lives. Take over.

SID: My guest, James Goll is known as a prophetic statesman. I can tell you on a personal basis because he's prophesied to me. He's one of the most accurate prophets I know.

JAMES: Yes.

SID: Now I have to ask you this question.

JAMES: Yeah. Okay.

SID: What is the greatest end-time prophetic event in the last 100 years?

JAMES: In the last 100 years, I believe the birth of the nation of Israel is the greatest prophecy that has happened. Imagine the Bible says that Israel, that Jewish people would be scattered to the four corners of the earth. The fulfillment of this has happened in our lifetime and it has happened in the last 100 years.

SID: James, I've been saying, if you mix up your belief on the nation of Israel, on the physical Jewish people, you will totally be askew in understanding end-times events. Even worse, I'll go a step further, I believe you'll go into heresy in a lot of areas if you're wrong on the most important prophetic event by God Himself in the last 100 years.

JAMES: That's exactly right. This is recorded in the three different Gospels about the second coming of the Messiah, because they missed the first coming and believers could even miss the second coming because we've got to teach this right. We have got to teach that Israel is still the apple of God's eye and we must align with what God's Word says and said. This concerns me because the church has not replaced Israel in God's heart.

SID: Well, why do so many Christians believe that?

JAMES: Oh boy, that's a big one isn't it, Sid? And it really concerns me. I think a lot of it is spiritual warfare issues because if we can displace Israel and just see it all just as spiritual issues and it's not literal, then if we can say that all of these prophecies just like the rebirth of the nation of Israel and the Jewish people being regathered, and that's all just spiritual and we don't see it as literal, then what are we going to do with all of these other prophecies? And then we're just going to, "Huh." Go, "Well, then those aren't relevant either." And so then we just smear it all up and we just act like, "Huh, these aren't relevant either." I think a lot of this is spiritual warfare. It's

spirits of antisemitism. It's a demonic plot of antichrist. Sid, this is a plot of a spirit of antichrist and antisemitism, and it comes against and upon much of the church.

SID: And James believes the biblical key of David opens up doors of revelation and prophetic perception of our times and seasons. James, explain.

JAMES: Man, I want to be a constant learner. I remember when I was in worship and we were in process of actually, "Lord, we know there's a transition for us and we know that there's something more for us. And maybe do you want us to move to this place called Nashville, Tennessee." We were hosting a conference in Nashville and in a vision, I saw a star of David and I saw a Scripture that was written in the middle of it. It was this Scripture in Zechariah and I peered into it. I didn't know what it was. I had to look it up. And when I looked it up, it is a reference that Israel is the apple of God's eye. And then I had to ponder, "Well, what does this mean? The apple of God's eye."

JAMES: And the apple or the word is pupil of God's eye. The pupil is the place where we get sight or insight. If we do not see that Israel is the pupil, the pupil, the place where you get sight or insight, then when Israel is no longer the apple of God's eye, then it's like we are poking God in His eye. And folks, if you want to have insight into God's end-time understandings, then Israel is the apple of God's eye. And when you put Israel in its right place, then the opposite is true. You will have prophetic understanding in God's Word that Israel is the apple of God's eye.

SID: Briefly, tell me about the Israel awakening angel.

JAMES: Well, I was ministering on Long Island with a son in the faith of mine, Matt Sorger. I was living in Nashville and I kept hearing this word, "The winds are coming. The winds are coming. The winds are coming." And so I got on a plane and the winds came and we landed. I landed in Baltimore and then the winds came and the airports got shut down, all up and down the East Coast. So all the airports did, so I couldn't even make it to Long Island. I had to stay all night in Baltimore and then the winds died down and I made it. Then finally I was supposed to start the conference but I ended up making it for the last night. Then I thought, "Well, the winds came."

JAMES: Then I'm in the conference the last night. And the Holy Spirit whispers to me says, "The winds are coming." And I go, "What do you mean? The winds already came." I'm in the worship. I feel a wind blow across my face. I open up my eyes. I'm looking around for the air vents. I don't see any air vents. I don't feel any air from air vents. I go back into worship. Words of knowledge Sid, seven distinct words of knowledge start flooding my being. I write them all down in my journal. And then I close my eyes. I'm back in worship. I feel this wind come across me.

JAMES: I open up my eyes and there's an angel that has entered the room and it's standing right in front of me. I'm illuminated by Hebrews 1:4 and 17, that the angels of God are the winds of God and flames of fire. This angel now is right in front of me, hovering, blowing a shofar in my face with a sash across its shoulder to its waist. And you want to know what it said on the sash?

SID: Absolutely.

JAMES: It said, "Israel awakening."

SID: The greatest blessing for a Jewish person is knowing the Messiah of Israel. One God, the God of Abraham, Isaac, and Jacob. That is His name according to Torah, forever. One Messiah, the Jew, Jesus. I want you to partner with us to plant seed for the greatest Jewish revival in history. We have Project 77 where you send in \$77 or multiples thereof. Would you believe we have then mailed because of your generosity, 2.2 million of my Jewish testimony books to Jewish households in North America, and 1,000,000, get this, have received it in Russia and Ukraine.

SID: I want you to ponder this. Romans 10:14-15 says, "But how can they," that's the Jewish people, "call on Him to save them unless they believe in Him. And how can they believe in Him if they've never heard about Him, and how can they hear about Him unless someone tells them? And how will anyone go and tell them without being sent." When we return, James will talk about how salvation of the Jewish people will trigger the last great awakening.

*We now return to **It's Supernatural**.*

SID: James, how will the salvation of Israel trigger the last great awakening?

JAMES: Hey, let's read Romans 11.

SID: I wish every believer wanted to read Romans 11.

JAMES: Yes, because that's what it says. "And the Gospel must go to the Jew first." Oh, that's a missing piece, is it not? And here's something.

SID: Most people think when Paul said that, he was talking only about the historical order.

JAMES: Yes.

SID: It was the historical order.

JAMES: It was.

SID: But it was more is what you'd say.

JAMES: And we must return to the apostolic order of the Gospel. And as we do, we will return to apostolic results. In the book, I talk about the gentle, the rude and the great awakening. And it is similar to what is written in Jeremiah 16 and in Jeremiah 23, about the fishers and the hunters.

But in the gentle, the rude, and the great awakening, there is the wooing of God and then there can also be these, the hunters, these intense times but it is all used together unto the greatest awakening that the world has ever seen, that the church has ever seen, but that Israel has ever seen. And right now I would say perhaps of what is going on in part, even in the Ukraine, it is rude. It is terrible. It is awful and yet at the same time could there be some redemptive purposes of God that are happening? Because in part, I believe that there are some Jewish people that are making aliyah into Israel. Is that not right, Sid?

SID: Israel is expecting up to a 100,000.

JAMES: 100,000.

SID: Ukrainian Jews.

JAMES: Jews.

SID: To go there. But you know what's going on simultaneously? In the former Soviet Union, things are getting worse. Guess what the Jews will start doing there?

JAMES: Yes.

SID: Go to Israel.

JAMES: Go to Israel where it is actually safer than where it will be in the biblical land of the north just as the Bible says.

SID: James, you have so much revelation in this book that you have, this new book, but I need you to tell people because they've never heard this before. Did you know that the most significant moves of God's Spirit in the history of the church are absolutely tied in with the most specific major events in the history of Israel?

JAMES: Absolutely.

SID: Tell me a few of them.

JAMES: Absolutely. You can do a parallelism right here. So the birth of the nation of Israel in 1948.

SID: Right.

JAMES: So here we have the Latter Rain movement and the healing and deliverance movements of the Holy Spirit. How about in 1967 and that war that takes place in Israel? What happens then? The birth of the charismatic movement and then the Jesus People Movement and let's not forget there were three moves of the Holy Spirit. The Messianic movement was birthed. All three in that period of time, in 1967, 1973. There is another war that happens and we have another move of the Holy Spirit that happens at the same time. And then so we can follow all of

these major wars that happened in Israel. There is either land that is taken or a territory that expands in the nation of Israel. And we can bring it even on up to today. And so I just want to say whenever there is warfare, bloodshed in Israel in a major way, there is expansion, a move of the Holy Spirit that takes place in the Body of Christ.

SID: You know what, if it was a blessing the Jewish people rejected their Messiah.

JAMES: Yeah.

SID: How much greater blessing when they receive their Messiah, it'll birth life from the dead.

JAMES: And the last chapter of this book, The Mystery of Israel and the Middle East, I have, oh my goodness. I've waited for years Sid, to address this subject. I prayed and I've waited because the mystery, the solution, the answer does not come by man. The answer is the great hope. The answer is the second coming of the Messiah. The answer is Yeshua, the answer is Jesus Christ Himself. And in fact there seems to be Scriptures that indicate that the Jewish people en masse turn to the Messiah, Jesus as their Messiah, when they return in fullness to the land. Then the blinders come off and they see, Jesus is Lord. Jesus is the Messiah. We believe there is a great awakening. We believe there is a glory awakening that we are right at the threshold of.

SID: There are many of you that have been viewing me for a while and you're on the fence. You're on the fence about the Bible. You're on the fence about the Messiah.

JAMES: Yeah.

SID: I want to lead you in a prayer and I want you to pray this out loud.

JAMES: That's right.

SID: I want you to have everything God has for you. It's time to get off of the fence.

JAMES: That's right.

SID: It's time to be the man and the woman, and the boy and the girl that God has created you to be.

JAMES: And Sid, it's time to do more than only say comfort ye, comfort ye my people, because true comfort doesn't only come, and we believe in humanitarian aid, but true comfort comes by pronouncing the Good News of the Lord Jesus Christ.

SID: And I pronounce that to you right now. Repeat this prayer after me. Believe it to the best of your ability.

SID: Dear God.

Audience: Dear God.

SID: I'm a sinner.

Audience: I'm a sinner.

SID: And I'm so sorry.

Audience: And I'm so sorry.

SID: I believe.

Audience: I believe.

SID: The blood of Jesus.

Audience: The blood of Jesus.

SID: Washes away my sins.

Audience: Washes away my sins.

SID: And I am clean.

Audience: And I am clean.

SID: And now that I'm clean.

Audience: And now that I'm clean.

SID: I ask the Messiah of Israel.

Audience: I ask the Messiah of Israel.

SID: Jesus.

Audience: Jesus.

SID: To come and live inside of me.

Audience: To come and live inside of me.

SID: Thank you for paying the price for my sins.

Audience: Thank you for paying the price for my sins.

SID: I now make you Lord of my life.

Audience: I now make you Lord of my life.

SID: I want to know you.

Audience: I want to know you.

SID: I want to have my own experience with you.

Audience: I want to have my own experience with you.

SID: Amen.

Audience: Amen.

SID: James, your last word.

JAMES: The Holy Spirit wants to heal your hearts right now. No matter your background, no matter your age, no matter what you've been through, God, Jesus has come to heal the broken hearted and to set at liberty those who are bruised. And I bless you right now. May the Lord, God Almighty bless you. May the Lord bless you and keep you. May the Lord make His face shine upon you. May the Lord make His countenance arise upon you and may the Lord give you His Shalom. In Yeshua's mighty name, amen and amen.

SID: Next week on *It's Supernatural!*

James Woodford was never a religious man. Concerning God, he was ambivalent. But one day in the hospital, he died. Clinically dead for more than 11 hours. Jim's consciousness was transported to the afterlife. He witnessed firsthand the horrors of hell and then the beauty and the glory and the splendor of Heaven. When he came back he was changed forever.
