

# Pray and proclaim out loud with me daily: All Israel will be saved! (Romans 11:26)

I have always wondered about the difference between the biblical meaning of “hope” and “faith.” The Bible says we need both. **HOPE** is best defined in Hebrews 6:19 (Amp): *This HOPE [Greek: a desire accompanied by **confident expectation**] we have as an anchor of the soul [it cannot slip and it cannot break down under whatever pressure bears upon it].*

**FAITH** is best defined in Hebrews 11:1 (Amp): *FAITH is the assurance (title deed, confirmation) of things hoped for (divinely guaranteed), and the EVIDENCE of things NOT SEEN [the conviction of their reality—faith comprehends AS FACT what cannot be experienced by the physical senses].*

Without a desire accompanied by a confident expectation of **hope**, it is impossible to believe God’s promise for biblical **faith** to manifest. You transfer from biblical hope to biblical faith by counting God’s promise as a fact in your heart before any natural evidence appears! In other words, by meditating on God’s promises, your hope becomes faith!

**The best illustration of this is the nation of Israel.** God promised the Jewish people in the Scriptures that we would be regathered to Zion, Israel and/or Jerusalem **from the four corners of the earth.** (See Isaiah 11:12, Jeremiah 31:10 and many more.)

Can you picture the scene described in this psalm written by Jeremiah? In the midst of captivity

and torment, the Jewish people were determined never to forget Jerusalem. *Weeping, we sat beside the rivers of Babylon [or the nations] thinking of Jerusalem. We have put away our lyres [harps], hanging them upon the branches of the willow trees, for how can we sing? Yet our captors, our tormentors, demand that we sing for them the happy songs of Zion! If I forget you, O Jerusalem, let my right hand forget its skill upon the harp. If I fail to love her more than my **highest joy**, let me never sing again (Psalm 137:1-6 TLB).*

For thousands of years, Jews and then Christians prayed for the restoration of Jerusalem and Israel with **supernatural hope**. They had a confident expectation this would come to pass. Due to this supernatural hope and prayer, many slipped into biblical faith. The promises of a Jewish nation, of Zion/ Jerusalem/Israel, caused them to sacrifice all—even their lives—to see this happen. In 1948 Israel was born in a day as Isaiah prophesied! And in 1967 Jerusalem came back into Jewish possession for the first time in 2,000 years as Jesus prophesied.

**Someone had to have supernatural HOPE that passed to supernatural FAITH that resulted in the birth of Israel as a Jewish nation for all the world to see!**

The most poignant expression of the yearning for the reestablishment of the modern nation of Israel is the

Israeli national anthem, *Ha Tikvah*, “The Hope.” This song was originally penned as a poem by a Polish Jew in 1878 and sung since 1887!

“As long as in the heart, within, A Jewish soul still yearns, And onward, towards the ends of the east, An eye still looks toward Zion; Our hope is not yet lost, The hope of two thousand years, To be a free nation in our land, The land of Zion and Jerusalem.”

And now before our very eyes we are seeing the biblical prophecies about Israel being fulfilled in precise detail. This stirs my faith to believe for **every** promise in the Bible!

Your partnership with this ministry is being used to help fulfill Bible prophecy about the salvation of Israel. It’s too late to dissuade me, I know in my “knower” that **all Israel will be saved!** Pray and proclaim out loud with me daily: All Israel will be saved! (Romans 11:26).

The resources we are offering this month by Joshua Giles will cause you to exchange your fear and pessimism about the next decade with **supernatural hope** and then **supernatural faith**. ## Inside Information on the Complete Global Reset!

### A Miracle Unfolds for a Ukrainian Soldier!

In 2014, a company that manufactures uniforms for the Ukrainian army allowed our ministry partner to place Sid’s evangelistic book and a New Testament in the pocket of 6,000 uniforms. During the Russian invasion of Ukraine, a bullet hit a Ukrainian soldier who was carrying the New Testament in the upper pocket of his uniform. He might have died except for the New Testament taking the bullet. The soldier was not a believer in Jesus. Now he is! Shannon Bream of FOX News recently shared this story on her program and mentioned Sid by name.

# The future belongs to those who love God and are called for His purpose.

I have had the rare opportunity to prophesy to heads of state, government leaders and well-known individuals. Throughout my years of ministry, I have found that **God loves communicating with His people**. He desires to connect with us on a personal level. It is hard to fathom the limitless love He has for us!

The future belongs to those who love God and are called for His purpose. The prophetic dimension can propel you ahead and give you the advantage of knowing what to do. For example, knowing about the coming global reset will allow God's people to remain optimistic and show them how to navigate unfolding events with "inside" information. Everything I prophesy has a redemptive side!

Before we look at prophetic words that have yet to be fulfilled, I will first take you back in time to three very timely and uncanny prophecies that the Lord gave me. I spoke them publicly at my church in Minnesota, with several hundred members in attendance. They are well documented and recorded.

## Rare Virus (December 2015)

"I see a new strain of a virus that will come. It's so rare that the doctors won't know what it is.... At first some doctors and others will say, 'Is it the flu or not?' .... I hear them saying it's mimicking other viruses and diseases. God says it's going to be so rare, that they will have two tests to verify what it is. It will target the breathing and the respiratory system. God says that we must pray now and cover the immune systems of ourselves and family members!"

## Major disruption, powers shifting, financial collapse, beginning of Global Reset (September 2019)

The Lord says, "You will need

wisdom to navigate the times that are ahead. For the times and season are beginning to change." And the Lord says, "You will see great powers shift among you....

That's why I am releasing another dimension and dispensations of My spiritual gifts," says God. "My gifts are being poured out on My people in a greater measure. For there will be need of them, and you will be needed in the times that are ahead."

I hear and see a collapse in the Spirit, and the Lord says, "As we step over into 2020, it shall mark a day and a time of a collapse. Not just in America, but the world! For prophets have prophesied that it shall come, and prophets have said that it would happen. You will see a domino effect go throughout the world. It will start in the financial industries, and it will hit every system," says God. "This will be the beginning of a global reset."

## Global Reset—further words (December 2019)

"Tell the people that you are about to see a global reset in the world." He said that the reset would hit every industry, system and aspect of society. In that prophecy, the Holy Spirit said that 2020 would mark the beginning of a period of collapse in the world and a global economic decline. Every system would be reset. And then we would see a resurgence.

Looking back on 2020, it is clear that it was the year that changed the world. Covid-19 was a major disruptor of society. That virus was the transportation bringing us into a new epoch in the world. By the leading of the Spirit, I shared that word concerning a global reset for many months to thousands

of people both in church services and online. God had given me that phrase, a *global reset*, before it became commonplace to use it.

I am sharing these three previous prophetic words to let you know that nothing—and I mean absolutely nothing—catches God by

surprise. God is amazing and full of compassion toward us, that He would send us accurate words to help us navigate the future.

And speaking of the future, here are some of the words God has shown me of things yet to come...

## A new social media platform will mark the dawn of a new period in social media:

It will rise above Facebook, Twitter, Instagram and the popular platforms that we currently see. At the onset, this new platform will be very controversial.

People will be concerned about its governance and regulations. Nonetheless, it will grow rapidly. Young people will mobilize around it. Its emphasis, however, will not be on following people, as much as it will be on gaining access to people's information. Individuals will be able to sell and monetize their own data.

**New creative Christian media far beyond what I've seen:** I heard the Lord speak to me that Christian television and

media will surge in this new era. New Christian programming and presentations will come forth that will be ideas from God designed to reach a generation of those who are unchurched. Using the skillful creativity of multimedia graphics, cinematography and state-of-the-art production, movies and shows will be created that reach people right where they are with the message of the Gospel. Yes, we have seen Christian movies and shows for many decades, but God is speaking of a surge that goes far beyond the things that we have seen.... God is raising up prophetic media forerunners who will embark on a new journey and pave the way for a new age of Christian media.

**Rising Generations:** "You will see My outpouring come upon Millennials and Gen Z'ers. They will be highlighted in the days ahead to be carriers of My glory. Many of them will prophesy accurately and carry a depth of My Spirit that the world has not yet seen.

Some will ask, 'Have the days of Smith Wigglesworth and Aimee McPherson returned?' No, this is not that day. This is an even greater day, where I will raise up a people that had no name and place My name upon them. And they shall carry the fire of My Spirit that will not be quenched."

**An Esther will arise:** "At the time of Israel's greatest crisis in the coming years, an Esther will arise. She will come out of obscurity. People will ask, 'Where did she come from?' I have sent her and anointed her to impact the destiny of the nation. She will break barriers and tradition, and she will arise to the highest office of the land. Yes! A woman will stand in the office of Prime Minister in Israel. And she will be raised up to save a people from great calamity."

## Israeli advances in technology, weaponry, defense and medicine:

Israel will develop new types of defense systems in warfare. In addition, the Lord showed me a vision of a lab in Israel where they will be developing cures for some of the rarest forms of cancer. And in the years to come, cancer will almost become a thing of the past. With a simple pill, cancer will diminish. Israel will be key to this medical advancement.

**Conclusion:** In this new era we have entered, God is doing a new thing. It is imperative that you are sensitive to the moving of the Holy Spirit and what He is intending to birth through you. He already has your future mapped out. You simply have to trust Him so you can walk in the fullness of His plan and purpose for your life. ✨
