

*Hello. Sid Roth here. Welcome to my world where it's naturally supernatural. My guest was personally taught by Jesus how to operate in the glorious glory, to teach you how to be completely free. You see, the glorious glory, deliverance, freedom that she teaches, it's totally different than most have ever seen or even been taught, next.*

*Sid Roth has spent over 40 years researching the strange world of the supernatural. Join Sid for this edition of **It's Supernatural!***

**SID:** Now, my guess, Kathy DeGraw was in ministry and didn't know anything about the demonic. Then she spent two years of her life prostrate on the floor and the Holy Spirit taught her how the demonic operated and how to get herself and others totally free. I don't mean just free, I mean totally free.

Kathy, we yield this show to the Holy Spirit.

**KATHY:** Amen.

**SID:** And I tell you, Holy Spirit, you are free to use us and to show the world there is a living God who sent a living Messiah and has a living Holy Spirit.

**KATHY:** Yes.

**SID:** To help us. We need help, Lord.

**KATHY:** Yes.

**SID:** Amen. Kathy, how did your deliverance ministry actually start?

**KATHY:** Well, my husband and I were young in ministry and we started experiencing demonic attacks when we knew nothing about demons. We knew nothing about spiritual warfare, deliverance, we saw paranormal activity, we were up against Jezebel spirits. People were doing witchcraft and curses over a bonfire with our name on it, and we heard music coming from our own home, the air ducts, when there was no music being played. We were thrown into what I call spiritual warfare bootcamp on all sides. It was just raging.

I remember my husband during this time, we knew nothing about demons and he prophesied and he said, "Kathy, we're going to be in deliverance ministry someday."

I said, "No, I'm going to be in healing. You're going to be in deliverance," and now God got a hold of me. What happened out of that time, Sid, is we left that church appointment and I went and I spent two years of my life just prostrate on my living room carpet, just seeking Jesus. I wanted to know Jesus. Who is he? What are his characteristics? What could he mean in my life? I just wanted to know him. I had the greatest team of three mentors, me, Father God, Jesus His Son, and Holy Ghost. I just laid prostrate. I went to church. I read every book. I studied the scripture, had vision after vision encounter after encounter, and the Lord equipped me. He gave me a

mantle for prophetic, he gave me a mantle for deliverance when I just wanted Him. I just like, "Lord, I want you."

Out of that time, at the very end of that time, I went to church one day because I was hungry and I was seeking Him. This girl passed by me and she said, "Do you want to have breakfast tomorrow?"

I said, "Sure." We didn't know each other. She doesn't know why she asked and I don't know why I said yes. She came and we decided that she needed deliverance. I brought her back to my home, never having cast out a demon before, but the Holy Spirit instructed me during that two years, He showed me how to accelerate the process of deliverance and, Sid, she actually had a gun to her head the night before she came to my home. It was the most violent deliverance that I've ever witnessed.

**SID:** If that didn't drive you away from the deliverance ministry, nothing would've.

**KATHY:** You know what I think the Lord does? I think He gives us our hardest the first so it makes everything else look easy because this lady got delivered and not only that, Sid, she went on to do her own deliverance ministry and it made everything else look easy.

**SID:** You know what? You also found out about curses and generational patterns? It started with your own son.

**KATHY:** It did. Our son died twice at birth. They had to resuscitate him and bring him back to life. Every year he would go to the hospital for something abnormal, an emergency thing, spider bites, falling off a chair in a doctor's office, getting stitches, having allergic reactions, abnormal things. Every year for 13 years. But you see at year eight he started declaring that he would pray healing over people. I know that enemy had an assignment on his life and we saw these freak accidents happen year after year. The Lord showed me it was a familiar spirit at work in his life to take him out to come against his destiny. It was coming against his health. But a familiar spirit, Sid, is the same cycles seasons that happen to us that are negative, even how we sometimes can't get financially ahead or we get relationships that reject us and reject us and reject us, and health ailments that you get healed of one thing and another thing comes. But we had to remove that from my son and we did it as simple.

Our listeners today can do the same thing. They can do it this simple. We identified the curse and then we broke the curse by just saying, "Familiar spirits leave in Jesus' name. I bind and restrict you. I command you're not going to come against my health anymore," and we came against those spirits of death.

**SID:** Yeah. What happened with your son?

**KATHY:** He is 29 years old and he hasn't been to the hospital ever since we declared those familiar spirits be gone, 15 years without doctor intervention. But our friends here can have the same thing when they identify what negative happening keeps manifesting in your life. Identify

it, partner with the Holy Spirit. That's so important for Him to give you the revelation and speak out into the spiritual atmosphere to break the curse off of their life.

**SID:** Well, Kathy had a visitation with Jesus in which he personally instructed her.

**KATHY:** Mm, hoo.

**SID:** Now you can attract the same glorious glory that follows her wherever she goes, wherever you go. Be right back.

**SID:** Kathy, tell me about your life-changing encounter with Jesus.

**KATHY:** Well, I'm a worshiper and I love worshiping the Lord. I had spent two years prostrate in His presence, but I wanted to know more. I knew there was still more so I cried out for the glory of God to come upon me. For two weeks I cried out for his glory. I was in worship, Sid, and as I'm in worship, I had what I call a Daniel 10 experience. When we look at Daniel 10, he had this encounter and I was worshiping Jesus and my arms were just spread out wide. Then as I did it, my hands started to shake. I'm like, "What is that?"

God's like, "This is my glory. This is my glory." I received the glory of God just came so strong and profound. It took me to my knees, Sid.

I was just like, "Lord, you are here." I was weak. I couldn't even speak. I kept worshiping the Lord. And as I did, Jesus appeared to me, right in front of me, hoo, as I was worshiping. I'm just worshiping and I'm loving on him and I'm pouring everything out I can on him. I just poured out all this oil on his feet in praise. As I did, all this oil got on my hands so Jesus was giving me oil as I was giving him oil. I looked up and I'm like, "I've been in the presence of God. I have this oil." I was just worshiping and worshiping and worshiping and I ended up prostrate on the ground, just shaking in the glory, just loving on the Lord and the Lord being right there.

But what happened after that was even more miraculous is I had been like, "Lord, how can I lay hands on everybody? The prayer lines are going to 2:00, 3:00 in the morning and I want you to get the glory." That encounter, whew, Jesus, changed my ministry.

I feel it right now. I feel it releasing into this room. I feel it releasing and into the people right now. I feel the glory just releasing and that everybody watching, just receive it, just right now. Just receive what He wants to give you. He wants to give you His glory. I feel the fire of God coming on people. I feel arms being healed and backs being healed. I feel new impartation of His glory and intimacy that you would know Him in a new and a profound way.

Oh, Jesus, and Sid as His glory came upon me. I didn't have to lay hands on people anymore. As I started just preaching the word of God, cultivating an atmosphere, the Holy Spirit would just start healing and delivering people in the audience. They would go back to our resource table and tell our assistant, "We just got healed," or they'd message me later and be like, "I got healed just preaching because God's glory did it." That's what we want, they're so important, that's what we need is His glory because then He gets the only glory, amen? We could just be healed in his glory. We won't have to look for a man.

**SID:** Speaking of healing in his glory-

**KATHY:** Jesus.

**SID:** ... the words of knowledge are being released in me right now. I can tell you, I can describe two people that are healed if you'll just check it out. There are people with wrist problems, hand problems, problems bending your fingers.

**KATHY:** Yes, yes, yes. Arthritis, yes.

**SID:** There are also people where have shoulder problems. Let's do this or do this and you'll see that you have been set free.

Kathy, I just found this out. You had 10 days in which you had a visitation of the fire of God that fell on you. Tell me about that.

**KATHY:** I was receiving prayer when I was ordained and I went out in the spirit and the fire of God came, Jesus came right there, baptized me in that fire, and put such a burden in my heart for the gospel and for the people of God. The fire of God stayed on me for 10 days. At the beginning I saw myself being lit up with fire, one as an impartation and two, also as a cleansing, just burning up that flesh but receiving the full impartation of fire and glory. If I touched someone, my hand would be on fire and they could feel. If I got too hot and often it was too hot, I wanted to just take a cold glass of ice water to soothe it because it was so intense with the fire of God.

Then after that, I would just be speaking out like, "Fire of God, apprehend people's enemies," taking authority over the demonic realm, sending forth that fire to burn up every impurity of sickness and disease and spirits of infirmity in people and just releasing that and seeing miracles in backs and knees and rejection and offense and all these different manifestations because of God coming in the fullness and just giving me something I could release to others and it was glorious. Jesus.

**SID:** When we return, I'm going to ask Kathy to pray for you to be totally free in what is called the atmospheric, that's what she's describing.

**KATHY:** Mm-hmm.

**SID:** The atmospheric glory and miracles are going to be released. Be right back.

*We now return to **It's Supernatural**.*

**SID:** Now, in a moment I'm going to turn Kathy loose to pray for your deliverance in the atmosphere of glory, the atmosphere of heaven, but to prepare for that, it is essential that you know God. Look, it's not going to spend if you believe in Him but have never had an actual experience with Him. We're coming into the toughest and the greatest of times. You either know Him or you don't. I want you to say this prayer out loud, wherever you stand with knowing God. You could be someone that doesn't believe in God, doesn't know God, or someone that's going to a church their whole life, but they've never had their own experience with God. Now, I'm not saying you'll get your experience this moment, but many of you will. But what I am saying is this is your first step to have a relationship that no man can take away from you. No one can take this away from you. Repeat out loud after me.

Dear God ...

Audience: Dear God ...

**SID:** I'm so sorry ...

Audience: I'm so sorry ...

**SID:** ... for all the mistakes I've made.

Audience: ... for all the mistakes I've made.

**SID:** I believe your blood ...

Audience: I believe your blood ...

**SID:** ... wash them away.

Audience: ... wash them away.

**SID:** And as your word says ...

Audience: And as your word says ....

**SID:** ... you remember them no more.

Audience: ... you remember them no more.

**SID:** I'm clean.

Audience: I'm clean.

**SID:** And now that I'm clean ...

Audience: And now that I'm clean ...

**SID:** ... Jesus, come and live inside of me.

Audience: ... Jesus, come and live inside of me.

**SID:** Thank you for cleaning me of my sins ...

Audience: Thank you for cleaning me of my sins ...

**SID:** ... and now that I am clean ...

Audience: ... and now that I'm clean ...

**SID:** ... I ask you to dwell inside of me.

Audience: ... I ask you to dwell inside of me.

**SID:** ... Just like in the tabernacle in Israel.

Audience: ... Just like in the tabernacle in Israel.

**SID:** I make you my savior and Lord.

Audience: I make you my savior and Lord.

**SID:** Amen.

Audience: Amen.

**SID:** Kathy, as God shows you, begin to teach or pray.

**KATHY:** I feel God's saying that this is a season of big change, great change, new, fresh wins of revival, but fresh glory for you, a fresh turnaround in your season. This is your breakthrough moment. This is your [foreign language 00:20:12] moment. God is saying, "No more warfare, things are going to cease." He said, "I am thundering on your behalf. I'm getting ready to move and there is going to be great change, prominent change in your life." I see Him saying, "Prominent change in your family line," the salvation that you have prayed for your loved ones is coming to full manifestation. Rebellion is being annihilated and you are going to be surprised by the manifestation of the Lord that you see in your friends and family's life. He says, "Your prayers have not go unheard. I have come because of your prayers, because of you have sought breakthrough." The glory of God is going to come upon you. It's an expansion as far as the east is

from the west. There's new waves of glory. New waves are refreshing. It's corporately and privately. The fire of God is getting ready to apprehend all your enemies. There's going to be no more backlash from the enemy and your prayers are going to go forth and be prophetically assigned and targeted to hit a result and you're going to see a spiritual explosion. I see that right now.

I see fire coming down from heaven and burning up infirmities. I see a burning up financial lack, burning up fear in the name of Yahweh and the name of Yeshua Messiah. I speak and I decree to that fear, to that stress, to that anxiety, to that worry, and I command it to leave and be annihilated by the fire of God. I speak and decree that you have a peaceful, sound, mind full of joy and hope.

I command every spirit of rejection to leave you in that name of Jesus Christ. You have been accepted by Father God. Jesus loves you. He accepts you. Your identity is in him and not in the world.

I hear the Lord saying He is doing a new thing. He is doing a new thing. He is writing new marching orders on your behalf. New blueprints of heaven are being released. You are getting new prophetic assignments. I see the word entrepreneurship. God's glory is getting releasing things in your life. It's releasing things in your life.

What you have to do is you have to open your heart. You have to open your soul. You have to get in the presence of the Lord, allow the Holy Spirit to convict you, allow Him to co-labor, to be your teacher, your guide, your instructor, your confidant, and your friend. As you do, you are going to see explosions in the spiritual atmosphere. In Jesus' name. We call this forth, the full manifestation. Amen, hallelujah, glory. Jesus. Jesus. Jesus.

**SID:** I don't know about any of you. I don't know about you or you, but I felt God's presence on that prophetic word.

**KATHY:** Jesus.

**SID:** I believe those words came from the throne of God. I believe if two or agree touching any one of those words-

**KATHY:** Whoo, yes, hallelujah.

**SID:** It is finished. I want you, I agree with you at home and I agree with you in the audience, so you and I are two, we agree in you Yeshua's name. Those words will manifest in our life.

**KATHY:** Come to pass.

**SID:** Now, Kathy, we're out of time. But I want Kathy to continue teaching and praying for an impartation of the glorious glory and also pray deliverance for you in the atmosphere of heaven. This is so important. Please go right now to [sidroth.org/Kathy](http://sidroth.org/Kathy) for her special glory impartation and supernatural freedom prayer. Do that right now.
