

*Welcome to our world where it's naturally supernatural. My name is Larry Sparks. I will be your host today on It's Supernatural, and my guest, a proven international prophet, hears from God and documents the prophecies. He previously published Ahead of Time about the pandemic, the Russia-Ukraine war, and now God has shown him the imminent unprecedented future for the world and how to prepare. Next.*

**LARRY:** Well, welcome to It's Supernatural. I am here with prophet Bobby Conner. You have been in ministry for 53 years.

**BOBBY:** 53.

**LARRY:** Ministering like five times a week for the most part over those 53 years.

**BOBBY:** All 53 years, yeah.

**LARRY:** Here's what I know about you, sir, is that you are a times and seasons prophet. In the Bible, it talks about the tribe of Issachar. Yeah. And it says, "They knew what time it was in the spirit, but also they knew what to do," yeah. And I believe what's going to happen today, Bobby, as you share what the Holy Spirit has been revealing to you, not only are you going to let people know what's happening, how to prepare, but how to partner with the activity and the movement of the Spirit. Because I'll tell you one thing about your testimony that I know, is naturally you should not be here sitting at this table.

**BOBBY:** That's correct.

**LARRY:** What happened when you were in the womb? Because correct me if I'm wrong, you had an encounter with God that you're aware of that when you were in your mother's womb.

**BOBBY:** Okay. I'm in my mother's womb. This is 1943. My dad was 37 years old and he's a six foot six handsome looking fella, but he slept with strange women, caught a venereal disease, he's dying as a lunatic in an insane asylum. And so the doctors converse with my mother and tell her the baby inside her belly will be afflicted with the same disease killing his father. So my mother was desperate. She already had two children, one of them born crippled, my brother Glenn, and so here's what my mother did.

She was desperate. She wasn't doing it out of malice and meanness, she thought she was doing it out of mercy. She didn't want me to wither away like my dad. So she takes a coat hanger, turns it into hook, and inserted it into her womb, so help me God, the hand of the Lord came and pushed me aside, kept my mother from extracting my life out of her body.

I told my wife about it before my mother ever told me. My wife Carolyn, said, "Bobby, nobody could know what happened to him when these a fetus."

I said, "Me and John the Baptist do." Anyway, that's the absolute truth. My first experience was in my mother's womb. It says in the Bible, it says, "I covered you in your mother's womb."

**LARRY:** Wow. And even though in to childhood, it's amazing, the enemy tried to do what he could to take you out. I know you got to a point of absolute desperation where you almost took your life. What happened?

**BOBBY:** When I was eight years old, I got drunk for the first time. I drank alcohol and got drunk and a demon came into me, tried to kill me 'til the fall of 1968. I got into. Rough, rough lifestyle, rough as it could get. Here's what my folks would say, my aunts and uncles, "Well, he'll be dead or in the penitentiary time he's 21." It was just horrible. Anyway, they said, "What he needs is a wife, a kid, a white frame house," so I got a wife and a kid and a white frame house. Still miserable.

Here's what I said. I said, "If this is all there is to it, I'm through with it." I drove a car deep into the Kickapoo Creek Bottom. I let my little wife and son out. He was just a little bitty thing. Now he's 50 plus years old now. But anyway, I let him out at church and I drive my car deep into the woods, the Kickapoo Creek Bottom, and I have a double barrel shotgun on the seat. I pull it out, crack it open, got two buckshot in it, snapped it to, stuck the gun in the roof of my mouth, pushed the safety off, put my thumb on the trigger. The whole car filled with demons shouting, "Do it, do it, do it. Do it now." See, the devil comes to what? Steal, kill, and to destroy.

Jesus said, "I've come that you might have life and have it effervescent."

Anyway, I started shaking like a leaf and I wasn't afraid of nobody. I started shaking like a leaf, put the gun on safety, threw it in the back seat of the car. I drive back to that church I'd let my wife and little boy out, never intending to see them again, I'm going to kill myself and they went into the church. I let them out about 5:30 or 6:00 in the afternoon. It's probably, I don't know, maybe 10:30 or 11:00 at night now. I drive back to that church and I'm sitting in the car seat there under a big old tree at the First Baptist Church in Murchison, Texas. At that time, Murchison had 202 people in it and I'm 79 years old, it's up to 521. That thing's in a growth spurt, man.

But anyway, I'm sitting on there and here's what I said. I said, "Lord Jesus, if you could, would you save my life?" Just like that. Just like that. I opened the door and I was a new creation. It was amazing. I walked to that church door, pulled the church door open, and so help me God, here's what had happened. I pulled the door open. There's Paul Nouse, a pastor that I hated. I'd catch him in the stores and I'd shove him, I'd curse him, I would've beat him unconscious but he'd look at me with big old blue eyes and say, "Bobby, I love you." There he was, it was his church that my wife and little boy was and here they are. They're at a mourner's bench, a prayer bench, and they're praying.

Paul Nouse, my wife, my little boy, Sharon and Ronnie Coston, some other Christian young couples. Here's what I heard when I'm standing back there in the foyer of that church, I heard them crying, "Oh God. Oh God. Whatever it takes, save Bobby."

See, if they hadn't been praying for me, I'd shot my brains out and be in hell instead of in *It's Supernatural*.

**LARRY:** Yeah.

**BOBBY:** You see?

**LARRY:** Yeah.

**BOBBY:** See, God's got a plan for us, hasn't He?

**LARRY:** He does. What I want you to do. Cause there is such a grace on that, Bobby. I want you to look in that camera. I believe the Lord wants to use you right now to interrupt the spirit of suicide.

**BOBBY:** I really want to do that.

**LARRY:** There are people who are watching do that, come on.

**BOBBY:** I want to tell you what. The devil comes to steal, kill, and to destroy.

Jesus said, "I've come that you might have effervescent life." I'm telling you, you cannot fall in a pit so deep that the grace of God can't pull you up.

One of my favorite verses in the Bible is in it says, "I waited patiently on the Lord. He inclined it to me and He heard my cry. He brought me up out of a horrible pit, out of the miry clay. He set my feet up on a solid rock. He established my goings. He put a new song in my mouth. Even praise unto our God, many shall see it in fear and trust the Lord."

You may think you're in a pit and you can't get out of, but the grace of God can reach down and pick you up and He's going to do something marvelous for you. When you open your heart and your life to Christ, He'll translate you from the kingdom of darkness into the kingdom of light, love, and liberation. That's Colossians 1:13. "God transfers us out of the kingdom of darkness into the kingdom of light and love and liberation." It's the best journey you'll ever take.

Lord, I pray that they'll open their heart and they'll receive you and repent and come to know you, whom to know is life eternal, in Jesus' name.

**LARRY:** Amen. Amen. I believe God spared Bobby Conner's life because he had a plan and a purpose for him. He's got a plan and a purpose for you.

**BOBBY:** Yes.

**LARRY:** When we come back, Bobby Conner is going to share about the Yom Kippur Holy Spirit visitation that he had in 2017 that I believe we are seeing come to pass even now in our days. Stay with us. We'll be right back.

**BOBBY:** All right.

*We now return to **It's Supernatural***

**LARRY:** Well, we're here talking with our guests, Bobby Conner, and I know the Lord's supernaturally spared you so that you could be really a prophet to the nations. Before we dive on into some of these Yom Kippur words, I want you to share some of the words that you've had that have actually come to pass, that we're literally seeing in the last few years.

**BOBBY:** We've prophesied the terrorist attack before it happened. Back then the word terrace was unknown to us hardly. I said, "There's going to be a terrorist attack, terrorists here now," so we prophesied about that. Then we prophesied about the day in the hour the Desert Storm War would happen six months before it happened and over television. We prophesied about war coming between the Ukraine and Russia or Russia and the Ukraine.

**LARRY:** Wow.

**BOBBY:** All of these have come to pass. We've prophesied about the pandemic-

**LARRY:** Yes.

**BOBBY:** ... before it came. I said, if you can read you it, it's we prophesied you write them a year in advance. I said, "There's coming a pandemic. It'll be very deadly and very devastating, but it will be a shake up for a wake up so we as a body of Christ can embrace a greater glory."

**LARRY:** Mm. Let me ask you this before we go into Yom Kippur, because we hunger for the glory of God.

**BOBBY:** Yeah.

**LARRY:** We burn to see His glory fill the earth.

**BOBBY:** Yeah.

**LARRY:** What does that look like? What do you see when we ... I feel it even now.

**BOBBY:** Yeah.

**LARRY:** When we talk about greater glory, what does that look like?

**BOBBY:** Yeah. In this shepherd's ride, the one for this year, for 2022, the Lord said, "I want you to teach my people how to get into my presence." You can't get into the glory of God if you don't

get into the presence of God. It's Psalm 16:11, he said it, "I will show you the pathway of life, in your presence is fullness of joy, at your right hand are pleasures forevermore." We've got to learn how to get into the presence of God, let the presence of God get into us, and that's where the glory is. There's no glory outside of the presence.

**LARRY:** Well, I want to rewind to 2017.

**BOBBY:** Yeah.

**LARRY:** Day of Yom Kippur. Day of Atonement. What happened? What happened at this visitation?

**BOBBY:** Whoo. It'd like to kill me, it'd like to kill me to be quite honest with you. I was caught up. The Lord said, "I'm going to show you the courts of heaven," and I was caught up to the gates of heaven and these big walls and these massive angels up there. I'm telling you that they're fierce looking guarding the wall. I'm telling you, they're the guiding angels that brought me up there. There we are standing down there and there's about, I don't know, 50 or 80 foot walls and there's these guarding angels up there and they're fierce looking. They all cut their eyes down at the same time looking at me with those other angels, and they said in a very strong tone, "Who have you brought to this gate?"

These angels looked back at the guarding angels and said, they said, "We brought the friend of the king," and that's how I got into the courts of heaven. I was identified and I introduced as a friend of the king and that's what God wants us to do. He wants us to receive Him as friend and father.

Anyway, got caught up into the courts of heaven. There was a big door there, looked like it hadn't been opened in years. The Lord said, "Open this door."

I said, "I don't have a key."

He said, "Open the door."

I said again, "I don't have a key."

Third time, he said, "Open the door."

My response was, "Lord, I don't have a key."

He said, "You are the key." He said, "Stick your hand in the slot. There's a slot in the door." I stuck my hand in the door like this and I rotated my hand like this. The door opened and you've heard something with a vacuum. The door opened and a vacuum sound and here came all kind of wind and light and sounds coming over my shoulder into that door.

I said, "Lord, what was that?"

He said, "That was the cumulative prayers of the saints of the past coming in." He said, "Now open the door," and I opened this door, gigantic door. Here comes the Ancient of Days through that door. It's open. He's in a figure of fire. His garments are ablaze, hair white as wool, and he said to me, "I want you can walk behind me. Holy Spirit can walk beside me, but you must walk behind me." He backed up and there was molten footprints you could see like you'd maybe on television where there's molten lava. It looked like that. That was his footprints. He said, "Step in."

I'm thinking, "I'm in a immortal body."

He said, "Step in." I stepped in and I'm telling you guys, oh, my. Fire shot out of my eyes, shot out of my ears, shot out the tips of my fingers. But I've followed the Ancient of Days. It says that, "The Ancient of Days renders a verdict in behalf of the saints of God and the saints of God will possess the kingdom."

The Bible said, "We're seated at the right hand of God, we're seated to Christ." The Bible said, "He's seated at the right hand of God in heavenly places," so we need to start orchestrating what's happening here from up there. We need to get into the courts of heaven and find out what heaven's decree is, and that Daniel verse that you're going to hear so much about, it said, "The evil force is ruled and raged until the Ancient of Days stands, drops His gavel, renders a verdict in behalf of the saints of God." That verdict has been rendered and we're going to possess the kingdom.

In these days to come, you're going to watch something happen to the body of Christ. We're about to become awestruck.

**LARRY:** Wow.

**BOBBY:** Because we're way too familiar with the God we barely know, but He's about to reintroduce himself to His people.

**LARRY:** Well.

**BOBBY:** Isn't that amazing?

**LARRY:** When we come back, I want you to get ready because I believe God Almighty is going to reintroduce Himself to you. As you're watching, I believe the glory of God is going to fill your room and He is going to share the Yom Kippur 2022 prophetic word he's received.

**BOBBY:** Yes.

**LARRY:** Don't go away. We'll be right back.

*We now return to **It's Supernatural***

**LARRY:** It's such a delight talking to prophet Bobby Conner here. I'm amazed and as Sid would say, you're provoking me to jealousy-

**BOBBY:** Good.

**LARRY:** ... when it comes to these encounters with God that you have but you're such a good steward of them in terms of how you compile them in the Shepherd's Rod. You share them with the body of Messiah, with the people of God. I want to talk to you about Yo Kippur this year.

**BOBBY:** Yeah, this year.

**LARRY:** 2022. What happened? What did God show you and what are we supposed to do?

**BOBBY:** I was down in Bullard, Texas. We have an office and a place down there, and I was working there on some PowerPoints for some schools I was going to teach. The Holy Spirit says, "Bobby, do you know the flint theme and the thrust for the coming Shepherd's Rod?" It's 90 days away so I hadn't even thought about it hardly because on the Day of Atonement, on Yom Kippur, for 28 years I've had this visitation from Jesus. So I was stunned that it happened 90 days before in the office. "Do you know the thrust and the theme of this year's Shepherd's Rod?"

I said, "No, I don't."

The Holy Spirit said, "I do." Then he said, "Do you want to know?"

I said, "Yes, Lord, I want to know."

He said, "The gavel of God."

I said, "You're saying to me the gavel of God."

He said, "Yes."

I said, "What do you want me to do now?"

He said, "I want you to type in the "gavel of God" on Google."

So I took my computer and I typed in "the gavel of God" and I hit the word send, and guess what popped up? An article I'd done 14 years in the past that said, "Bobby Conner and the gavel of God." 14 years before.

God said, "That's what I want you to talk about this time, because we are at a time that the Ancient of Days has dropped His gavel, rendered a verdict on behalf of the saints of God, and the saints will prevail." That's where we're at. That's the one for 2023.

**LARRY:** Yeah, yeah. There's something on that though, Bobby. There's something.

**BOBBY:** Oh man.

**LARRY:** I want you to address the people who are watching right now. What does that mean for them? What does that mean for their children, for their health? The gavel of God?

**BOBBY:** It means a verdict of God is for the saints of God and it says, "They will possess the land."

Here's what God told me. He said, "Part of possessing the land is taking back everything the devil's stolen," and so it's going to be a time of great recovery. I tell you, God's going to shake everything that can be shaken so that the only things that can't be shaken are what He's planted. We're in for some real quick changes, but they're going to be changes for good because all things work together for good. I'm telling you guys, I wouldn't change this time for any other time in history. I think it's the most crucial time in human history worldwide. Look who God's let live. I said to Him, "What are you thinking?"

He said, "I finally found the people weak enough to work in." He said, "Not weak in morals, not weak in ethics, not weak in character, weak in their own ability." He said, "I have found me a group of people that's embraced John 15:5, 'Without me, you can do nothing.' Philippians 4:13 says, 'But I can do all things through Christ who infuses me with inner strength.'"

I'm telling you guys, God wants us to prevail and we're going to prevail over the enemy and we're going to recover back. The Bible said, "If you catch a thief, you can command him to pay back seventh fold," so we're going to see a great recovery. We're going to see the church really, really, really receive the awe of God, the holy, reverential, fear of the Lord. Guess who it's going to fall on first? It's going to shock you and shock the whole world. The holy reverential fear of God is going to fall first on the millennials.

**LARRY:** Wow.

**BOBBY:** Now I'm telling you, watch it happen and boy, we're going to be stunned and shut and go, "Well, how come them?" But I'm telling you, watch this. God's going to teach the millennials about the holy, reverential, fear of the Lord. A big word coming for 2023 is awestruck. Awestruck. Oh, boy. Our mouths are going to gape open because the Bible said, "You prepare the people because they've never been where we're going now." We're going to move into some territories. There's principalities and powers turn loose now. The devil wants to kill as many people as he can as quickly as he can, but I'll tell you what, we've got warring angels. They came to see me October the 4th this year.

The warring angels. It sounded like Huey helicopters whirling above me. Oh man, here comes these angels. They're fierce. They're warring angels. I'm telling you, we don't even have a clue of the army that's available to us.

Psalms 91:11 says, "The angels of God encircle the people of God to protect them and watch over them." Psalms 104 verse 4 said, "They're here to minister to us and listen. They're adequate and available."

These angels were fierce looking and anyway, I'll just tell you a secret about what happened on this past Day of Atonement. I'm there in my I home, in my home up here by Moravian Falls, North Carolina. That's where I was for this Shepherd's Rod and it's October the 4th and see it starts with sundown and it starts the next day, it ends the next day at sundown. So I'm on my back porch in my Moravian Falls, North Carolina. That's a place of open portal. It's an amazing story there.

But I'm back there on my back porch and the sun is sitting in the western sky. It is marvelous. It is absolutely breathtaking. It's gold. It's gold like you can't imagine. Then out of the golden cloud shoots rays like arrows of gold just shooting out across there. I thought, "Boy, this is something," and so help me, God, here comes a glory cloud, about the as half as big as this room right here. Here comes a glory cloud and engulfed me, swallowed me in a glory cloud. Oh, my goodness. Oh, listen, I've had all these experiences, nothing, this glory cloud just comes and it comes rushing and swallows me into this glory cloud, all around me is this glory clap, and it's whirling like this. Whirling and whirling, and with every rotation, new revelation is penned on the glory cloud and it's spinning so it is got me just ...

Listen, no mind could comprehend all of that and that's what I said to the Lord. I said, "Lord, the revelation is coming so quick and so speedy. I don't know how I'm going to retain it."

He said, "Bobby, I'm going to put it in your spirit, not on your mind." Remember, the Holy Spirit's job is to bring back up to our mind what He's taught us. All these revelations were carved on this glory cloud spinning around me. Honestly, it took me days to get my balance back, honestly, from being in that glory cloud.

But I believe God's going to shake us up with His presence.

**LARRY:** Yeah.

**BOBBY:** I think that we need ... This holy fear of God's coming back to the house of God and we need it.

**LARRY:** Yeah.

**BOBBY:** The fear of the Lord is what? Oh, the beginning of wisdom. We need wisdom, don't we?

**LARRY:** We do, we do for the days ahead.

**BOBBY:** We definitely need the wisdom of God and it comes from the holy fear of God.

**LARRY:** Well, and in the audio series you've put together for this, I believe you're going to really help outline what is coming-

**BOBBY:** Yes.

**LARRY:** ...how we can align with the timelines of God-

**BOBBY:** Yes.

**LARRY:** ... how we can prepare, how we can be positioned.

**BOBBY:** Yes.

**LARRY:** But I want to encourage those of you who are watching right now, if you do not know Jesus as your Savior-

**BOBBY:** Yes.

**LARRY:** ... the days are coming where I believe we are going to experience facedown glory, where the glory in the presence of God is going to be just as Bobby Conner outlined and described and I want to encourage you just to simply pray Father God, I am a sinner. I ask right now for the blood of Jesus to cleanse me of every sin. I confess, Jesus, you are Messiah, you are Savior, you are Lord. You died and rose again and because of that, I am a new creation.

**BOBBY:** Yes, Lord.

**LARRY:** I am a believer in Jesus. Fill me with your spirit and God, prepare and use me for the coming days of great glory.

**BOBBY:** Yes, Lord.

**LARRY:** In Jesus' name.

**BOBBY:** Yes.

**LARRY:** Amen. Amen.
