

Hello. Sid Roth here. Welcome to my world where it's naturally supernatural. My guest was taken to heaven and given understanding of the hidden meaning of numbers in the Bible. Wait till she tells you the true meaning of 666. Totally different than the best prophecy teachers. Next.

*Sid Roth has spent over 40 years researching the strange world of the supernatural. Join Sid for this edition of **It's Supernatural**.*

Sid Roth: Welcome, Holy Spirit. This is your platform. Take over. We yield everything to the glory of God. Glenda Jackson inherited the gifting of her aunt, Maria Woodworth Eder. Miss Eder's signs and wonders echoed the miracles we read in the Bible. Glenda is a recognized international prophet. My favorite miracle that Glenda has shared before, but I insist on it coming again. It's actually my favorite miracle of all time. It got me into more trouble, was Glenda's father. He was a butcher by day and an evangelist by night. One day, he had a tragedy. He was in his butcher shop and he cut off his forefinger, so he ran to the hospital, asked the doctors, "Sew it back," but Glenda, the doctor said, "We can't do that." I mean, he thought, "Just take a needle and thread it and sew it back." It was way before we had that technology. Glenda was eight years of age. She was at that service with her dad. What did you observe?

Glenda Jackson: Well, my dad was not a preacher that just stands behind the pulpit. He was a powerful hellfire and brimstone preacher, and he was excited. The Holy Spirit was in the meeting so powerful, he hit the pulpit and the finger flew off and a brand new one came right on and everybody just started.

Sid Roth: Did you see this with your eyes?

Glenda Jackson: I sure did.

Sid Roth: When it flew off, it hit someone. What happened?

Glenda Jackson: Yes, there was a paraplegic in a wheelchair sitting right in the row outside of it and the old finger hit him. He was healed immediately, sprung out of the chair.

Sid Roth: A paraplegic!

Glenda Jackson: Yes, born that way and was running and the house just went crazy in worship for God.

Sid Roth: Hey, but guess what? When the finger flew off and healed the paraplegic, what happened to the stub?

Glenda Jackson: Oh, the new finger was there. God spoke to my dad and said, "I've given you the finger of God."

Sid Roth: Whoa.

Glenda Jackson: Like my Son had, and you're going to be able to know when people come in and they are devil-possessed and what this demon's name is, and you'll be able to cast it out with that finger. I seen it happen over and over and over.

Sid Roth: Glenda, God has shown you what will soon take place in the world and what God's response is. What is that?

Glenda Jackson: The glory of God. The glory of God's going come into this generation like never before and it's going to cover the entire world and God's going to come down. We need to prepare and we need to hunger for it. It's going to show the King of Glory and heaven is coming down to earth and the glory of God's going to cover, and we're not going to have to lay hands on people to be healed. They're going to be healed automatically, and, too, creative miracles are going to happen.

Sid Roth: Well, the way I like to put it, Glenda, is we've seen the devil's best move. Now God is coming up to the plate. Watch out, Devil. Now Glenda, you explained some examples from the resources we're making available about the importance of numbers.

Glenda Jackson: Yes.

Sid Roth: Tell us a few.

Glenda Jackson: Well, the Lord showed me the number 19 stands for-

Sid Roth: Like COVID-19?

Glenda Jackson: It stands for faith all through the Bible.

Sid Roth: We need faith when COVID hits.

Glenda Jackson: The Lord showed me he allowed the number 19 to be put right in the middle of COVID so the whole world's faith could be tried. In the Old Testament, the 19th book is Psalms and your faith gets built when you read the Psalms. You get so excited, like Heaven's coming down. In the New Testament, the 19th book is Hebrews and we know that's the faith of God, the faith book.

Sid Roth: I've often wondered, where the Bible says God himself has every hair on our head numbered?

Glenda Jackson: Yes.

Sid Roth: He's got to be conscious of numbers.

Glenda Jackson: Yes. He has a book called Numbers. Our days are numbered.

Sid Roth: Tell me about the pastor in Glendale.

Glenda Jackson: God gave me the word of knowledge that he needed a new church, so I told the pastor, I said, "God gave me the number for you to go look for the building, and you're going to find it." I described it the way the Lord showed me in the Spirit and I saw it, "And you're going to have parking space. It's going to be on the corner." I didn't know Glendale, California. He went looking. He found the building with the number and it matched everything.

Sid Roth: You gave him the number of the address of the building?

Glenda Jackson: Yes. He found the place. He got so excited when he seen the number, it built his faith. That's what numbers does. It builds your faith in God. It all came to pass.

Sid Roth: The key that Glenda teaches, and I've not heard people teach this way, is the importance of numbers, what numbers mean. Look, God knows you. He has every hair on your head numbered. Glenda was taken to the throne room in heaven and says it's very different than the descriptions that most experience. Be right back.

Sid Roth: Glenda, tell me about the holiest vision you ever had, and I say holy.

Glenda Jackson: When Jesus appeared to me with two angels and told me my calling, there was an altar in front and they took a coal, an angel did and touched my mouth. Later on in my life, it would come into fullness. I fell on my face and I was just shaking, terrified. I felt such a fear of God, a respect I never had that I felt that day.

Sid Roth: As a Jewish believer in Jesus, I see that missing in many churches. I'm not talking about a fear of God that He's going to hit you over the head.

Glenda Jackson: No.

Sid Roth: I'm talking about a healthy fear of God. It's reverence. It's respect. It's holiness. He's God!

Glenda Jackson: When I was in the throne room and Jesus said, "I'm going to teach you about faith," first, He told me, "Faith means 'Forsaking All, I Take Him.'" I saw angels bringing shields of faith and laying them around the throne. I said, "Lord, what is this?" He said, "You tell my people I'm not praying for anybody to get saved or healed." I said, "I thought that's what you were about." He showed me his scars and He said, "I already did the work." He said, "Have you never read what I told Simon? I said, 'Simon, Simon, Satan has desired to sift you as wheat, but I prayed.'" He said, "I didn't pray for the devil to live him alone. I didn't pray him out of his troubles." He said, "I am praying that your faith fail not." He said, "Tell my people I am here interceding, praying that their faith will not fail."

When I seen the shields brought in, He said, "Remember, above all, the Word says, take the shield of faith with you." He said, "My people are supposed to be anointed by Me. They're laying down their shields of faith and they're going to the world, to any, every place they can go to get messages when they need to get on their knees and seek Me." He said, "They need to cry out to me and I will tell them and guide them and lead them. That's why I gave them the Holy Spirit. He's the teacher and he leads you into all truth and above all, take that shield of faith." He said, "You cannot." That's what the devil wants. He said, "The devil wants to steal and kill and destroy your faith. Tell my people that your faith is being

prayed over continuously by our intercessor, the Lord and secondly, your faith has been anointed. I have anointed it," and even in the latter days, the days we're in now, He said our faith is going to be greater than it's ever been.

Sid Roth: The devil can't get you because when it's dark, your faith comes alive. When it's light, your faith comes alive. He can't win.

Glenda Jackson: No, and just like Hebrews 11:1, it says, "Now faith is," the Holy Spirit showed me. He takes that now because he said, now, God, he turns it around. It spells W-O-N. Jesus already won it for us, and every chapter in the Bible that starts with capital N, capital O, capital W is a faith chapter.

Sid Roth: You said you learned the five most important words in heaven. What were they?

Glenda Jackson: And it came to pass.

Sid Roth: I love that.

Glenda Jackson: The devil hates that. He does everything he can to stop it, but you can't read about Jesus, for Jesus came to fulfill all prophecy, everything in the Bible. Jesus, He didn't come to bring religion. He came to bring intimacy with our Heavenly Father, to bring us down.

Sid Roth: Religion has become a placebo for what God wants and that's for us to have experiential knowledge of him.

Glenda Jackson: Jesus came that we might have life and have it more abundantly and that word might means be given the power to receive it. Just like when Paul said, "My prayer for Israel is that they might be saved," in other words, they be given the power to receive it.

Sid Roth: Now you said that when this holiness came, you couldn't even lift up your eyes. Explain that.

Glenda Jackson: I couldn't because there is such a holy, I mean, a reverence that you can't even speak. I fell on my face and I was just trembling under and in heaven, everything is moving. The Word is alive. I can't explain it. I said the wallpaper of heaven is the Word. Jesus is the Word. Everything moves around the Word.

Sid Roth: The Word is the written Word of the living God.

Glenda Jackson: Amen.

Sid Roth: The Word was with God. Of course, the Word was with God. The Word was God, and the Word became flesh and tabernacle, in a sukkot, in a booth called a body.

Glenda Jackson: Yes.

Sid Roth: The Word's name is the one Messiah of the world, Yeshua. I want you by faith, just what Glenda was talking about, to repeat this prayer after me to experience way beyond religion, to experience intimacy with the living God. You must say this out loud. You must believe it to the best of

your ability. Repeat out loud after me. Dear God, I have made many mistakes, for which I'm so sorry. I believe the blood of Jesus washes away those mistakes and I'm clean. Now that I'm clean, Jesus, come and live inside of me. I make You my Savior from all the mistakes I've ever made, and I make You my Lord. I want to know You, not just know about You. I want to know You. Now, Glenda will teach on the hidden meaning of numbers in the Bible like 666. Didn't forget about that. Be right back.

Sid Roth: Glenda, as a child, God began to teach you about the significance of numbers. Teach a little on that.

Glenda Jackson: Yes, like the number 13. 13 means sin and to rebel against God.

Sid Roth: That's interesting because we think of Friday the 13th, et cetera, to rebel against God.

Glenda Jackson: God. In every 13th chapter in the Bible, somebody or something rebels against God. Just like Solomon spent seven years building the house of God. Seven is not only Jesus's number, but it's the number for glory. Remember, we fell one day short of the glory of God. Solomon spent 13 years building his own house and he put 13 steps to the front door and his whole life become rebelling against God.

Sid Roth: All right. Tell me what God has shown you about the number 666 and things that very few Bible professors understand.

Glenda Jackson: Yes. On the number 666, the Lord told me, "I want you to get a piece of paper. I'm going to show you how the antichrist is going to work through 666. Now, it's going to be the Roman numerals because they're going to come back under the Roman empire and they're going to use the Roman numbers. He told me, "Six, when God looks down, when He looks down, it's like He's looking in a mirror, but he sees it right. We're the ones that see it wrong."

Sid Roth: Of course.

Glenda Jackson: Well, number six is not man's number. It's Satan's influence on man. Remember, when Adam was created, God knew he was going to fall one day short of glory. He made him on the sixth day because he already had everything planned out. What is the first six in 666? It's VI in Roman numerals, but remember, when God looks down, it's IV. There is your medical under-

Sid Roth: The Antichrist.

Glenda Jackson: Christ's Spirit. We're living in a generation where IVs are hooked up even on your pets. This is a generation that's going to see more of this in any other time. The next is number 60, which means pride and the pride of life that it talks about. Now in Roman numerals, LX is 60, but God looks down and it's reversed and it's XL. There's your food and your clothes. We're living in a time, when I was growing up, people didn't wear extra large and you didn't go in the restaurant or drive through and they go, "Do you want to extra large this?" Everything's extra large. Then the last, this really blew me away when God shown me, 600 means warfare. All right, what is 600? It's DC but you turn it around, it means your banking.

Sid Roth: CD.

Glenda Jackson: And your music, entertainment. We didn't have CDs when we were growing up and the bank even has CDs now. Everything there is what the flesh cannot get by without. Do you see that?

Sid Roth: Yes. Now, will the antichrist be Roman? Will he be Jewish? Will he be white?

Glenda Jackson: Jewish, and he showed me the blueprint of the antichrist is based on Solomon. Remember this. Solomon came out of the tribe of Judah, so the antichrist has to copy everything.

Sid Roth: It's a cheap counterfeit of the authentic Yeshua. Jesus came from the tribe of Judah.

Glenda Jackson: Solomon, everything he did fit. The money he gathered was 666. You can find that in second Chronicles.

Sid Roth: Because of the shortness of time, Glenda, I want you to look in the camera and I want you to pray that impartation you got from your dad and you got from your aunt, Maria Woodworth Eder. Pray that over our audience.

Glenda Jackson: Okay. I want to pray for you right now and impart to you what my great-aunt had and my dad: signs, wonders and miracles, I impart to you right now. Raise your hands and believe and receive it. It comes from the Lord in the name of Jesus Christ. Receive it now in the name of Jesus, now in the name of Jesus, Almighty God, you know what? I see people in the Spirit in their home falling under the power of Almighty God. Amen.
