

Hello, Sid Roth here. Welcome to my world where it's naturally supernatural. Are there ancient passageways that are open now that allow us to walk in cycles of continuous blessings? Many Jewish people that do not know the Messiah have tapped into this while few Christians have. Now it's your turn next.

*Is there a supernatural dimension, a world beyond the one we know? Is there life after death? Can our dreams contain messages from heaven? Is God ready to bring a tsunami wave of healing onto planet earth today? Join Sid for this edition of It's Supernatural!*

**Sid Roth:** Welcome, Holy Spirit. Wow, are you here. Joshua, Caleb, David had the Shekinah glory on them. As a traditional Jewish man, that same glory rescued me and gave me something I and most believers never knew was possible, experiential knowledge of God. That same glory is in this studio right now and will give you the same experiential knowledge of God.

Jesus actually walked into my guest, Dr. Sharon Nesbitt's, bedroom at age 20 and told her she'd have a worldwide ministry of miracles, signs, and wonders. Then 22 years ago, the Messiah commissioned her to teach believers, the last thing she wanted. Sharon, what were those two things?

**Sharon Nesbitt:** Well, those two things, Sid, was to preach the gospel and then to teach about his feast. At 18, my mom died. At 20, my dad died. I hated God. I didn't want God. I cursed God out. My last ditch effort after drinking and smoking, trying to get rid of the grief, I cried out and asked the Father, "If you're real, show me." Jesus stepped in my bedroom. And some people say, "How you know it was Jesus?" Because I saw the nail scars. He stepped in and gave me the biggest hug and melt all of the fear, the pain, the trauma and the grief away.

The pure love of Jesus surrounded me. The love that I didn't experience from my mom and father is what I felt from him, what I felt like I lost. He pushed me back and said, "You're going to go around the world teaching people, and preaching the Gospel, and healing the sick with miracles, signs, and wonders." You got to know I grew up in a certain denomination, and we didn't believe any of that. We didn't believe in women preachers. We didn't believe in signs, wonders, and miracles.

So I was left with all of this, and he says, "You're going to do it by faith." I'm thinking you have this supernatural grace, this supernatural anointing to do it. But it was like I had to study to find out. I studied men and women who walked in the supernatural. I went to conferences. I consumed myself with reading and studying and looking at the Scriptures, Scriptures we never read growing up. And I began to see the power and the anointing of God begin to rest upon my life. We saw miracles after miracles, signs, and wonders. We began to travel all overseas.

And then 22 years later, he asked me to start a church. And I'm like, "No, I'm not going to do that." And he said, "I want you to teach my people the feast." I was observing the feast, but no way did I want to teach the people the feast. We're in the south now.

**Sid Roth:** There are a few other things you wanted to teach before that.

**Sharon Nesbitt:** Absolutely. Faith, love, finances; something else, not the feast, because we had to talk about holy days and not holidays. When we talk about the holy days and the convocations that are tied to the feast, you begin to see the very power and the essence of these cycles of blessings. I went kicking

and screaming and people called us all kinds of things, but today, Sid, people are calling me asking me, "What about those feasts? How do you celebrate the feasts, and what are they?" They're really inquisitive now, and so I'm so honored that God would choose us to do that.

**Sid Roth:** Well, Sharon teaches, and this is very important, that celebrating the feast days enables you to enter a portal. Sharon, what is a portal, and why is it so important?

**Sharon Nesbitt:** Portals are gateways. They're segues, doors, or windows to another dimension. Adam and Eve, they sinned, and we lost the ability to transcend dimensions in times and seasons. And so these portals or doors give us access to the other side. Jesus said, "I stand at your door," so that means you become a portal to the other side. He says, "You were translated from the kingdom of darkness to the kingdom of his dear Son." So that was a portal that we went through when we got saved. We become that access where we can transverse back and forth and bring things out of heaven to the earth.

**Sid Roth:** Why are the seven feasts of Israel types and shadows of Jesus?

**Sharon Nesbitt:** They point to the Messiah. Each one of them has a significant meaning as it points to the death, the burial, the resurrection of the Lord Jesus, and his coming back. And so when we look at Passover, he died on Passover, Pesach. Unleavened bread is when we get rid of the sin. He was buried in unleavened bread. First fruit, he got up. He got up as the firstborn from the dead. And then we look at Shavuot, which is Pentecost, which is the giving of the Holy Ghost. Three thousand died in the Old Testament, but 3000 got saved in the New Testament, and the Holy Spirit comes to give us that life, that power.

So the four spring feasts gives us the death, burial, resurrection, and the giving of the Holy Spirit. But the three fall feasts is a precursor to when Jesus is coming. We have Rosh Hashanah, which is the Head of the Year or the Feast of Trumpets, and that's where we engage that creative power. And then we have Yom Kippur, which is the Day of Atonement, which Jesus is our high priest. We don't need a high priest or goats or bulls anymore, but the Precious Blood of Jesus now covers us. Then we have Sukkot, which is the Feast of Tabernacle, where we're going to tabernacle together.

Sid, we don't know what year he's coming, but we know what season he's coming. He's coming in the fall.

**Sid Roth:** The big question I have, though, is it a have to? Is it a salvation issue? These feasts, to what degree is it a requirement?

**Sharon Nesbitt:** No, it's not a salvation issue, but it gives me revelation of my salvation. I don't have to; I get to.

**Sid Roth:** When we return, you will see just how supernatural her teaching and books are. While reading her book, a woman went to heaven and was healed of a fatal disease. Be right back.

We'll be right back to It's Supernatural!

**Sid Roth:** Do you feel as if God's not listening when you pray or speaking back to you? I've in there, and so have all of my guests. That's why I want you to go to [SidRoth.org/prayer](http://SidRoth.org/prayer) to access interviews with

We now return to It's Supernatural!

**Sid Roth:** Dr. Sharon, you went in kicking and screaming, but you knew God told you to study the feast, the biblical feast, to teach the biblical feast, to be a pastor in the South when it wasn't too popular. What did God do by your step of obedience? What is it today? What does your congregation look like?

**Sharon Nesbitt:** Well, we have over 600 people in our church. We got all kind of building projects going. We have a school in Guatemala and Kenya, so we're worldwide. But our church has miracles, signs, and wonders. I remember a young lady who transitioned, she passed. Her husband called me and says, "Anne is dead." Because we always celebrate the feast. We always celebrate the feast and we are always sowing in the feast. And Anne has a baby. Three days later, she's in the hospital, I'm out of town. Her husband calls me screaming and crying and says, "Anne is gone, Anne is gone." And the spirit of faith leaped upon me. I told him, "Shut up. Be quiet. Go back in there and do what I taught you to do." Because I teach them to walk by faith, declare the word, decree what they want to see. And he started decreeing life over her. But Sid, she had transitioned going into the heavens and was in a classroom with Miles Monroe.

**Sid Roth:** That's the teacher.

**Sharon Nesbitt:** Yeah. So that tells you when you get to heaven, we're not just going to eat honey and drink milk. We're going to be still learning and training. She heard our voices and Jesus told her to come back. He was decreeing one of our books called Seeds for Divine Health, decreeing that over her dead corpse. She came back in her body and now she's a mom and no residue. They said she'd be on medicine all her life. She doesn't take any medicine. The baby is fine and she's living a productive life.

**Sid Roth:** You say, "When we celebrate these feasts in freedom, it causes a portal or passageway to heaven." Tell me, you've had many experiences, your congregation has had many experiences. Tell me one more experience in reference to the portal of the feasts in something supernatural.

**Sharon Nesbitt:** We had another young lady, Dr. Brenda, had an aneurysm, a stroke, and a heart attack. The doctor said if she lived, she'd be a vegetable. Because we had just celebrated a feast, did the same thing, started decreeing the word out of one of our books. She had sowed a significant seed at one of the feast just a couple of days before. And because she sowed that seed, Sid, the doctors gave her no hope. She had 10% chance of living and 5% of ever living a productive life. Today, Dr. Brenda is healthy and whole. She takes no medicine. She has all of her faculties. Matter of fact, she says, "I feel better and I feel stronger than I did before I had the aneurysm."

We see the cycles of blessings, a cycle of blessings happen, health and healing spring forth speedily. The Bible says, "There's seven blessings to celebrating the feast." And so we decree those and we engage God and remind Him of those blessings. I was one feast, we had just started in the ministry. The Lord told us it was a Passover feast and the Lord told us to sow a \$10,000 seed. He might've told us to sew a million dollars because we didn't have it. We had just started the ministry. We were looking for a building. We just got the seed. We started just asking people to bring their pennies to get this \$10,000

seed. Remember, we only had 50 people back then. We finally got the \$10,000, sewed it into a Jewish ministry. Three days later we found the building and God gave it to us supernaturally with no money.

**Sid Roth:** Hey, if you are a Christian, get in on our Jewish blessings. I mean, parents didn't make a dummy. Go for it. In a moment, Sharon will pray for a release of glory and miracles. Be right back.

We'll be right back to It's Supernatural!

**Sid Roth:** Sharon, some say, "Hey, we're in the new covenant now." They almost say it with disdain, "Not in the old covenant." Why should we celebrate these feasts?

**Sharon Nesbitt:** Because Jesus celebrated them, and he said, "They are holy convocations forever." Sid, the last time I looked at what forever mean, forever mean forever.

**Sid Roth:** What's convocation mean?

**Sharon Nesbitt:** A holy convocation is in a meeting place with Him. It's a divine appointment that God says, "Every cycle or season, every year, I want to meet with you." There are divine appointments.

**Sid Roth:** You have a divine appointment right this moment, a divine appointment to know. I mean, you see me, you see my guests, and you know there's more. That's because many of you don't know the Messiah, and many that know the Messiah have kept your toes in the water but haven't plunged in. You haven't had your own experiential knowledge with God. Repeat this prayer out loud with me, and jump in out loud. Dear God.

**Congregation:** Dear God.

**Sid Roth:** I've committed many sins against you.

**Congregation:** I've committed many sins against you.

**Sid Roth:** For which I'm so sorry.

**Congregation:** For which I'm so sorry.

**Sid Roth:** I believe your precious blood.

**Congregation:** I believe your precious blood.

**Sid Roth:** Washes away every sin.

**Congregation:** Washes away every sin.

**Sid Roth:** And you say.

**Congregation:** And you say.

**Sid Roth:** Because of the blood.

**Congregation:** Because of the blood.

**Sid Roth:** You remember my sins no more.

**Congregation:** You remember my sins no more.

**Sid Roth:** And now that I'm clean.

**Congregation:** And now that I'm clean.

**Sid Roth:** Jesus, come and live inside of me.

**Congregation:** Jesus, come and live inside of me.

**Sid Roth:** I make you my savior.

**Congregation:** I make you my savior.

**Sid Roth:** You've rescued me from my sins.

**Congregation:** You've rescued me from my sins.

**Sid Roth:** And now I make you my Lord.

**Congregation:** And now I make you my Lord.

**Sid Roth:** Amen.

**Congregation:** Amen.

**Sid Roth:** Dr. Sharon, I've gotten to know you a little bit while you're here. I am so excited. I'm going to turn you loose in the Holy Spirit to pray whatever God wants you to pray for the viewers.

**Sharon Nesbitt:** All right. For all of you that are watching, you could be like me. You were grieving, you were hopeless, helpless, and Jesus walked in my room supernaturally. I'm praying for a supernatural encounter for you. You might be saying, "I know God, but I don't have a personal relationship with him." Sid just prayed the prayer. Now, I want you to begin to pray that you have a supernatural encounter with Him that will change the trajectory of your life, that things will begin to turn and you can see the light of who God has called you to be.

I want to pray for you. Father, in the name of the Lord Jesus Christ, I ask you by the Spirit of the living God that you open the eyes of their understanding, that you give them the inner penetrating power to see who you are in you, and they begin to walk in power authority with a known identity that they are a son of the Most High, that walk with the power to heal the sick, to raise the dead, and to cast out devils. The same commission you gave me, we ask you to give to them. We give you praise and we give you glory in Jesus' mighty name. Hallelujah.

If you receive that prayer, just go ahead and lift your hands. God is going to do something supernatural in your life. Begin to engage and thank Him for what He is going to do in your life to actively cause that anointing to be imparted in you, that you may demonstrate with glory and power. He took this little girl who was broke down, cast down, who was hurt and felt like God didn't love me, and caused me to walk with power around the world. If He could do it for me, He's going to do it for you. I'm praying for you. I'm asking the Holy Spirit to fall upon you now with an experience you've never had, exceedingly, abundantly above all you could think or ask. We thank you for that supernatural impartation right now in Jesus' mighty name. Just lift your hands and go ahead and praise Him and give him glory for what He would do in the name of Jesus. Hallelujah. Hallelujah. Glory to God. Hallelujah.

**Sid Roth:** Dr. Sharon, just very briefly, because I know you're prophetic. What is coming in America and in the world that God has shown you?

**Sharon Nesbitt:** Well, we already know that the digital currency is going to come in. We can slow it down if we begin to pray. We can minimize some of the things that is coming up on the earth.

**Sid Roth:** I mean, fortunes could shrink in a second.

**Sharon Nesbitt:** Yes. But I tell people, our kingdom has never had a recession. Our kingdom has never been broke. We've never had to worry about the dollar slipping in our kingdom. We haven't never had to worry about pandemics in our kingdom. But if we as sons begin to pray and decree and legislate with the executive power that He's given us from the throne room and start bringing order to the chaos and not living defeated lives, struggling and straining, but ruling and reigning, we can see the tide turn. He said He's given us authority over this earth to rule, to reign, and to have dominion, and it's time for us to take our dominion.

**Sid Roth:** As God says to the nation Israel, it is the set time. It's the set time for natural Israel, the set time for natural Israel to know the Messiah. It is the set time for the sons and daughters of the living God to operate in the kingdom you're really sent from, heaven, and bring it onto earth in Yeshua's name.

**Sharon Nesbitt:** Hallelujah.

We want to invite you to go to Sharon's extended show. She will reveal the kryptonite or reason for failure that short circuits the promises of God for healing from manifesting, so simple yet missed by most believers. Go immediately to [SidRoth.org/Sharon](http://SidRoth.org/Sharon).

Every day, Jewish and Arab citizens of Israel live under threat from thousands of destructive rockets aimed at them from nearby hostile nations. Numerous rockets have been launched indiscriminately into Israel, destroying homes, shops, and medical facilities, and badly injuring and killing many people, including innocent children. But do you know that Israelis have just 15 seconds' warning to seek shelter and get to safety?

Your gift right now to get Dr. Sharon Nesbitt's spiritual resources helps us build more vitally needed bomb shelters. The 78 bomb shelters we have built and put in place are designed to exacting military standards, and each one keeps 15 people safe.
